Rockwood VRP30

ASSA ABLOY
Opening Solutions

Experience a safer
and more open world

Vandal Resistant Pull

The Rockwood Vandal Resistant Pull (VRP30) is designed to help prevent tampering with door pulls. For interior or exterior applications, the VRP30 is constructed of high strength steel for durability. The patented uniquely sloped design of the pull makes it less vulnerable to binding the two door handles together to block egress.

MATERIAL:

High Strength Steel

FASTENERS:

#8 x 3/4" OH SMS

Lug Mounting, Tek and Torx fastening options are also available

OPTIONS:

Cylinder Cutout

Pair with Exit Device

ADA COMPLIANCE:

Compliant with ANSI A117.1. The operable pull must be located between 34" and 48" above finished floor.

Technical Specifications:

Part #	Dimensions	Finishes	Weight
VRP30	Overall size: 4"x16" Handle Projection 2 11/16"	Stock Powder Coats, Custom Powder Coats, and Stainless Steel (32D)	3.25 lbs

FEATURES:

Narrow, sloping handle

Made of high strength steel

Non handed

Back plate included

BENEFITS:

Easy to grip design reduces potential for binding handles together

Designed for durability, resists vandalism

Reduced risk of incorrect installation and stock inventory

No need to repaint opening in retrofit applications

APPLICATIONS:

For retrofit and new construction

- Schools
- Universities
- Arenas
- Theaters
- Churches
- Public Buildings
- Office Buildings

Options and Configurations:

Make it your own with flexible configurations and options:

The Rockwood Vandal Resistant Pull (VRP) is a flexible solution that can be applied to doors with or without exit devices. In either situation, the pull is designed to increase the safety and security of your building.

Standard Mounting:

The VRP30 is also an exceptional choice on doors that do not have an exit device. Most often these doors are on the interior of the building and feature a simple push plate on the opposing side.

Paired with Exit Device:

The VRP30 was designed to be paired with an exit device from ASSA ABLOY, including Sargent and Corbin Russwin varieties, or exit devices from other manufacturers. When ordering, please specify the model number of exit device and provide the exit device template.

Finish/Custom Options

Like many Rockwood products, the Rockwood VRP30 can be customized in various ways. Show school spirit by laser engraving your logo. Ask for customized powder coat to match school colors.

32D *Gray* *10BE* *BSP* *WSP*

Standard and Custom Powder Coats available.

The ASSA ABLOY Group is the global leader in access solutions. Every day, we help billions of people experience a more open world.
