<b>Text of submission</b>	<p>I am a casual teacher and have to work out of 3 different campus's.</p> <p>In the 5 years I have been doing this only 1 part time permanent job has come up. It was too far away for me to travel there every day and involved night classes.</p> <p>I have 1 more pay before Christmas which will leave me with approx \$1500.00 until I get paid again about the end of February. I usually try to save for this but living expenses and car repairs have drained me.I haven't purchase Christmas presents yet.</p> <p>Luckily I own my home and have the bills paid for this quarter but will not be able to pay my utilities on time at the beginning of next year.</p> <p>I have been told my hours will drop as they don't want to pay any related duties to me, so more Casual teacher's will be used .</p> <p>I am a good teacher with 40 years industry behind me and 7 years left till I can get the pension so I have to keep working and training.</p> <p>If Private RTO"s are getting all the money the work force will have very poorly trained people as if you pay big money you can't fail a course.</p>
