This one wakes you up and starts the party!

20

STUDIO NOTES PALOMA

calirosa blanco rosa tequila, lime, agave,

*Bright, refreshing, and perfect for Sunday Morning or One More Night. The grapefruit soda uses
real cane Sugar for a more decadent flavor. Run to the nearest Payphone and tell your friends about
this one, because She Will Be Loved!*

25

GOLDEN CITY PIÑA COLADA

*Our elevated take on this beach classic features a 12-year-old rum from the Demerara region of
Guyana more decadent than the lost city it's named for!*

HILL COUNTRY OLD FASHIONED

Phoenician trade routes:
Morocco, Israel, Lebanon,

presence in the Greek and
Roman world that the adjective
"Bybline" – from the Phoenician

denoting wine of high quality.

NEW WORLD

“Immigrant” vines from the Old World. Wines produced outside the traditional wine-growing areas of Europe and the Middle East – Argentina, Australia, Chile, New Zealand, South Africa and the United States.

SANTA BARBARA

An exciting region with a tight-knit community of growers and winemakers, Santa Barbara has made a name for itself with diligent attention to responsible farming and low-intervention winemaking. These vineyards feature some of the most interesting arrays of soil types born from the ancient receding of the Pacific Ocean.

These are truly wines of place.
