

High Definition 1-Panel Embossed Doors

Ideal for Hotels and Office Buildings

Adds elegance and sophistication to any room or entrance

The Ceco HD 1-Panel Door features a distinct high definition embossed design. This design makes a grand impression and adds elegance and sophistication to any room or entrance. Underneath the exterior skins is an energy efficient polystyrene core making this door an important solution to today's building requirements. Design, durability, and energy efficiency makes the Ceco HD 1-panel door a cost effective alternative to stile and rail wood doors.
