# Data Center Solutions
Securing the Digital World

Experience a safer
and more open world

When it comes to door openings, data centers have specific needs based on the equipment being utilized and the information they are securing. ASSA ABLOY has the experience, the expertise and the products to fulfill these various requirements.

- STC/Acoustical Systems
- Blast Resistance
- Bullet Resistance
- EMI-RFI Shielding
- Flood Resistance

- Forced Entry Bullet Resistance
- Lead-Lined
- Oversized Openings
- Stainless Steel
- Windstorm Resistant

Many of these attributes can be combined to create Multi-Solution assemblies where multiple solutions are required.

Rely on us to be your partner in sourcing door opening assemblies for your data center.
