

Ford

FIESTA ST

Go Further

Faster Off The Line

Designed to deliver a consistent take off and maximise acceleration off the line, Fiesta ST is equipped with Launch Control. Set the maximum rpm for the engine and you can put your foot flat on the throttle whilst the car holds your desired rpm.

Unleash The Performance

The new Fiesta ST is more powerful, more responsive, and more fun to drive than ever before. A brand new 1.5-litre EcoBoost engine delivers 147kW² of power with 290Nm² of torque. Cylinder deactivation can improve efficiency for everyday driving, helping you save fuel. And the introduction of a mechanical limited-slip differential enhances traction and control when you need it most.

Drive Like A Pro

The Performance Shift Light is designed to optimise your gear shifts and improve performance. This red-coloured ST logo is perfectly positioned in the rev counter and it illuminates to let you know the best time to shift gears.

Sees The Road Signs You Might Miss

Whether the signs are at the side of the road or above it, permanent or temporary, Speed Sign Recognition can identify them. An icon of that speed or no-overtaking sign appears on the instrument cluster and changes every time you enter a new limit or restriction.

BUILT TO PERFORM

Blending track-day performance with everyday driving fun, Ford Performance have engineered the 2020 Fiesta ST hot-hatch to make the most of every driving experience.

Colour Range

*Prestige Paint is an option that incurs an additional charge.

Frozen White

Silver Fox*

Moondust Silver*

Magnetic*

Agate Black Metallic*

Race Red

Ford Performance Blue*

Notes

Sport 18" Alloy Wheels

Stylish sport 18" alloy wheels with red brake calipers ensure this Fiesta ST stands out from the crowd.

Take The Drivers Seat

So you get the most out of your Fiesta ST, it comes with race-inspired RECARO sport seats. Highly supportive, these seats are optimised to give you the perfect position for every drive.

Selectable Drive Modes

Available with three Selectable Drive Modes: Normal, Sport and Track, each setting fine-tunes the car's performance by modifying engine mapping, throttle position, brake pedal and steering response for optimal performance & handling whether you're driving inner city or enjoying a day on the track.

Exhaust Technology

Electronic Sound Enhancement and Active Valve Exhaust technology is designed to create a deeper rumble and roar based on the amount of throttle you apply.

Temp Control

With Electronic Automatic Temperature Control, you just select the exact interior temperature you like and the system maintains it with advanced air conditioning.

Listen Up

Not only does the Fiesta look good, it sounds good too, thanks to the B&O PLAY. With 10 premium speakers including a Subwoofer you can choose between stereo or surround sound to really transform your playlists.

2020 Focus ST

Looking for something bigger but just as exciting? The new Ford Focus ST is the most responsive, engaging and fun-to-drive Focus ST ever. Featuring a range of sports technologies that enhance power, performance, cornering and agility, for a thrilling driving experience. Coming in 2020!

S = Standard **O** = Factory Option that can be ordered before a vehicle is manufactured **P**=Part of a Pack

1. The 1.5L EcoBoost must be filled with 95RON (or E10) as a minimum. 2. All performance data for petrol models measured using 98RON fuel. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 4. Capless refuelling with misfuel inhibitor. 5. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. 6. When Panoramic Sunroof is optioned the Mini Spare Wheel is replaced with a Temporary Mobility Kit. 7. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 8. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 9. Traffic Message Channel is currently provided through an arrangement with Intelematics Australia Pty Ltd (Intelematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelematics cease for any reason. 10. Not all SYNC® and SYNC®3 features are compatible with all phones. For compatibility, see ford.com.au/sync. 11. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 12. AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. 13. Dynamic Stability Control also known as Electronic Stability Control. 14. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

FORD SERVICE BENEFITS

Our Commitment to You | Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Ford Dealers on 2019MY Endura onwards, 2019MY Focus onwards, 2019.75MY Ranger onwards, 2019.75MY Everest onwards, 2020MY Mustang onwards, 2020.25MY Fiesta ST onwards and 2020.25MY Focus ST onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for 4 years or 60,000km (whichever occurs first) commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service Items (and Additional Scheduled Maintenance Items which are not included) are set out in the Customer Assistance and Warranty Guide with the vehicle. See www.ford.com.au/owners/service/ for full terms and conditions.

This brochure details specifications and features of the 2020.25MY Fiesta ST Onwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2020.25MY Fiesta ST Onwards Range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
