

NEXGEN17

SAME FIGHT. *NEW MOVES.*

JUNE INTERNATIONAL
26-28 CONVENTION CENTRE
SYDNEY'S DARLING
HARBOUR

Working lives are being radically transformed. Power has shifted – big corporations and the very rich have too much power and the laws and rights supposed to bring balance to our society are not working.

Our strength is in numbers and our movement needs to lead Australia's fight to bring fairness back.

NEXGEN17 brings the ACTU Organising and OHS conferences together to inspire and equip the union movement to find new ways to win for working people.

As well as learning from each other, NEXGEN17 participants will hear from an exciting list of speakers from across the globe.
