Rona Run 2020

Because of the Covid 19 virus and social distancing, there will not be a “Jeep Poker Run” on May 16th, 2020 as we had planned. Instead, we are sponsoring a simple Jeep ride that you can complete any time Friday, Saturday, or Sunday the 15th thru 17th. This will help you avoid crowds and practice social distancing.

Registered participants who take pictures along the route and post some of these to social media or send to us via email will be eligible to win prizes. If you email pictures, you are giving us permission to use these pictures in our promotions and on our social media platforms. If you post your pictures to your social media accounts, those posts must include the following tags to make them eligible for prizes ...

The deadline for posting pictures or emailing them to us is Wednesday, May 20th.

The route, as usual, begins at Clemson 4 Wheel Center. To become eligible for prizes, you must take a picture of your vehicle in front of our store. Our 50th anniversary banner, hanging in our window, must be visible in the picture, and you must post this picture to social media with the tags above or email to the above address. To help with “social distancing”, this picture may be taken any time after 12:00 noon on Friday, any time Saturday, or any time Sunday, and may be taken before, during, or after you complete the ride.

Prize winners will be selected by committee based on the pictures posted. We may also pick some of our favorites and repost for a “crowd favorite” prize pack.

The following directions will guide you along the route that we had planned for this year’s run. There are no checkpoints, no card drawing, no “game” at all. Just take pictures of the scenery, of your Jeep, of your Jeep in the scenery, and post to social media for a chance to win prizes. There is no fixed time schedule to keep as you go along the route. Just ride, snap pics, post, and have fun!

Public Restrooms – Good Luck! There are three public restrooms along the way that we know of, but all were closed as of last Sunday, May 9th.

1. SC-107 near Wigington Road - Just after turning onto SC-107 from Wigington road there is a small parking area on your left with a vault toilet.
2. Town of Highlands – Founders Park on Pine Street, off US-64, 2 blocks north of Main/64 intersection. Under step # 19, instead of making the right onto NC-28/Walhalla Rd, turn left towards Cashiers and Pine is the 2nd right.
3. SC-28 on Chattooga River – After crossing back into SC on Hwy 28 (under Checkpoint # 4, step 5), the Highway 28 River Access parking area is 1.4 miles on the right and has a vault toilet.
