

DRAWER TOOL BOXES

UWS drawer tool boxes give you the perfect combination of security and organization. Our drawer boxes are perfect for organizing hardware while our tool box with drawers and storage chest is perfect for storing items large and small.

THE PERFECT COMBO OF SECURITY AND ORGANIZATION.

All UWS Drawer Tool Boxes

- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- 0.058" extra-thick, one-piece aluminum tub
- Stainless steel, ball bearing drawer slides
- MicroSeal™ gasket helps seal out the elements
- Lid self-opens to 90° for convenience
- Mounting hardware sold separately

UWS drawer tool boxes are the perfect way to keep your tools organized, protected and accessible on the job

Drawer Truck Tool Boxes

- Five precision-injected, commercial-grade drawers for secure storage
- Stainless steel T-handle lock for security and corrosion resistance
- Provides greater access to and organization of small tools and equipment
- Integrated drawer design provides maximum security and organization
- Basic hardware included for easy mounting

Securely mounts into the truck bed and provides five commercial-grade, precision-injected drawers for storing tools and equipment

Utility Chest Boxes with Drawers

- Ten precision-injected drawers for small tools
- Front and top opening lids for easy access to tools and equipment
- Stainless steel lock handles
- Removable, three-compartment sliding tray for convenient small item storage and retrieval
- Carrying handles on the sides for easier portability

Drawers are sealed within the extra-thick, lockable aluminum tool box, and the door of the box features a MicroSeal stripping to keep out the elements

Truck Fender Tool Boxes

- Integrates with the wheel well fender to provide convenient storage space
- Three sliding drawers open toward the rear for storage of tools and equipment
- Stainless steel lock handles for security and corrosion-resistant operation
- Corrosion-resistant zinc-plated metal sliders ensure long life
- Available for driver and passenger side

It easily mounts in the truck bed, integrating with the wheel well and leaving your truck bed more open to haul other cargo
