Corbin Russwin and SARGENT concealed vertical rods, top / bottom bolts, and mortise lock body cassettes on this page are only available as factory installed in a Ceco or Curries Door. Doors and frames are ordered through the door brands. Hardware is ordered through the hardware brands. The mortise lock body, levers and trim are shipped directly from Corbin Russwin or SARGENT and must be field installed by a factory trained installer into the corresponding Ceco or Curries door.

IMPORTANT: Do not remove any hardware blocking or filler plates in the door or the frame until the mortise lock is ready to be installed.
