Colleges and universities face the tremendous task of providing a safe and enriching environment in which students can learn and grow. Now, more than ever, campus security is critical to achieving this.

ASSA ABLOY works closely with college campuses of all sizes to understand and find the right products to meet your security needs and the complex challenges you face. We've created comprehensive solutions for cost-effective, forward-thinking campus security that also contribute to a sustainable, safe, and healthy learning environment.

**Many of these attributes can be combined to create Multi-Solution assemblies where multiple solutions are required.**

*Rely on us to be your partner in sourcing door opening assemblies for college campuses and higher learning projects.*
