Round Monaco Occasional Table

Dorothy Draper Collection

This is a petite, round version of the beautiful Monaco II coffee table. This small occasional table uses three of the concave legs that is such a strong design feature of the larger oval Monaco. This size is ideal for a smaller space or to pair as two for a larger seating area. This table features a straight grain Cherry top, well suited for a paint or stain finish. The legs are concave and support a lower shelf for storage. The design of the table is from the Dorothy Draper Collection.
