

Participants will be staying at the Historic Park Inn in downtown Mason City.

## Historic Park Inn Hotel

The Historic Park Inn Hotel, together with City National Bank in Mason City, IA, were designed by American architect Frank Lloyd Wright and completed in 1910. The design greatly influenced architecture in Europe and is as striking today as it ever was.

The Historic Park Inn Hotel is the last Wright designed hotel in the world. A complete renovation, including restoration of the distinctive brick and terra-cotta façade as well as art glass windows has restored the Prairie School building to a functional hotel.

## October 6 - 8, 2026

Instruction will include the CURRIES Technical Manual and introduce students on how to use the CURRIES Website to find information needed for CURRIES Products. The pricing segment of the seminar will review pricing procedures along with advanced techniques and tools to help in pricing CURRIES Doors and Frames and a session on understanding and interpreting hollow metal specifications along with a hollow metal take-off. Included with the CURRIES training is a tour of the CURRIES door and frame manufacturing facility.

***A minimum of 6 months experience is required in hollow metal.***

Attendees will have the opportunity to meet and socialize with the CURRIES Management Team and Customer Service professionals.

## Transportation

Training will be held in CURRIES offices at: 1502 12th Street NW in Mason City, Iowa.

**Attendees will need to provide their own transportation to and from the Curries facilities. No transportation will be provided by CURRIES.**

Hotel accommodations will be provided by ASSA ABLOY during your stay in Mason City.

***Registration Deadline: September 11, 2026***

*Additional details will be outlined in a confirmation letter after registration and acceptance.  
Please do not make any reservations until you receive your confirmation from CURRIES.*

**Cancellations will not be accepted 4 weeks prior to seminar start date.**  
**Cancellations may result in a charge to distributor.**
