Opening Solutions

Experience a safer  
and more open world

## Glass Box Track Sliding System

Enhance the layout of your interior space with the box track sliding system. Sliding effortlessly across the door opening, this wall- or ceiling-mounted kit has an optional soft close device that gently closes the door, extending the life of the hardware and keeping noise to a minimum. Complete the look with compatible u-channels, and Rockwood decorative pulls in matching finishes.

### Features:

- Glass provides a sleek and elegant aesthetic as well as sound concealment
- For interior commercial applications
- Ideal for office spaces
- Versatile top hung mounting system
- System allows door to slide effortlessly
- Concealed roller hanger
- Optional soft close allows door to ease into opening and closed positions
- Easily applied glass clamps require no glass fabrication
- Sidelite option available

### Applications

- Offices
- Conference Rooms
- Sports Venues
- Casinos
