Increased Privacy

The cylindrical lock indicator visually displays door status; whether the door is locked or unlocked, thus eliminating potentially embarrassing situations and providing a peace of mind.

Using a standard bored lock door prep, this indicator lock is ideal for new construction or retrofit applications.

WARNING

This product can expose you to lead which is known to the state of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov.

Provided standard with YPL42 function for emergency access when locked. To order separately, specify part number 14-4602-1002-048.

Fire Listings

UL/cUL Listed for up to 3 hours

Note: Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and ASSA ABLOY ACCENTRA® makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority Having Jurisdiction) to ensure compliance with all applicable codes and ratings.

Installation

YPL Series Cylindrical locks conform to ANSI/SDI A250.14 hardware preparations for steel doors and steel frames.

Warranty

The YPL Series cylindrical lever locks carry a three-year warranty.
