THE STATE OF TEXAS

GOVERNOR

To all to whom these presents shall come, Greetings: Know ye that this official recognition is presented to all observing

Airline Dispatchers Day

November 1, 2026

While air travel may seem seamless to passengers, it depends on countless professionals working behind the scenes. Among these essential professionals are airline dispatchers, whose expertise helps ensure flights operate safely and efficiently. They carefully plan flight paths while considering aircraft performance, weather, airspace restrictions, airport conditions, and fuel requirements.

Through extensive training and careful decision-making, airline dispatchers play a critical role in aviation safety and help maintain aviation as one of the safest modes of transportation. Their knowledge and vigilance are indispensable to every successful flight, providing travelers with confidence and peace of mind each time they take to the skies.

Texas is home to many large and busy airports, where airline dispatchers help support the safe operation of thousands of domestic and international flights each day. On Airline Dispatchers Day, I commend these dedicated professionals for their vital contributions to aviation and their commitment to keeping Texans and travelers around the world safely connected.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Airline Dispatchers Day with befitting ceremonies and activities.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 12th day of October, 2026.

Greg Abbott

Governor of Texas
