

# Kona.

# Live a vibrant life.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Kona signals the arrival of a new generation of Hyundai SUV's. A generation that refuses to be bound to a singular way of thinking. Because let's face it, one size doesn't always fit all, and that's what makes the Kona so different.

It's all about freedom of choice, and the Kona gives you the freedom to choose how you present yourself (and your individuality) to the world. By putting the power in your hands, the Kona becomes an extension of you.

It's sleek, easy on the eye, well connected, and with over 150 combinations<sup>1</sup>, you'll be able to style it your way in order to live a more vibrant life.

1. Combinations vary depending on exterior colour, interior trim, variant and engine.

# Actively safe.

There are two things we take very seriously – fun, and safety.

The Kona is fun to drive, but it's comforting to know that no matter where life takes you, you're protected by some of the most modern safety features. The Kona has been awarded a 5 star ANCAP safety rating, has a rigid body made of high strength steel for all round protection, 6 airbags and a rear view camera with rear parking sensors – everything we do is to help keep you out of harm's way.

Hyundai SmartSense™<sup>1</sup> is working to protect you too and includes a suite of safety features developed to help you be alert to (and avoid) any dangers around you.

Hyundai SmartSense™<sup>1</sup> includes: Blind-Spot Collision Warning (BCW), Driver Attention Warning (DAW), Forward Collision-Avoidance Assist (FCA), High Beam Assist (HBA), Lane Keeping Assist (LKA) and Rear Cross-Traffic Collision Warning (RCCW).

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Only available on the Active with safety, Elite & Highlander variants. High Beam Assist is only available on the Highlander variant.

**Driver Attention Warning (DAW)**

A driver protection feature which helps monitor driving patterns in order to detect reckless or fatigued driving and prevent potential accidents. If the system detects inattentive driving patterns, an audible sound and message on the display panel will bring this to the driver's attention.

**Lane Keeping Assist (LKA)**

LKA provides steering intervention to assist the vehicle to stay in the centre of the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

**Blind-Spot Collision Warning (BCW)**

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter the blind spot, including during lane changes.

**Forward Collision-Avoidance Assist (FCA)**

Combining radar and camera data, the FCA system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead, or movement of pedestrians on the road.

# Impressive performance.

The Kona's performance is just as exciting as its personality.

Built on a high safety, lightweight body, and with three drive modes (Comfort, Eco and Sport) to choose from, the Kona is a joy to drive.

Once again, it's entirely up to you. Choose from either the 2.0L MPi 2WD with 6-speed automatic, or the 1.6L Turbo GDi AWD with 7-speed dual clutch automatic – which along with sharp throttle control and impressive torque, also allows you to get off road to explore even further.

Powerful, efficient, responsive and downright fun, the Kona really does encourage you to live a more vibrant life.

# Designed to be different.

The Kona is designed with independence and fun in mind.

Confident, vibrant, sporty and full of personality, its cascading front grille, slim LED daytime running lights, high contrast wrap around body cladding and wide stance is designed to make a statement wherever you go.

The Kona also features unique front and rear light architecture, with separated top and bottom lights stacked for extra impact.

The Kona doesn't simply allow you to express your personality, it encourages it – and with over 150 combinations<sup>1</sup>, that expression can be as unique as you are.

# Step inside.

They say it's what's on the inside that counts, and the Kona's interior counts for a lot – especially when it comes to space. It's a compact SUV, but sit inside and the Kona soon reveals its spacious self.

The Kona has far more room than you'd expect – from the generous cargo bay, to the 60/40 folding rear seats, you'll always have space when you need it.

It's well appointed too, with a premium interior that you can style to suit. We've added a heated steering wheel<sup>1</sup>, heated and air ventilated front seats<sup>2</sup>, leather appointed<sup>3</sup> upholstery and a range of stylish additions.

Three accent trims<sup>4</sup> (black leather<sup>3</sup>, acid yellow leather<sup>3</sup> trim and red leather<sup>3</sup> trim) provide a vibrant edge and unique detailing to the interior styling. Put them all together and you'll create an interior that's second to none.

# Connect to the road, and your world.

With a host of advanced features, the Kona is designed for you to enjoy your love for technology whilst driving on the road.

A Head-Up Display<sup>1</sup> on the dashboard projects a virtual image of important data (like your speed) right in front of your eyes, so you never have to take them off the road.

We've integrated Apple CarPlay<sup>™2</sup> and Android<sup>™</sup> Auto<sup>3</sup> too, so you can use the 7" touchscreen display to safely play music, make calls or get directions to your next destination via the Maps App on your smartphone device.

You'll also find a wireless smartphone charging pad<sup>4</sup> in the centre console, so you'll always be able to easily recharge without the need for cables.

# Hyundai Auto Link.

Hyundai Auto Link is a smart phone app that lets you stay connected with your Kona.

It works by using a pre-installed module to connect your car's computer to your mobile phone via Bluetooth,<sup>®</sup> letting you get to know your Kona better.

## Become a more economical driver.

-  Keeps track of your driving habits and fuel efficiency on each trip.
-  Presents vehicle health report and alerts you to any signs of faults.
-  Remotely monitors your Kona's health.
-  Provides analytical information so you can get the most out of your Kona.

## Help us care for your car.

- Linked to your myHyundai account.
- Service information and online service bookings at your fingertips.
- Easy access to Hyundai Customer Care.
- Compare your driving to other owners.
- Log private and business trip stats to present for tax return.

For more information head to [www.hyundai.com.au/auto-link](http://www.hyundai.com.au/auto-link)

Download the app for your iOS and Android device<sup>1</sup> today.

Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc.  
1. Device compatibility list can be found at [www.hyundai.com.au/auto-link](http://www.hyundai.com.au/auto-link). Use and availability of the Hyundai Auto Link app may be subject to additional terms and conditions and fees as prescribed by your telecommunications service provider. 2. Not all Hyundai Auto Link services are available everywhere, particularly in remote or enclosed areas, or on all vehicles, at all times. The operation of the location services may be affected by your location, activation or deactivation of location services on your mobile device, and the services provided by your telecommunications service provider. Some Hyundai Auto Link services may not be fully available if the GPS system or other mobile device features are not working.

## As always, safety is at the heart.

Your safety is important to us. The Emergency Assist feature on Hyundai Auto Link alerts your preferred contacts when the air bags are deployed in the vehicle. Customise your emergency setting to send automated SMS alerts to your chosen contacts.<sup>2</sup>

# CarPlan. The smarter way to finance your new Hyundai.

Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

## In a nutshell.

1. Choose your Hyundai model

Visit a participating Hyundai Dealer and select an eligible new or demonstrator Hyundai<sup>1</sup> that best suits your lifestyle.

2. Choose an eligible finance solution

You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you.<sup>2</sup>

3. We'll then tell you:

- How much your regular payments will be over the finance contract term.<sup>3</sup>
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™ subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We'll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you'll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.<sup>4</sup>

## It's all about choice.

We know that everyone's lifestyle and situation is different, so we give you two different options to choose from when your contract comes to an end: keep your Hyundai, or trade it for a brand new one<sup>1</sup> knowing your Guaranteed Trade in Value.

1.

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

2.

Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.  
 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.  
 3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.  
 4. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

# How does Hyundai's new CarPlan differ from typical Hyundai financing?

## Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount<sup>1</sup>. If the trade in valuation is higher than the Hyundai CarPlan™ value, the difference can be used as equity towards your new or demonstrator Hyundai when you purchase it<sup>2</sup>.

## A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

## Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, or trade it for a brand new one<sup>2</sup>.

## More options

You have the option to include things like Pre-Paid Service Plan<sup>3</sup>, insurance and accessory costs as part of your fixed-rate loan agreement.

# Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai<sup>2</sup> and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

# Is Hyundai's new CarPlan right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit [hyundai.com.au/pre-paid](https://www.hyundai.com.au/pre-paid)

The Hyundai CarPlan from Hyundai Finance is a feature which ensures you receive the Guaranteed Trade in Value (determined by Hyundai Finance) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions.

To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Trade in Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount.

# Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer. Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception, including our 24/7 Roadside Support Plan<sup>3</sup> for up to ten years when you service with this.

iCare

Lifetime Service Plan

5 year unlimited km warranty

Roadside Support Plan

1. **5 year/unlimited Km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions, for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [www.hyundai.com.au](http://www.hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

## Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™\*\*

Hyundai Help for Kids™\*\* offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™\*\* you're empowering thousands of young Australians and giving them a better future.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
