

FOCUS

Go Further

START MORE THAN A CAR

The always crowd pleasing Focus is now even better – with sleek modern styling, 8-inch Capacitive Touchscreen with Satellite Navigation and a 5-star ANCAP Safety Rating (excludes Focus RS which is not rated).

START AN ADVENTURE

The Focus' transmission and zippy efficient engine combined with its agility and precision gives you the most addictive driving experience you could ever wish for.

A SMALL LESSON IN POWER

The RS badge is reserved for the best of the best and this car is no exception. All-Wheel Drive with Dynamic Torque Vectoring delivers new levels of handling capability and driver enjoyment, while the 2.3L EcoBoost Engine outputs up to 257kW of power.¹ Add Sports Tuned Suspension, Brembo Brakes and Anti-Roll Bars and you've got a performance machine that puts its peers to shame.

CUTTING EDGE DESIGN

Focus combines style with ingenious design to achieve a progressive and athletic look.

Style comes standard. With a transformed front-end design, sharp detailing and Alloy Wheels — the Focus is a distinctive presence wherever it goes.

Stand out from the crowd. The Body Styling Kit¹ offers an aerodynamic Rear Spoiler, Side Skirts and Front and Rear Bumper Extensions.

Safety meets style. LED Daytime Running Lights¹ help make you more visible to other drivers, while the Front Fog Lights give an athletic appearance.

Striking and sporty. The unique Shark-Fin Rear LED Tail Lamps² perfectly connect to the bodyline, creating a sense of energy from every angle.

Focus Titanium interior shown.

8-inch Capacitive Touchscreen.

Ambient Lighting¹.

CLEAN AND MODERN

The clean, modern interior with intuitive controls plays a large role in delivering a superior driving experience.

A crystal clear 8-inch Capacitive Touchscreen displays everything from navigation information to videos and photos.

Integrated functionality with a centre console offering a USB Port and 12-volt Power Socket for greater convenience.

A sporty 3-spoke Steering Wheel perfectly complements the streamlined interior.

A luxury feel is achieved with Ambient Lighting¹, bringing your interior to your life.

¹. Standard on Sport, Titanium, ST and RS models.

EFFORTLESS CONTROL

The Focus does more than make life easier. It brings the world to you.

Just say the word. SYNC® 3 does the rest! Use simple voice commands to make calls, play music, use Satellite Navigation and even have text messages read aloud? SYNC® 3 also includes an 8-inch Colour Touchscreen, a USB Port and Bluetooth®³ Connectivity.

Just go. With Keyless Entry and Push Button Start⁴, your keys never need to leave your pocket. Keyless Entry⁴ senses the key fob in your pocket and automatically unlocks the door when you press the button on the door handle. Once inside, put your foot on the brake, press the START/STOP button and you're away.

Seamless Integration. With Apple CarPlay, Android Auto and Applink[®], you can control your smartphone to remain connected to your world⁵.

Be cool. On a hot day, open all your windows and cool your car quickly before you even get in. Just press and hold a button on your key fob and all the windows open automatically.⁴

Younger drivers in the family? Ford MyKey™ lets you program the key fob to limit car settings – like top speed, audio volume and the ability to make and take calls.

1. Not all SYNC® 3 features are compatible with all phones. 2. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 3. Bluetooth® is a registered trademark of Bluetooth SIG Inc. and is used under licence. 4. Not available on Trend models. 5. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay is a trademark of Apple Inc. registered in the US and other countries. Android Auto is a trademark of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms.

Apple CarPlay² standard.

DRIVE WITH EASE

Cameras and sensors make parking easier than ever. Focus Titanium with Enhanced Active Park Assist^{1,2} even enables you to park virtually hands free.

Perfect parking. Enhanced Active Park Assist^{1,2} helps you find a parking space. Then it steers you in hands free. All you have to do is operate the accelerator, brakes and gears. The perfect parallel or perpendicular park, every time.

We've got your back. The Rear View Camera turns on automatically when you put your Focus into reverse, helping you to see objects behind you, while the beep of the Rear Parking Sensors tell you how close you are.

No worries. The freedom of the open road is even better with Cruise Control. At the same time, Focus' Speed Limiter helps you stay within speed limits.

CONTROL

Focus Titanium Hatch shown.

1. Available on Titanium models only. 2. Enhanced Active Park Assist is a driver assistance feature which is supplemental and does not replace driver's attention, judgement and need to control the vehicle. May not operate in some driving and road conditions or adverse weather.

SERIOUSLY FUN TO DRIVE

The Focus combines its latest engine and transmission technology to deliver a dynamic driving experience.

Best of both worlds. Why choose between power and fuel economy when you can have both? Focus' turbocharged EcoBoost engine gives you the performance you want, with fuel economy you'll love.

Enjoy a smooth ride with 6-speed Automatic and Manual Transmissions.

Great handling. Sports Suspension¹ connects you to the road like never before and delivers an exhilarating drive.

Smooth hill starts every time. Take your foot off the brake and Hill Launch Assist holds the brakes for a few seconds, allowing time for you to push the accelerator without rolling back.

Saves you money. With Auto Start-Stop Focus knows when you're stopped in traffic and shuts down the engine automatically.² Simply lift your foot off the brake and the engine restarts.

5-star ANCAP safety rating (Focus RS not rated).

BLIS^{2,4,6}.

PEACE OF MIND

Focus is packed full of safety, driver assist and security features. So you can drive with greater confidence and peace of mind.

Safety comes standard – With Dynamic Stability Control¹; Anti-lock Braking, MyKey™ and Rear View Camera available across the range.

Can help avoid a collision. Sensors scan the road ahead. If they detect a potential collision, Active City Stop^{2,3,4} applies the brakes automatically to help avoid or minimise an impact.

Help when you need it. SYNC® 3 is there for you when you need it most⁵. If you're in an accident that deploys the airbags or activates the fuel pump shut off, Emergency Assistance uses your paired and in range mobile phone, to dial emergency services and provide them with your precise GPS coordinates.

Your extra set of eyes. Blind Spot Information System with Rear Cross Traffic Alert (RCTA)^{2,4,6} can sense if a vehicle enters your blind spot and alerts you with indicator lights

in the side mirrors. When reversing, it can also detect and alert you to vehicles approaching the rear of your vehicle from either side.

Added security. Focus comes with a standard Immobiliser, which helps reduce the risk of theft by ensuring your Focus won't start if your key is not present.

1. Dynamic Stability Control is also known as Electronic Stability Control. 2. Standard on Titanium models, available as part of a Technology Pack for Trend, Sport and ST. 3. Active City Stop operates between speeds of 3.6km/h and 50km/h. It is not a substitute for driver alertness. Function may not operate in some driving and road conditions or adverse weather. 4. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. 5. Not all SYNC® features are compatible with all phones. 6. Designed to operate at speeds over 10km/h.

Function may not operate in some driving and road conditions or adverse weather. **12.** Part of Optional Performance Pack. **13.** If the spare wheel, rim or tyre size differs from the other wheels fitted, the vehicle should be driven with caution and the standard wheel and tyre should be fitted as soon as possible. **14.** Front seat side airbags protect front seat occupants only. **15.** To use Emergency Assistance, your phone must be paired through Bluetooth and in reception range.

FORD SERVICE

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year / Unlimited Kilometre Warranty

As a Ford owner you will now receive a Five Year / Unlimited Kilometre Ford Express New Vehicle Warranty with your purchase¹. For details about this warranty please visit: www.ford.com.au/owners/warranties

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Free Loan Car

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Free Loan Car program⁴.

Auto Club Membership

Getting a flat tyre or battery is never convenient so State Auto Club Membership and Roadside Assistance for up to 12 months will be included with your next standard service, for up to seven years/unlimited kilometres³.

Service Price Promise

With Ford's Service Price Promise, you'll know what you're going to pay for a standard service before you even come in. So there are no nasty surprises for the life of your Ford⁵.

Sat Nav Map Updates

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC[®] 3 with Satellite Navigation, you'll receive yearly map updates for up to seven years with your scheduled servicing. If your vehicle has SYNC[®] 2 with Satellite Navigation, you'll receive yearly map updates until September 2024².

Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Dealers. Customers must comply with scheduled servicing intervals. See www.ford.com.au/service/t-and-c for full terms. 3. Available to Private and Blue Business Fleet customers with vehicles 7 years old or less. State Auto Club Membership & Roadside Assistance is included for 12 months or until your next eligible standard service (whichever occurs first) at participating Dealers. Customers must comply with scheduled servicing intervals to maintain continuity of membership. New Transit vans are covered by a 12 month Ford Vancare Roadside Assistance product and therefore do not receive State Auto Club Roadside Assistance and Membership when purchased. Transit vans are only eligible to receive State Auto Club Roadside Assistance and Membership after the completion of the 1 year Ford Vancare Roadside Assistance product that is included with the sale of all new Transit vehicles. Towing will be at the customers cost for Vans with a GVM >4,490kg. See www.ford.com.au/service/owners/t-and-c for full terms. 4. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Booking may be required. See www.ford.com.au/owners/service/t-and-c/ for full terms. 5. Available at participating Ford Dealers on vehicles built from 2007. Customers will pay equal to or less than the maximum price as published by Ford for the period of the web quote for standard items in the A and B logbook service together with selected routine maintenance items. See www.ford.com.au/owners/service/t-and-c/ for full terms. 6. Available on selected tyres of listed brands that are stocked by participating Ford dealers. Competitor tyres must be new, identical and available from an Australian tyre retailer. Offer includes "4 for 3" or similar competitor offers, but excludes competitor cashback offers, gift cards, "wheel and tyre" bundles, tyres purchased under an installment payment plan, clearance and liquidation stock and any competitor quotes that cannot be verified. Offer is available to private retail and Blue Business Fleet customers who present an eligible competitor quote. Includes valid competitor's quote within 30 days after purchase. Various adjustments, including fitment and freight, apply to ensure a like-for-like price comparison. See your participating Ford dealer for full terms and conditions. Ford reserves the right to vary or withdraw the Low Price Tyre Guarantee offer at any time. 7. Available at participating Ford Dealers. Excludes F-Series, Everest, Mustang, Transit models and Performance Vehicles. Customers will pay equal to or less than the current maximum price as published by Ford at ford.com.au/owners/service/brakes. Maximum prices are subject to change. See <http://www.ford.com.au/owners/service/t-and-c/> for full terms.

This brochure details specifications and features of the LZ Focus. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire LZ Focus model range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
