SkewTek™ D-Tube Door Pulls

Our new, made-to-order straight and offset SkewTek architectural door pulls feature a unique D-shaped tubular design that distinguishes these pulls from the ordinary.

These pulls are suitable for wood, metal, and glass doors, with a mid-post offering on all models except the RM4267. Please see our product mounting chart for applicable mounting options.

For additional information, contact your local sales representative, call the Rockwood Customer Service line at 800-458-2424, for Canada call 800-461-3007, or visit rockwoodmfg.com.
