

8200 SERIES MORTISE LOCK WITH STATUS INDICATOR

Door Solutions that Stand the Test of Time

Take control of your space with our redesigned occupancy/status indicator for the 8200 Series mortise lock. Never second guess whether a room is occupied or vacant again, thanks to the **industry's largest viewing window**, a full **180° visibility profile**, and a wider range of **customizable colors and text/graphic combinations**.

BENEFITS

- ⊕ **Enhanced window:** Larger status indicator delivers clear, immediate security awareness from across the room.
- ⊕ **180° visibility:** Status indicator window is easy to see from multiple angles for quick confirmation.
- ⊕ **High-visibility:** Stays readable in low-light conditions—so you're never left guessing.
- ⊕ **Design flexibility:** Available with any trim, including decorative options, to match your door's unique requirements.
- ⊕ **Ideal applications:** Great for classrooms, conference rooms, restrooms, and anywhere privacy and communication matter.
- ⊕ **Easy upgrade:** Retrofit kits make it simple to update existing mortise locks with a status indicator.

FEATURES

- Largest viewing window available
- Patent-pending curved window design
- Reflective coating on indicator panel
- Available in sectional or full escutcheon trim for one or both sides of the door
- Available in a variety of functions
- Available with thumbturn
