

# Government and Military Solutions

## Securing Federal, State and Local Facilities

Experience a safer  
and more open world

ASSA ABLOY combines the most knowledgeable door opening experts and architectural specification writing with a comprehensive product offering of leading door and hardware brands. This allows us to provide complete door opening solutions for government and military buildings, regardless of the application or building type.

- **Acoustic/STC** - Sound Group 3 and 4
- SCIF and SAPF Construction Standards ICD 705
- **EMI-RFI Shielding** - Tempest IEEE 299 and MIL STD 285
- **Blast Resistance** - UFC 4-010-01 DoD ATP requirements
- **Bullet Resistance** - UL 752 Level 1-8
- **Forced Entry Bullet Resistance** - SD-STD-01.01

**Applications Include:**

*Federal Buildings  
Military Facilities  
Critical Infrastructure  
Barracks  
Hangers*

**Many of these attributes can be combined to create Multi-Solution assemblies where multiple solutions are required.**

ASSA ABLOY offers a full range of specialty openings that can meet the Federal Government's typical domestic sourcing requirements including Buy America, Buy American Act, Build America Buy America Act, Trade Agreement Act, and American Iron and Steel provisions.

*Rely on ASSA ABLOY to be your partner in sourcing door opening assemblies for government and military applications.*
