Loop de Loop Credenza

Designer Series

The whimsical Loop de Loop nightstand, the 38-006 now has a big sister... the Loop de Loop Credenza, both designed by Sasha Bikoff. The tapered legs with ball feet are a playful element. The namesake detail of the nightstand is the “loop de loop” motif surrounding the doors. This motif—often seen in metal garden furniture and architectural details—pays homage to Dorothy Draper, one of Bikoff’s most significant design influences. Painted accents in the loops are standard with a single finish on the credenza. Sasha's color way of Paradise (white, yellow, green, coral, lavender, and teal) is available at an added charge. A single brass oval pull is centered on each door. This charming piece will be shown at the April 2022 High Point Market. See it at 200 Steele Street, Suite 103 in a room with colors inspired from Sasha. Come see us!
