Regent Round Dining Table

Metropolitan

Inspired by expanding round tables of the English Regency period, this 60-inch table features a round top with a sunburst veneer pattern of Ribbon Stripe Mahogany and has a channeled edge. There are no extension leaves. The base, formed by five stylized saber legs, is raised on accent ball feet and joined by low stretchers. The use of Ribbon Stripe veneer brings a modern vibe to the more formal Swirl Mahogany veneers used on period tables.
