

# A closer for every opening

Every door tells a story—of safety, accessibility, control. SARGENT door closers are engineered to meet the demands of real-world applications, from high-use corridors to secure patient rooms and fire-rated entryways. Designed with precision and built for reliability, our closers stand the test of time.

Experience a safer  
and more open world

**EASY OPEN - SECURE CLOSE**

# 422 Cam Action—High Flexibility, Maximum Efficiency

## KEY BENEFITS

---

One model - four mounting options

High efficiency

Spline arm offers multiple indexing options to accommodate standard and special applications

## CORE FEATURES

---

Push and pull side installation, door or frame mounted

Adjustable spring sizes 1 through 6

Non-handed

30-year limited warranty

## RECOMMENDED FOR

---

Stairwell doors

Doors where safety is top priority

OUR MOST VERSATILE CLOSER, TRUSTED ACROSS FACILITIES

# 351 Series Powerglide®—Heavy-Duty Versatility

## KEY BENEFITS

---

Flexible mounting: standard, top jamb, parallel arm, and track

Heavy duty mounting bracket for easy installation

Exceeds ANSI/BHMA A156.4 Grade 1 performance

## CORE FEATURES

---

Die-cast aluminum alloy body with 14% silicon for added durability
