

SARGENT®
ASSA ABLOY

10X LINE BORED LOCK

The Axis of Strength and Security

Engineered to secure and protect high traffic, high abuse spaces, the 10X Line doesn't simply meet ANSI/BHMA Grade 1 performance standards for durability, strength and performance, it exceeds them – by as much as 20 times. That means occupants will experience reliable performance throughout its lifecycle.

Experience a safer
and more open world

BENEFITS

- ⊕ **Vandalism Resistant:** Built to withstand malicious attacks and abuse
- ⊕ **Traffic Ready:** Certified beyond standard testing for heavy-use environments
- ⊕ **Design Adaptable:** Complements any architectural or interior style
- ⊕ **Inventory Efficient:** Reduces stocking needs with flexible options
- ⊕ **Easy Installation:** Simplifies setup in both new and retrofit projects
- ⊕ **System Compatible:** Integrates with existing key systems and mobile access

AVAILABLE IN

- Electrified bored locks
- IN100 Aperio wireless bored locks
- IN120 WiFi bored locks
- IN220 Power Over Ethernet bored locks
- SN Integrated Wired bored locks
- KP Series Keypad bored lock

FEATURES

- Prevents entry and maintains egress against more than 3,100 in-lb locked lever torque (2.6x ANSI/BHMA A156.2 requirements)
- Withstands 1,600 lbs offset lever pull (8x ANSI/BHMA A156.2 requirements) and continues to restrict entry
- Ensures latch retraction with 100lb preload (2x ANSI/BHMA A156.2) while maintaining operation in warped doors or doors with latch bind
- Prohibits entry after more than 100 vertical impacts (20x ANSI/BHMA A156.2 requirements)
- Innovative push/turn button design prevents damage from door stops and walls
- 26 mechanical and electromechanical functions offered
- Available in 14 finishes with multiple lever designs including multiple decorative levers and behavioral health trim
- Optional Microshield® antimicrobial coating available
- Lockbody design supports all cylinder formats - from fixed to interchangeable core

Compatible with several security key systems
(Degree, Signature, KESO, etc.)

The ASSA ABLOY Group is the global leader in access solutions. Every day we help people feel safe, secure and experience a more open world.
