RANGER FX4 MAX

WORK HARD, PLAY ROUGH

Introducing the Ranger FX4 MAX

Go Further

Advanced FOX™ Shocks

The off-road tuned front and rear suspension comes with increased travel and overall ride height, this suspension has been crafted to soak up punishing impacts and smooth out bumps and ruts with ease, while still providing comfortable on-road driving.

Off-Road Side-Steps

Featuring a non-slip finish, providing off-road styling and functionality without sacrificing FX4 MAX's 256mm ground clearance.

Upfitter Auxiliary Switch Pack

Ranger FX4 Max's upgraded 250A alternator is matched to an upfitter auxiliary switch pack allowing you to control your aftermarket accessories from the comfort of the driver's seat.

Meteor Grey*

Shadow Black*

BFGoodrich® All-Terrain Tyres with 17" Alloy Wheels

These tyres boast a precise tread pattern and tougher side walls than standard factory tyres. Combine that with the newly designed 17" Bolder Grey alloy wheels, featuring a +42mm offset for 26mm increase in wheel track width for greater stability in unforgiving terrain.

FORD Grille and Sports Bar

The F-O-R-D grille and long-legged tubular sports bar create an athletic profile that demands a second look.

FX4 MAX Embroidered Seats

Going off grid has never been this comfortable with Ranger FX4 MAX's unique embroidered leather accented seats with Miko suede inserts, contrast stitching and carbon-look accents.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. 3. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 4. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 5. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 6. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 7. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 8. Traffic Message Channel is currently provided through an arrangement with Intelematics Australia Pty Ltd (Intelematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelematics cease for any reason. 9. SYNC®3 features may not be compatible with all phones. For compatibility, see ford.com.au/sync. 10. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 11. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.
