

DOG BOXES

UWS dog boxes are the safe, comfortable way to bring your dogs along for the adventure. Our dog boxes are designed for warm or cold weather and are offered with an optional integrated storage chest. UWS dog boxes are made from extra-thick aluminum and assembled in the USA.

TRANSPORT YOUR DOGS SAFELY AND SECURELY.

Northern style

- Enclosed walls and bottom help keep dogs warm and protected from the elements
- Premium design to transport your dogs and dog equipment safely and securely
- 0.058" one-piece aluminum to be strong, lightweight and corrosion-resistant
- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- Self-opening lid automatically opens for convenience when hands are full
- Cleanout ports at the back of each compartment for easy cleaning
- Mounting hardware not included

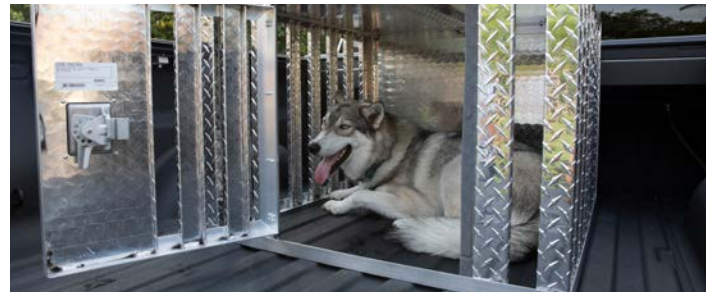

The built-in truck tool box keeps your dog equipment and valuables safe, well-organized and easily accessible whenever needed

Features a corrosion-resistant aluminum construction, a stainless steel locking system and a top tie-down rail for extra cargo storage

Southern style

- Open bottom and widely-spaced rungs are easy to clean and provide consistent airflow for warmer weather
- Available in 3' and 4' square options
- Rail provides a reliable top tie-down anchor
- 0.058" one-piece aluminum to be strong, lightweight and corrosion-resistant
- Stainless steel lock handles for security and corrosion-resistant operation
- Interior divider provides separate compartments for two dogs (#DB-4848)
- Mounting hardware not included
- Accessory storage box available for securing dog tracking collars and other small items

Open bottom and wide-spaced rungs for consistent airflow and easy cleaning

Accessory storage box available for securing dog tracking collars and other small items
