Today it may feel more difficult than ever to ensure an ideal learning environment. However, with an approach that balances safety, security, and wellness, you can create an atmosphere that provides peace of mind for students, faculty, and staff, allowing them to focus on learning.

Door openings play a critical role in the safety and security strategies of K-12 schools, and ASSA ABLOY's experts help districts and educational organizations improve the security of their facilities.

**Many of these attributes can be combined to create Multi-Solution assemblies where multiple solutions are required.**

*Rely on us to be your partner in sourcing door opening assemblies for your k-12 openings.*
