and more open world

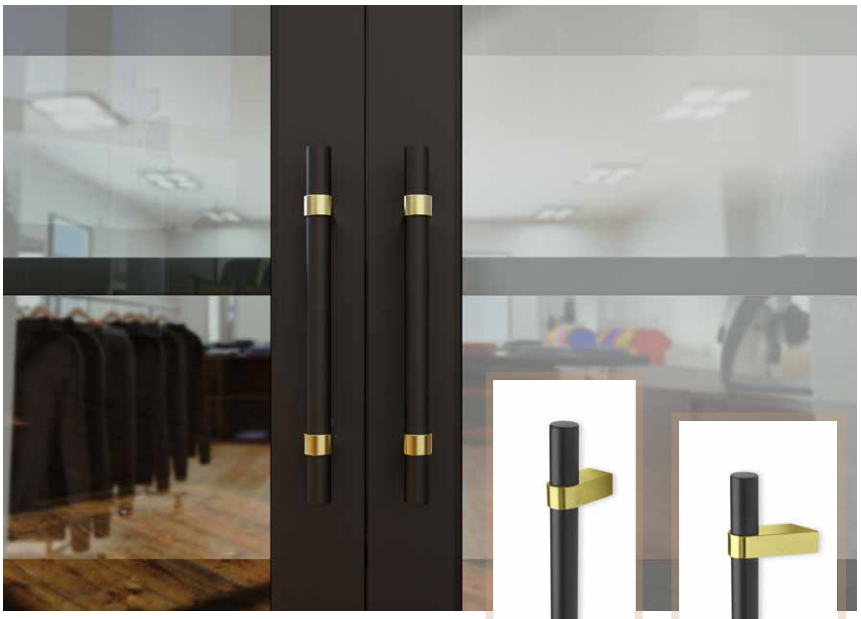

RM2260, RM2290 BandWidth Door Pulls

Our new BandWidth straight and offset pulls feature split finish options, as well as a new post type that seamlessly integrates collars that attach to the pull's grip section.

This collection of architectural pulls comes in a variety of finishes, base metals, grip options, and post styles, allowing you to create the perfect combination.

For additional information, contact your local sales representative, call the Rockwood Customer Service line at 800-458-2424, for Canada call 800-461-3007, or visit assaabloydooraccessories.us.
