TURN HEADS AS YOU TURN CORNERS.

It's true you can't judge a book by its cover. But a sophisticated exterior can invite you to explore just a little further. The Civic Hatch is designed to do just that.

Up front, the sporty piano black grille attracts the eye and makes a striking first impression. Stylish LED Daytime Running Lights gleam with confidence. And when you step up to the RS you'll enjoy a set of striking 18" alloy wheels*. Hard to miss, they're a brilliant teaser of all the exciting features to come.

DELIGHT IN THE DETAILS.

Every time you drive the Civic, there's something more to discover. That's because the interior has been designed entirely around you. Down to the very last detail from the lower dashboard design that gives greater visibility of the road ahead, to the sense of spaciousness in the cabin, everything feels just right. The heated front seats* with leather-appointed seat trim** ensure a warm start to every cold winter morning. An intuitively arranged dash with premium soft touch features

puts everything comfortably at your fingertips and connecting to the outside world is easy. The Advanced Display Audio with a crystal clear 7" touchscreen keeps you entertained, in-touch and out of harm's way. Steering wheel controls with voice command allow you to keep your eyes squarely on the road. Plus Apple CarPlay+ and Android® Auto+ integrate seamlessly with maps, music, messaging and even a few of your favourite apps.

*RS models and above. **Leather-appointed seat trim means some parts of the seats may contain non-leather material. +Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Continuously Variable Transmission

FUEL THE FUN.

No matter where the road takes you, the Civic Hatch features the perfect balance of performance and fuel efficiency for any outing.

The 1.8L i-VTEC engine delivers an impressive 104kW of power, while the 1.5L VTEC Turbo boasts a hair-raising 127kW and an exceptional 6.1 litres per 100km*. VTi-L models and above are equipped with Honda Earth Dreams Technology, which maximises performance and efficiency, satisfying both your sense of adventure and responsibility to the world around you.

Both engines come paired with Honda's Continuously Variable Transmission (CVT). Smooth, flexible and stunningly efficient, it delivers a constant wave of power. And it all rests on a light yet rigid chassis with an optimised power to weight ratio, and lower centre of gravity. On the road it gives the Civic Hatch more dynamic handling around corners, so you can maintain complete control wherever you go.

~Available on VTi-L and above. *The figures quoted are based on ADR81/02 test results and apply to VTi-L and VTi-LX grades only. RS shown in Phoenix Orange Pearlescent.

RS shown.

SAFETY ABOVE ALL.

The Civic Hatch boasts a range of standard safety features designed to get you where you're going, safe and sound. Electronic Brake-force Distribution, a Traction Control System and Vehicle Stability Assist actively work to keep you in control. While six SRS airbags and side impact protection are always standing by, just in case.

If you want to experience next level driving confidence and convenience, step up to Honda Sensing*. Our intelligent suite of driver assist technologies are designed to help improve your situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity. So you'll have more peace of mind while you're on the move.

*Honda Sensing available on VTi-L and above.

Honda SENSING

Honda Sensing[^] can support and enhance your driving senses to help keep you safer on the road.

These intelligent technologies may improve your situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity.

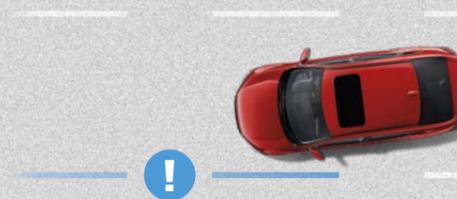

FORWARD COLLISION WARNING

Alerts you when it detects the possibility of your vehicle colliding with the vehicle in front of yours.

COLLISION MITIGATION BRAKING SYSTEM (CMBS)

Can assist you when there is a possibility of your vehicle colliding with a vehicle or a pedestrian detected in front of yours. The CMBS is designed to alert you when a potential collision is determined, as well as to reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

LANE DEPARTURE WARNING FUNCTION

When the vehicle enters the warning area, the LKW alerts you with slight steering wheel vibration as well as a warning display.

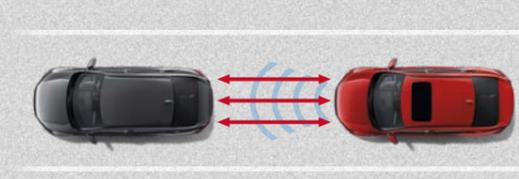

ROAD DEPARTURE MITIGATION SYSTEM

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings.

LANE KEEPING ASSIST SYSTEM (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

ADAPTIVE CRUISE CONTROL (ACC) WITH LOW SPEED FOLLOW (LSF)

Helps maintain a constant vehicle speed and a set following-interval behind a vehicle detected ahead of yours, without you having to keep your foot on the brake or the accelerator. When ACC slows your vehicle by applying the brakes, your vehicle's brake lights will illuminate.

[^]Honda Sensing technologies are driver-assist technologies and should not be used in place of safe driving practices. Drivers should continue to monitor the road at all times. The accuracy and operation of Honda Sensing technologies may vary based on weather, speed, traffic, road conditions, markings and other factors. Civic Sedan shown for illustrative purposes. Honda Sensing is available on VTi-L and above.

SELECT YOUR MODEL

VTi

The VTi comes standard with:

- 1.8 litre SOHC i-VTEC 4-cylinder engine
- 104kW @ 6500rpm and 174Nm @ 4300rpm
- Fuel consumption 6.4L/100km*
- Continuously Variable Transmission (CVT)
- Electric parking brake with automatic brake hold
- 16-inch steel wheels
- Electrically adjustable door mirrors
- Halogen projector beam headlights with auto off timer
- LED Daytime Running Lights (DRLs)
- Tail lights with integrated LED light bars
- 2-speed and intermittent front wipers
- Rear wipers
- Piano black grille and B and C pillars
- Black fabric seat trim
- Cargo restraint hooks
- Shark fin antenna
- Body coloured tailgate spoiler
- Piano black rear spoiler
- Black fabric roof lining
- Cruise control
- Eco Assist system (speedometer display)
- ECON Mode
- Climate control
- Power windows with auto up/down function (driver and front passenger)
- 60:40 split fold rear seats
- 8-speaker audio
- LCD Driver Information Interface with colour display
- Advanced Display Audio (7" colour touchscreen) including:
 - AM/FM radio
 - Bluetooth® phone and audio connectivity*
 - USB connectivity
 - Apple CarPlay®*
 - Android® Auto†

VTi-S

Additional features over the VTi:

- 16-inch alloy wheels
- Door mirrors with integrated LED indicators
- 2-speed and variable intermittent front wipers
- Smart keyless entry with push button start
- Automatic Walk-Away Door Locking
- Front halogen fog lights
- Black fabric seat trim with chequered accent
- Leather-wrapped steering wheel
- LaneWatch
- Front parking sensors
- Rear parking sensors
- Privacy glass (rear and rear passenger)

RS

Additional features over the VTi-L:

- 18-inch alloy sports wheels
- Fuel consumption 6.4L/100km*
- Front LED fog lights
- Central twin exhaust
- Red ambient interior lighting
- LED headlights with auto-levelling
- 2-speed and auto rain-sensing front wipers
- Leather wrapped steering wheel with red stitching
- Black leather-appointed† seat trim with red stitching
- Heated front seats
- Drilled alloy sports pedals
- 452-watt premium audio system with 12 speakers, including subwoofer
- 8-way adjustable electric driver seat
- Dual zone climate control
- Digital Audio Broadcast Radio (DAB)‡
- Steering wheel-mounted paddle shifters

VTi-L

Additional features over the VTi-S:

- Honda Sensing suite of driver-assist technologies:
 - Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)
 - Forward Collision Warning (FCW)
 - Collision Mitigation Braking System (CMBS)
 - Lane Departure Warning (LDW)
 - Lane Keeping Assist System (LKAS)
 - Road Departure Mitigation System (RDMS)
 - High Beam Support System
- 1.5 litre DOHC VTEC turbo engine
- 127kW @ 5500rpm and 220Nm @ 1700-5500rpm
- Fuel consumption 6.1L/100km*
- 17-inch alloy wheels
- Automatic dusk-sensing headlights
- Sunvisor with illuminated vanity mirror (driver & front passenger)
- Electrically retractable door mirror

VTi-LX

Additional features over the VTi-L:

- Front LED fog lights
- LED headlights with auto-levelling
- Electric sunroof
- Auto-dimming rear view mirror
- Power windows with auto up/down function (driver and all passengers)
- Leather-wrapped gear shift knob
- Black leather-appointed† seat trim
- Heated front seats
- Dual zone climate control
- 452-watt premium audio system with 12 speakers, including subwoofer
- Satellite navigation with SUNA™ live traffic updates
- 8-way adjustable electric driver seat
- Digital Audio Broadcast Radio (DAB)‡
- Paddle shifters
- 2-speed and auto rain-sensing front wipers
