Text of submission	<p>I'm a proud father of one, soon to be two children. I have a mortgage of just over 400K. I'm a graduate teacher. My contract at school finishes next week. There's no certainty I'll have a job next year. I've worked so so so so bloody hard this year, have worked lots of extra hours without extra pay or TOIL. I have had an absolute blast this year at school - the kids have grown so much and I've formed some solid relationships with disenfranchised and marginalised students. I won't know where my next job will be, that's if I'm lucky enough to get a new one. I have trouble sleeping. I have vomited every morning this term in anxiety of my job security. My pregnant girlfriend has mixed emotions on the beautiful child growing inside her. I don't know what our future holds.</p>
