Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

We aren't currently, but may in future introduce the following cookies and will advise if we do:

- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie Title Cookie Name	Purpose	More information
	We only use the required cookies for our code to operate, based on the frameworks and languages we use. We do not collect personal information via cookies. These cookies allow for the adoor platform to operate.	
Cookie_consent	This cookie is used to keep track of what has been accepted	
Messages	This cookie is used so one-time notifications only show up once	
CsrfToken	This cookie is used to protect against Cross-Site Request Forgery	
Sessionid	This cookie is used to allow us to store and retrieve data on a per-site-visitor basis	

We do not share the information collected by the cookies with any third parties

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website.

Except for essential cookies, all cookies will expire after 30 days if not specifically stated otherwise.
