

Taking Australian families further.

We have one goal – to be Australia's most loved car company. To get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

How do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Australia gives us the opportunity to live active lives. The Santa Fe is designed to help us achieve that. It's strong, stylish and sporty. With enough space to fit the family, the dog, and plenty of gear, you'll be able to explore everything Australia has to offer in comfort and style. From the city, to the sea, the outback, and everywhere in between – the Santa Fe is for families on the go.

You can be sure we've put it through its paces too. Our extensive local tuning program has seen the Santa Fe challenge, and overcome, the harshest conditions Australia can throw at it. The Santa Fe really is the perfect complement to an active Australian lifestyle.

Safety first.

Your family's safety should never be an afterthought, or an added extra. Which is why we won't settle for anything less than 6 airbags and some of the most advanced safety technology available.

Raising the safety bar is Hyundai SmartSense^{™1} – our suite of intelligent features developed to keep you alert to dangers and help you avoid incidents. With features like Smart Cruise Control (SCC), Lane Keeping Assist (LKA) and Driver Attention Warning (DAW), you can be assured that your Santa Fe is always keeping an eye out for your family. We're constantly pushing for the next safety breakthrough. Which is why the 7-seater Santa Fe uniquely comes with two advanced safety features. Rear Occupant Alert (ROA)² is an industry first feature where it monitors the back seats to detect passengers and alerts the driver if someone's still in the car after it's switched off and the doors locked.

Next is Safe Exit Assist (SEA)².The system detects any oncoming vehicles approaching from the rear and alerts the driver that it may be dangerous for passengers to exit the vehicle, with both a sound and pop-up visual warning on the dashboard. If the child safety lock is activated, the SEA system will prevent the door from being unlocked to prevent opening.

With Santa Fe, you know that it's not just you that puts your family's safety first.

Surround View Monitor³

6 airbags

1. Hyundai SmartSense™: Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. 2. Available on the Elite and Highlander variants.

3. Available on the Highlander variant.

Rear Occupant Alert (ROA)²

Santa Fe is equipped with an ultrasonic sensor placed on the headliner to detect motion in the rear seats. If a driver locks the vehicle unaware of a passenger inside, the system will detect movement and then immediately give out an alarm.

Safe Exit Assist (SEA)²

The system detects any oncoming vehicles approaching from the rear and alerts the driver that it may be dangerous for passengers to exit the vehicle, with both a sound and pop-up visual warning on the dashboard. If the child safety lock is activated, the SEA system will prevent the door from being unlocked to prevent opening.

Blind-Spot Collision-Avoidance Assist (BCA) Blind-Spot Collision-Warning will send visual warnings to the driver when a vehicle is in their blind spot and an audible sound if the driver tries to change lanes with the vehicle still in their blind spot. Blind- Spot Collision-Avoidance Assist will initiate an active avoidance manoeuvre if necessary to avoid potential accidents.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA) When backing out from a parking position, the sensor detects approaching vehicles from the left or right. The sensor will issue an audible alert and visual warning on the dashboard and if necessary, will initiate a braking manoeuvre.

Drive in style.

You expect a certain style. And with the 7-seater Santa Fe, you've got it. With its bold, aerodynamic silhouette and sleek body, the Santa Fe truly stands out. Just one look at its unique cascading front grille with eye-catching 3D honeycomb feature tells you all you need to know about the Santa Fe's flair for design. Whether you're heading to dinner, taking the kids to soccer or shuttling the neighbours' kids to a birthday party, it's great to know that you're doing it in style.

Lights too, are a clear indication of the Santa Fe's design sensibility. The stacked headlamps and LED Daytime Running Lights provide a powerful luminescence on the road along with a dynamic bending' feature which "turns" the corner as you do. Distinctive headlights and the slim LED Daytime Running Lights ensure that you can both see and be seen on the road, no matter what time of day.

The Santa Fe has a strong presence all around. Look from behind and you'll see an SUV with a confident, stable stance with bold tail lights, dual mufflers² and a striking bumper design. So while other drivers may be searching the parking lot for their car, you'll find the Santa Fe in the blink of an eye.

The 7-seater Santa Fe: who said you can't have practical and stylish?

Available on the Highlander variant.
 Not available on the Active petrol variant.
 Highlander variant shown.

Space that's designed around you.

Where are you heading next? School run? Groceries? Kids' netball practice? Santa Fe isn't just a 7-seater; it's an SUV that's designed around you. An SUV that calmly brings order to the chaos that occasionally overcomes any family.

Seat configuration¹ With seven separate seat configurations, you can fold seats to suit any trip.

USB charging ports

Smart devices are easily charged through two USB ports in the rear centre console (2nd row) and one USB port in the front centre console cubby.

Rear window sunshades²

A retractable window blind hidden away in the 2nd row doors protect your precious ones from the heat and glare of the summer sun.

Air vents Individual air vents in the 2nd and 3rd rows mean everyone can keep their cool.

Highlander variant shown.
 Available on the Elite & Highlander variants.

Smart one-touch walk-in¹

Collapse and slide forward the seats in the 2nd row at the touch of a button, giving easy access for kids getting in and out of the 3rd row.

Boot space¹ Need more space? Expand on the boot's capacity by folding the 3rd row flat.

3rd row grip handles¹ Handles in the 3rd row help occupants enter and exit the vehicle with ease.

Beautiful on the inside.

No matter what the time of year, it's always a pleasure to jump in your Santa Fe. In the summer, switch on the ventilated front seats' and feel the air cool from beneath. When the chilly days arrive, the heated front seats' and heated steering' wheel will quickly thaw you out. And thanks to heated second row seats', the little ones in the back will quickly feel warm and cosy too.

The style that's evident in the Santa Fe's exterior design is clear in the spacious interior. And it's not just the high seat position that gives you a better view; the stunning panoramic glass sunroof¹ lets you take in all the scenery as the world passes you by. You'll feel indulged too, with the luxurious, leather appointed interior², available in black, beige or burgundy leather, depending on the variant and exterior colour you choose.

With generous storage space throughout, ISOFIX anchor points in the 2nd row outboard seats and 60:40 split second row seats and 50:50 third row seats, you can quickly configure the Santa Fe to suit every journey for all your passengers.

They say it's what's on the inside that really counts. The 7-seater Santa Fe has taken that to heart.

Top: Heated & air ventilated front seats¹ **Bottom:** Panoramic glass sunroof¹

Top: Leather appointed interior² **Bottom:** Heated steering wheel¹

1. Available on the Highlander variant.

 Leather appointed may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. Available on the Elite & Highlander variants.

Born to perform.

It's good to know that however many people you've got on board, your 7-seater Santa Fe has the performance to effortlessly meet the day's demands. You can choose from two engine options: the 2.4 litre GDi Petrol 6-speed automatic (Active variant only) or wthe 2.2 litre CRDi Diesel 8-speed automatic, available across all three variants.

Choose the diesel engine and you can rely on 147kW of power and the reassurance of knowing that you have an exceptional 440Nm of torque at your disposal; ready for whatever the load you're carrying. The petrol engine brings 138kW of power to the table, with more than enough torque – 241Nm – to drive you on. With a seamless 8-speed automatic transmission¹, and suspension and handling tuned to Australian conditions, the Santa Fe is ready to take on whatever you throw at it. Whichever variant you opt for, each comes with Hyundai's proprietary HTRAC all-wheel drive technology. HTRAC, meaning "Hyundai Traction", increases traction on various environments and surfaces and intelligently redistributes power to all four wheels in more slippery conditions. The ratio of torque distribution also changes with the drive modes and is displayed in the cluster.

- **Comfort mode:** offers improved stability with up to 35 percent torque distributed to the rear wheels.
- **Eco mode:** provides improved fuel efficiency by sending power mainly to the front wheels.
- **Sport mode:** delivers improved acceleration with up to 50 percent torque distributed to the rear wheels.
- The 7-seater Santa Fe: ready whenever you are.

HTRAC

2.4 GDi AWD Engine²

2.2 CRDi AWD Engine

Cleverly connected.

It's easy to take technology for granted; kids certainly do. So take a step back and see how the Santa Fe delivers on keeping your family connected.

Directly in front of you, the clearly laid out cluster tells you all the key information – speed, revs, oil temperature – at a glance.

And, exclusive to the Santa Fe Highlander, the 7" colour supervision cluster display changes colour, depending on what drive mode you're in (Comfort, Eco, Sport or Smart). Then there's our clever Head-Up Display (HUD)⁵, where important vehicle related information is projected directly on the windscreen, so you never need to take your eyes off the road.

For those days that need a bit more planning, the Santa Fe's Satellite Navigation³ system will calmly guide you through the twists and turns to your destination ahead. Plus, with Apple CarPlay^{™1} and Android[™] Auto² compatibility across the range, you're always just one touch away from the next song.

The Santa Fe's impressive technology extends all the way to the boot of the car with the smart tailgate. When standing within a metre of your boot with your proximity key for more than three seconds, it will automatically open for you³.

With the 7-seater Santa Fe, smart technology makes every drive a pleasure.

- Apple CarPlay[™] functionality requires software update. Apple CarPlay[™] requires iPhone 5[®] or subsequent model (lightning cable) in order to operate. Apple[®] and iPhone[®] are registered trademarks of Apple Inc.

Style, your way.

Your new Hyundai should stand out. And because the Santa Fe is hard working, stylish, and intelligent, we've developed an interior and exterior colour range that emphasises these qualities.

After all, everyone's different. From the colour of the paint, to the shade of the trim – take the opportunity to complement your personality and make sure the Santa Fe fits right into your every day life.

1. Auxiliary cable not suitable for Apple[®] devices. **2**. iPad[®] is a registered trademark of Apple Inc. The iPad[®] holder has been designed to hold iPad[®] models 1, 2, 3, 4 or Air Securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad[®] when in use. iPad[®] not included. 3. Not Compatible with panorama glass roof. **4**. Only suitable for use with a retractable seatbelt. **5**. Available late October 2018. **6**. Towing capacity = 2000kg Braked, 750kg Unbraked. Maximum ball download 100kg. (150kg with genuine Hyundai load assist kit). Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. **7**. Load Capacity = 80kg evenly distributed over 2 bars. Roof racks should be removed when not in use. **8**. Requires fitment of roof racks at additional cost.

1. 2015 Canstar Blue Innovation Excellence Awards (5 Stars). 2. 5 year/unlimited km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for "commercial application" as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 3. Lifetime Service Plan: For the benefit of Hyundai provides used in may change after that effective period without notice. Standard scheduled maintenance services are available for a whiche's next scheduled maintenance services are of limited to scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 4. Sat Nav Update Plan: Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Complimentary map updates apply only if the vehicle completes a scheduled maintenance service at a participating authorised Hyundai dealer. 5. Roadside Support Plan: Complimentary 12 months Roadside Support when you purchase are welicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months (0 years) from the original new car sale date, in which case entitlement to Roadside Support tends when vehicle is more than 108 months (0 years) from which case entitlement to Roadside Support tends the vehicle.

Relax, we'll take it from here.

There's a reason why our iCare program has won awards¹. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an "optional extra."

Our five-year, unlimited kilometre warranty² means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan³ – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan⁴, and a 24/7 Roadside Support⁵ for up to ten years when you service with us.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids[™] offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
