| Text of submission | <p>I have applied for a transfer for 4 years. It has been unsuccessful because I am applying for part time work not full time. I have 4 teaching areas and not the usual 2 and have indicated that I would do secondary and primary sectors. It would be successful if full time transfer was applied for but I am not prepared to get a full time transfer then apply to go part time and be unsuccessful as I have a 2 year old child. I have been doing contract and supply teaching which provides me with a very unstable income and instability when it comes to getting appropriate childcare for my daughter. We cannot establish any type of normal routine and I never know where I will be travelling.</p> <p>I am married, my husband has a business, 39 years old, have a mortgage on my house, have one 2 year old. I am a member of QTU.</p> <p>I have no access to any type of leave.</p> <p>I am a full time permanent teacher on unpaid leave. I am not prepared to travel 75 minutes each way to and from work. I am not prepared to live away from my family. I am not given any opportunity to upgrade my skills or skills to change my position within the education department.</p> <p>I cannot budget on a set amount of income,</p> <p>I would like part time permanent work.</p> | | | | |
