Text of submission	<p>My ex husband Rob is an insecure worker and it puts stress on his ability to spend time with our daughter. Because I have a secure job it is always left up to me to take time off work to care for Sarah's needs (she is disabled). Rob never has enough money as it is impossible to budget when the hours are not guaranteed and he does not get flexi time, sick pay or holiday pay. He does not have a choice about what days he works and must work a 6 day week without compensation.</p>
