*Attributes in green contribute to LEED v4 and v4.1 credits.

All reductions benchmarked to production.

1. This CSF label represents a specific 3' x 7' x 1.75" Steel Door manufactured in the Milan, TN facility. The AADG StormPro® Hurricane and/or Tornado Resistant Assemblies are sold under the Ceco, Curries, and Fleming Brands within the ASSA ABLOY Door Group.

2. This meets the requirements of LEED v4 and v4.1 MR Credit: Sourcing of Raw Materials.

3. This meets the requirements of LEED v4 and v4.1 Circular Products - Zero Waste Manufacturing pilot credit. At least 90% of waste is diverted from landfill and incineration.

4. This meets the requirements of LEED v4 and v4.1 EQ Credit: Low-Emitting Materials.

5. Verified community support through charitable donations.

6. Corporate audit policies of supply chain practices conform to Design for Freedom principles.
