IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

## FUTURE READY FOR GROWING FAMILIES

First-Ever Mazda CX-8 Diesel brings a level of sleek design and diesel performance and efficiency that you wouldn't expect in a seven-seat SUV. Featuring all the luxury and technology Mazda SUVs have become known for, as well as the latest in advanced safety technology, you'll discover an outstanding SUV experience for growing families.

Limited in Machine Grey Metallic.

## THE STREAMLINED SEVEN-SEAT SUV

Mazda's stunning KODO Design language is at the heart of every Mazda SUV. First-Ever Mazda CX-8 Diesel is the latest example, offering the spacious versatility of a large SUV but with smaller dimensions that don't compromise on interior space or cabin comfort.

Concentrating on proportions, form and fine details, the long flowing lines create a strong, mature and dignified road presence. The addition of features such as roof rails and a low and bold front-end design convey a unique combination of elegance and power.

Limited with Aged Merlot Nappa Leather Trim.\*

## LUXURY AND TECHNOLOGY COME TOGETHER

Sit back and relax in the perfect blend of high-quality finishes and intuitive connectivity. Take control in the thoughtfully designed cockpit that wraps snugly around the driver, with all major controls laid out in perfect symmetry.

Enjoy a seamless driving experience delivered by the Active Driving Display, which projects information directly onto the windscreen, while your passengers sink into the premium, nappa leather\* seats in a perfectly climate controlled cabin.

\* Leather interior includes some Maztex material on selected high-impact surfaces.

Limited in Machine Grey Metallic.

## EXPERIENCE THE DIESEL DIFFERENCE

Whether you've driven a diesel engine or not, you'll be impressed with the performance and efficiency First-Ever Mazda CX-8 Diesel delivers. Clean, efficient and quiet, the SKYACTIV-D engine is complemented by an automatic transmission designed to be incredibly responsive.

First-Ever Mazda CX-8 Diesel also features SKYACTIV-VEHICLE DYNAMICS – a series of technologies that integrate the engine, transmission, chassis and body to truly connect the driver to the SUV.

## THRILLING PERFORMANCE. OUTSTANDING EFFICIENCY

First-Ever Mazda CX-8 Diesel is powered by the SKYACTIV-D 2.2L engine, which adopts the latest in engine technologies. This new engine responds quickly and precisely to offer great responsiveness and powerful acceleration.

With an SUV this size, fuel economy is always a priority. First-Ever Mazda CX-8 Diesel offers some of the best economy figures in its class, using as little as 5.7L per 100km\*.

\*Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

### SKYACTIV-D 2.2L DIESEL ENGINE

The clean-running SKYACTIV-D 2.2L engine offers outstanding torque and exhilarating performance delivered right up to high engine speeds. The compression ratio of 14.4:1 means less friction and inertia for higher revving and more exciting power. It also features a Natural Sound Smoother and Natural Sound Frequency Control, which reduces and suppresses knocking noise. It all adds to a smooth, quiet drive.

### i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front-tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

### SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed automatic transmission combines the best attributes of conventional automatic, continuously variable and dual-clutch transmissions while a new gear-shift control predicts operating intentions. When paired with a diesel engine it features a torque-limiter that controls the speed of the clutch pedal.

### SKYACTIV-BODY

Mazda's SKYACTIV-BODY simultaneously achieves high levels of usually conflicting attributes such as collision safety, light weight and rigidity. The latest Computer Aided Engineering (CAE) analysis was used for efficient reinforcements, and ultra-high tensile steel has been adopted for lightness and strength. This means that rigidity is increased by approximately 15.5%, reducing response delay of the body to steering operations.

### SKYACTIV-CHASSIS

Every component has been designed to create an unrivalled sense of oneness between car and driver. The steering system's structure has been optimised to achieve both excellent vibration insulation and high rigidity. The suspension has been revised, millimetre by millimetre, to achieve a gentler and higher-quality ride. This improved suspension means the braking system has also evolved to achieve shorter braking distances with outstanding performance.

## THE FUTURE IS WELL CONNECTED

First-Ever Mazda CX-8 Diesel brings the latest connectivity and infotainment to everyone on board. Mazda's advanced MZD Connect system allows you to safely access your compatible<sup>§</sup> smartphone's contacts, social media and music. All of this information, as well as satellite navigation can be accessed on the 7-inch touch screen from the multi-function commander dial located in the centre console.

Everyone's audio needs are covered too. The exceptional 10-speaker Bose<sup>®</sup> system on the Limited grade is integrated seamlessly throughout the cabin - providing clear audio from the front row to the third.

<sup>#</sup> Leather interior includes some Maztex material on selected high-impact surfaces.

<sup>§</sup> Please check the compatibility of your Bluetooth<sup>®</sup> device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit [www.mazdahandsfree.co.nz](http://www.mazdahandsfree.co.nz) or consult your Mazda Dealer for further information.

Limited with Pure White Nappa Leather Trim.\*

## SPACE TO GROW INTO

With growing families there's always a lot to bring along for the ride. First-Ever Mazda CX-8 Diesel handles all your storage needs with ease. If you don't need seven seats, the third row folds down to provide 775L of cargo space. That's enough to fit all your gear for a day trip or a weeks-long family holiday. For extra storage, there's also a clever new sub-trunk below the trunk board that features a large opening and a depth of 100mm.

Gaining access to all this space is easy with a power liftgate, standard on the Limited model, that operates with just one touch.

\* Leather interior includes some Maztex material on selected high-impact surfaces.

**KEEP THE FUTURE  
GENERATION  
PROTECTED**

A priority of every Mazda CX-8 is to maximise the safety of every passenger on board. Built with a rigid body cell, every grade comes equipped with SRS airbags and technology such as Dynamic Stability Control (DSC), Traction Control System (TCS), Emergency Brake Assist (EBA) and Electronic Brake-force Distribution (EBD) as standard. You'll also appreciate the Automatic Door Lock and Electric Parking Brake with Auto-Hold, again available on every grade. Hill Launch Assist (HLA) adds even more confidence, helping you take off quickly and simply when stopped on an incline.\*

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

## READY TO REACT

If unexpected hazards appear suddenly, Dynamic Stability Control (DSC) acts instantly, braking the inner wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

## SAFETY REFLEX

Trailer Sway Control (TSC) adjusts braking and torque to correct any side-to-side swinging movement of towed loads.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers around corners.

## PEACE OF MIND BUILT-IN

First-Ever Mazda CX-8 Diesel features Mazda's i-ACTIVSENSE advanced safety technologies, which are designed to help you recognise potential hazards, avoid collisions and minimise the severity of accidents when they're unavoidable†. Many of these features are standard on all grades such as Traffic Sign Recognition (TSR), which detects speed limit, no entry and stop signs and displays them on the Active Driving Display. Each grade also receives Blind Spot Monitoring (BSM), Mazda Radar Cruise Control (MRCC) with Stop & Go Function and Advanced Smart City Brake Support - Forward (ASCBS-F), to name a few. The Limited grade receives even more safety technology such as Adaptive LED Headlamps (ALH).

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

### BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to help you avoid making hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard across the range.

### ADVANCED SMART CITY BRAKE SUPPORT - FORWARD (ASCBS-F) SMART CITY BRAKE SUPPORT - REVERSE (SCBS-R)

Helps prevent or lessen low-speed impacts. Now with pedestrian detection, ASCBS-F monitors the vehicle in front to assess the possibility of a collision at forward speeds of 4-80km/h. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for faster response, should the driver brake. If the driver does not brake, the brakes are applied automatically. SCBS-R works in reverse at speeds of 2-8km/h. ASCBS-F Standard across the range. SCBS-R standard on Limited.

### REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard across the range.

### HIGH BEAM CONTROL (HBC)

Detects oncoming and preceding vehicles and automatically switches between high and low beams during night driving. This makes it easier for the driver to recognise hazards and helps avoid dazzling other drivers. Standard on GSX.

### TRAFFIC SIGN RECOGNITION (TSR)/INTELLIGENT SPEED ASSISTANCE (ISA)

The Traffic Sign Recognition System recognises stop, no entry and speed limit signs using the forward-sensing camera while driving. The detected speed limit is shown on the Active Driving Display. If the driver exceeds the speed limit, the traffic sign indication on the display flashes three times and a warning sound alerts the driver. Intelligent Speed Assistance (ISA) can also use this information to limit the speed of your vehicle dynamically with the press of a button. Standard across the range.

### MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

Mazda Radar Cruise Control (MRCC) automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop and take off again in heavy traffic if the stop is less than 3 seconds. If a complete stop exceeds 3 seconds, the car waits for the driver to initiate acceleration. Standard across the range.

### LANE DEPARTURE WARNING (LDW)/LANE-KEEP ASSIST SYSTEM (LAS)

Using a windscreen-mounted camera to monitor road lane markings, LDW sounds an audible warning if you're about to stray from your lane. LAS will act if it determines the vehicle is going to leave its lane by applying a degree of corrective steering. Standard across the range.

### FORWARD OBSTRUCTION WARNING (FOW)/SMART BRAKE SUPPORT (SBS)

Operating at 15-160km/h, the system monitors the distance to vehicles in front and their speed. FOW senses if a collision is likely and prompts you to take evasive action via audible and visual alerts. If SBS senses a high risk of impact, it applies initial pressure to the brakes, enabling faster response, should you brake. If you take evasive action, SBS deactivates. If no evasive action is taken, the brakes are applied automatically. Standard across the range.

### ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend the vision area. Standard on Limited.

GSX in Soul Red Crystal Metallic.

GSX FEATURES

- » 17-inch alloy wheels with 225/65 tyres
- » LED headlamps with automatic on/off function
- » LED fog lamps
- » Power mirrors (body coloured with automatic folding function)
- » Rear spoiler
- » Roof rails
- » Dual exhausts with chrome extensions
- » Wiper (rear) with intermittent function
- » Wipers (front) 2-speed with rain-sensing function
- » Active Driving Display (ADD): windscreen-projected
- » Air-conditioning (three-zone climate control) with independent rear control
- » Rear-view mirror with automatic dimming function
- » Bluetooth® hands-free phone and audio capability<sup>§</sup>
- » 7-inch full colour touch screen display (MZD Connect)
- » Multi-function commander control
- » Audio system with: AM/FM tuner, USB input ports (iPod® compatible), AUX, Bluetooth® audio and 6 speakers
- » Internet radio integration (Stitcher™ and Aha™)
- » Electric parking brake with auto-hold function
- » Leather wrapped: gear shift knob and steering wheel
- » Satellite navigation
- » Seat trim: black sports cloth
- » Front seats with: rake/slide/height adjustment
- » Rear seats: 60/40 split fold backrest with armrest and USB input ports (2nd row) and 50/50 split fold backrest (3rd row)
- » Child restraint anchorage points: ISOFIX x 2, top tether x 5
- » Black cabin headliner
- » Advanced (proximity) keyless entry and push-button ignition
- » Reversing camera<sup>†</sup>
- » Parking sensors (front & rear)
- » Automatic door lock (customisable)
- » Active bonnet
- » Trailer Sway Control (TSC)
- » i-ACTIVSENSE safety<sup>†</sup>:
  - Advanced Smart City Brake Support - Forward (ASCBS-F)
  - Blind Spot Monitoring (BSM)
  - Rear Cross Traffic Alert (RCTA)
  - High Beam Control (HBC)

GSX with Black Sports Cloth Trim.

STAY FOCUSED

The full-colour Active Driving Display projects key information such as speed limits and traffic signs directly into your line of sight.

THREE ZONES OF COMFORT

The three-zone climate control enables driver and passenger to set their own temperature. The rear rows feature their own automatic system, meaning everyone is comfortable.

CONNECT TO THE WORLD

Your MZD Connect infotainment system features a 7-inch colour screen with Bluetooth® capability<sup>§</sup> and satellite navigation with advanced lane guidance.

STRESS-FREE CRUISING

Mazda Radar Cruise Control with Stop & Go function means you'll always keep a safe distance from the vehicle ahead. Perfect for stop-start traffic.<sup>†</sup>

Limited in Snowflake White Pearl Mica.

LIMITED FEATURES

ADDITIONAL TO GSX

- » 19-inch high-gloss alloy wheels with 225/55 tyres
- » LED daytime running lights
- » LED tail-lamps
- » Remote-operated power tailgate (open/close)
- » Power mirrors with heating function
- » Power windows with one-touch open/close function
- » Privacy glass
- » Heated steering wheel function
- » Seat trim: Aged Merlot or Pure White Nappa leather#
- » Front seats with: 2-position memory function (driver), 6-way power adjustment (passenger) and 10-way power adjustment including lumbar (driver)
- » Front and 2nd row seats with: heating function
- » Rear door window sunshade
- » Ambient lighting (LED)
- » Premium Bose® 273 watt amplifier and 10 speakers (including subwoofer)
- » Genuine wood door and dashboard trim inserts
- » i-ACTIVSENSE safety†:
  - Adaptive LED Headlamps (ALH)
  - Smart City Brake Support - Reverse (SCBS-R)
  - Driver Attention Alert (DAA)

POWERTRAIN

SKYACTIV-D

- » 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled twin turbo diesel (SKYACTIV-D) engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 6.0L/100km\* (AWD)
- » Maximum power: 140kW @ 4,500rpm
- » Maximum torque: 450Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)
- » G-Vectoring Control (GVC)

Limited with Aged Merlot Nappa Leather Trim.\*

SOUNDS AMAZING

The 10-speaker Bose® audio system features a 273 watt amplifier and subwoofer delivering even, crystal clear audio to all three rows.

POWER UP AND DOWN

The power liftgate offers you plenty of convenience and saves time when loading and unloading your cargo.

STAY ALERT

The Limited grade includes a host of i-ACTIVSENSE active safety technologies to help you avoid potential hazards, or help minimise damage as a result of unavoidable impact.†

A WARM WELCOME

Enjoy heated front and rear seats as well as a heated steering wheel providing optimum comfort during the cooler months.

# ENJOY MAZDA CX-8 WITH CONFIDENCE

mazdacare<sup>™</sup> is a comprehensive programme designed to make owning your new Mazda passenger vehicle as worry-free as possible. You will appreciate the back-up and motoring support offered through Mazda On Call. We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle, and you will be impressed with our 5 year/unlimited km Warranty.

### 3 year/100,000km Service at no additional cost\*

We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle. Regular servicing is beneficial, keeping your Mazda in great shape for longer, saving you money in fuel, parts and keeping your vehicle safer on the road. That's why we offer 3 years or 100,000km (whichever occurs first) of mazdacare Genuine Mazda Scheduled Servicing at no extra cost.

Each service is carried out by Mazda factory trained Service Specialists using the latest in vehicle diagnostic equipment, in order to keep every Mazda operating at optimum driving performance and helping protect your investment in a car that enjoys excellent resale value.

### 5 year/unlimited km Roadside Assistance

You will appreciate the back-up and motoring support offered through Mazda On Call. If something goes wrong when you're travelling then we're here to help. Mazda On Call is a Roadside Assistance programme available to Mazda owners 24-hours a day, 365 days a year - included as part of your mazdacare cover. So, if you run out of fuel or lock your keys in the car, all you need to do is call 0800 800 626. Our support centres are ready to help out with any mechanical, medical and even legal advice you might need.

### 5 year/unlimited km New Passenger Vehicle Warranty<sup>™</sup>

You'll be grateful for the peace of mind that comes with the 5 year, unlimited km manufacturer's warranty.

- 5 year/unlimited km New Passenger Vehicle Warranty.
- 5 year/unlimited km corrosion and anti-perforation warranty.

For more information on mazdacare, go to [mazda.co.nz/mazdacare](http://mazda.co.nz/mazdacare).

### Driving enjoyment has an exciting future

We're working hard to make driving a Mazda even more rewarding. With cars that use less fuel, but produce more power. That are lighter, but contain more innovation. We call this breakthrough SKYACTIV TECHNOLOGY. It will let every Mazda deliver more driving pleasure while being kinder to the planet.

Find out more at [mazdaskyactiv.co.nz](http://mazdaskyactiv.co.nz).

### Soul shines through.

#### A paint finish created for KODO

'KODO - Soul of Motion' is the dynamic design vision shaping the Mazda range. To bring these striking shapes to life we developed a special paint technology, TAKUMINURI. Soul Red Crystal Metallic and Machine Grey Metallic finishes combine an enhanced reflective treatment with high-chroma pigment to achieve stunningly vivid depth and contrast.

### Accessories add enjoyment

The CX-8 gives you dynamic performance and impressive features. And with Genuine Accessories by Mazda, CX-8 ownership is even more enjoyable. They allow you to personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Genuine Mazda Warranty. Genuine Accessories by Mazda give you even more Zoom-Zoom. Visit [mazda.co.nz](http://mazda.co.nz) to see all accessories available.

<sup>™</sup> Your mazdacare support programme is effective from the first day of vehicle registration.

\* Mazda New Zealand covers all routine service maintenance costs including parts, lubricants and labour for the duration of the programme when service is performed by an authorised Mazda Dealer.

<sup>™</sup> The 5 Year New Passenger Vehicle Warranty programme comprises a 3 year/unlimited km bumper-to-bumper factory warranty and a comprehensive Major Component and Safety System warranty for an additional 2 years/unlimited km. Therefore the total new vehicle warranty period is 5 years/unlimited km. Visit [mazda.co.nz/passenger-vehicle-warranty](http://mazda.co.nz/passenger-vehicle-warranty) to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
