Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

LUXURY MEETS FAMILY

Mazda CX-9 is the ultimate blend of sophisticated luxury and family SUV. The breakthrough SKYACTIV-G 2.5T petrol engine delivers thrilling performance with real-world efficiency. Mazda CX-9 cuts an elegant figure on the road thanks to the superb styling of 'KODO - Soul of Motion' design. The spacious interior is finished with quality craftsmanship that is evident in every detail. Add to that the latest in connectivity including Apple CarPlay™ and Android Auto™, passenger comforts and i-ACTIVSENSE advanced safety technologies, and you've got an SUV that brings luxury and family together like no other.

魂動

KODO : SOUL of MOTION

Takami in Machine Grey Metallic.

ARRIVE IN STYLE

The elegant styling of Mazda CX-9 redefines the seven-seat family SUV. Featuring stunning 'KODO - Soul of Motion' design, the bold lines command a striking street presence.

Mazda CX-9's confident front grille and strong, stable lower body give it an assured stance on the road. Impressive 20-inch wheels further enhance the look, while integrated LED headlamps and tail lights add a sleekness you wouldn't expect in a family SUV.

Takami with Auburn Nappa Leather*

REFINEMENT AT EVERY TURN

Mazda CX-9 indulges every passenger with unprecedented comfort, technology and spaciousness. Every element of the cabin features exceptional design and superb craftsmanship.

The elegantly finished front row envelops the driver with thoughtfully positioned controls, and enjoys extra comforts such as ventilated seats and a heated steering wheel on the Takami model. The Takami also receives a genuine rosewood trim, hand-crafted box stitch steering wheel and Auburn Nappa leather*. The middle and rear passengers are accommodated in full comfort, with plush seating and ample legroom.

* Leather interior includes Maztex deluxe leatherette on selected high-impact surfaces.

BREAKTHROUGH FAMILY SUV PERFORMANCE

Mazda CX-9 features the breakthrough SKYACTIV-G 2.5T petrol engine. This 2.5-litre direct injection turbocharged engine delivers an athletic driving performance that's previously unheard of in a family SUV.

Enjoy powerful acceleration and an excellent response in the low-to-mid rpm range without turbo lag. This traditional problem has been overcome by the Dynamic Pressure Turbo - a world-first turbocharging system that adapts its processes according to engine speed.

The addition of intelligent i-ACTIV AWD monitors and even predicts road conditions so Mazda CX-9 can adjust its performance to deliver exceptional real-world fuel efficiency and a superior drive every time.

POWER AND EFFICIENCY

Mazda CX-9 delivers breakthrough performance with a top-of-the-range engine bringing new levels of driving pleasure. The smooth ride and athletic responses come from the latest advances in SKYACTIV TECHNOLOGY, of which Mazda CX-9 boasts the full suite. Unleashing exceptional efficiency, clever technologies like i-ELOOP have found even more ways to save on fuel and emissions. Mazda CX-9 also includes SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver that we call Jinba Ittai.

* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-G 2.5T TURBO ENGINE

The first turbocharged engine to join the SKYACTIV-G series, the SKYACTIV-G 2.5T delivers both outstanding low and mid-range torque, with excellent fuel economy. The Dynamic Pressure Turbo system controls exhaust pulses to produce a huge 420Nm of torque and 170kW of power. Meanwhile the Cooled Exhaust Gas Recirculation (EGR) cycles cooled exhaust gas back into the air intake system, lowering the engine's fuel consumption and improving economy.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

We've combined the best attributes of conventional automatic, continuously variable and dual clutch transmissions. The transmission locks up to couple directly with the engine over a wider spectrum than other automatics, delivering a more direct, manual-like power delivery and driving feel. Shifts are swift, accurate and smooth across the six speeds.

i-ELOOP

Mazda's unique brake energy regeneration system captures braking energy in a capacitor that then reroutes that energy to power various electrical systems. On top of reducing fuel consumption, the capacitor charges and discharges faster than conventional battery systems. Intelligent i-stop saves even more fuel by switching off the engine when you come to a standstill, restarting the moment you accelerate.

SKYACTIV-BODY

The new-generation features an advanced body, making it lighter and more rigid than ever for superior handling. Increased use of high-tensile steel saves on weight while increasing strength. The exceptional new design also results in a quieter, more premium ride thanks to sound-absorbent materials, improved door seals and sound-insulating glass.

SKYACTIV-CHASSIS

Passengers experience a smooth, comfortable ride thanks to strut suspension in the front and multi-link suspension in the rear. The angle of the dampers has been optimised and solid rear bushings in the front have been replaced with a liquid variety that provides superior ratios of stiffness and compliance. These enhancements noticeably reduce the overall feeling of road vibration for optimum passenger comfort.

Limited with Black Leather.*

CONNECTIVITY THAT COMES WITH YOU

Mazda CX-9 is fully-equipped to handle the entertainment demands of modern families, offering the latest in connectivity and infotainment. Four USB ports are distributed throughout the cabin to accommodate all your devices. Up front, Apple CarPlay™ and Android Auto™ as well as MZD Connect, standard on every grade, allows you to safely access your compatible smartphone's§ apps, contacts, social media and music, while satellite navigation guides you from a large, upright touch screen controlled by a central dial.

* Leather interior includes Maztex deluxe leatherette on selected high-impact surfaces.

§ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

Limited with Natural Stone Leather.*

ADAPTS TO YOUR LIFESTYLE

Mazda CX-9 effortlessly accommodates the daily demands of the modern family with a versatile cabin that adapts to all your seating and luggage requirements. The third-row is accessed using a mechanism so simple even children can operate it, while added storage space is integrated throughout the cabin to keep clutter stowed neatly out of sight. The addition of USB ports in the second row enables everyone to keep their devices powered. Mazda CX-9 is also equipped with three-zone climate control, ensuring every passenger travels in comfort.

* Leather interior includes Maztex deluxe leatherette on selected high impact surfaces.

PROTECT YOUR MOST PRECIOUS CARGO

Mazda CX-9 is designed to maximise the safety of every single passenger on board.

The driving environment features excellent visibility, with well-positioned controls to minimise driver distraction.[†] A reversing camera and parking sensors offer extra peace of mind, while the latest advanced braking technologies are fitted to assist you in emergency situations.

And world-class collision protection is provided courtesy of an extremely rigid body, with multiple load paths diverting crash energy away from the occupant cell. Six SRS airbags are integrated, including front, side (front) and curtain (across all three rows). 3-point lap-sash seat belts are equipped to all seats with seat belt reminders featuring front and rear, while driver and front passenger belts have pretensioners and load-limiters. Child restraint anchor points include 5x top tether and 2x ISOFIX mounts.

With a 5-star ANCAP safety rating, Mazda CX-9 puts your family's safety first, so you can experience true driving confidence.

[†] Driver-assistance features do not replace the driver's judgment and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Limited in Machine Grey Metallic.

READY TO REACT

If unexpected hazards appear suddenly, Dynamic Stability Control (DSC) acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

SAFETY REFLEX

Trailer Stability Assist (TSA) adjusts braking and torque to correct any side-to-side swinging movement of towed loads.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers.

ADVANCED SAFETY TECHNOLOGY LOOKS OUT FOR YOU

Mazda CX-9 comes equipped with a suite of i-ACTIVSENSE advanced safety technologies as standard. i-ACTIVSENSE assists the driver to avoid potential hazards†. Along with preventative features, crash-severity-reduction technology is activated in the event of unavoidable impact.

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard across the range.

ADVANCED SMART CITY BRAKE SUPPORT - FORWARD/REVERSE (ASCBS-F/R) WITH PEDESTRIAN RECOGNITION

Helps prevent, or lessen, low-speed impacts. Now with pedestrian detection, ASCBS-F/R monitors obstacles in front to assess the possibility of a collision at forward speeds of 4-80km/h. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for faster response, should the driver brake. If the driver does not brake, the brakes are applied automatically. ASCBS-F/R also works in reverse at speeds of 2-8km/h. Standard across the range.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists the driver when reversing from a parking space, warning if a car is approaching from either side of the vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard across the range.

HIGH BEAM CONTROL (HBC)

HBC detects oncoming and preceding vehicles and automatically switches between high and low beams during night driving. This makes it easier for the driver to recognise hazards and helps avoid dazzling other drivers. Standard on GSX.

TRAFFIC SIGN RECOGNITION (TSR)

TSR uses the forward-sensing camera to recognise Stop, No Entry and speed limit signs which are in turn displayed on the vehicle's Active Driving Display. If the driver exceeds the detected speed limit, a warning will flash on the display. Standard across the range.

MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

MRCC automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop in traffic and take off again once traffic moves (if the stop is less than 3 seconds). If a complete stop exceeds 3 seconds, the car waits for the driver to initiate acceleration. Standard across the range.

LANE DEPARTURE WARNING (LDW) WITH LANE-KEEP ASSIST SYSTEM (LAS)

LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if the driver is about to stray from their lane. LAS will act if it determines the vehicle will leave its lane by applying a degree of corrective steering. Standard across the range.

SMART BRAKE SUPPORT (SBS)

Operating at 15-160km/h, SBS monitors the distance to and speed of the vehicle in front. If SBS senses a high risk of impact, it primes the brakes for faster response. If the driver takes evasive action, SBS deactivates. If no evasive action is taken, the brakes are applied automatically. Standard across the range.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area. Standard on Limited and Takami.

CX-9
GSX

GSX in Snowflake White Pearl Mica.

GSX FEATURES

MAIN FEATURES INCLUDE

- » 18-inch high-gloss alloy wheels with 255/60 tyres
- » LED headlamps with auto on/off function
- » LED fog-lamps (front)
- » Daytime running lights (halogen)
- » Power exterior mirrors (body coloured with heating and auto-folding function)
- » Rain-sensing wipers
- » Active Driving Display (windscreen-projected)
- » 3-zone climate control air-conditioning with independent rear control
- » Seat trim: Black Leather[#]
- » Heated front seats with 8-way power adjustment (driver) and 6-way power adjustment (passenger)
- » Rear seats: 60/40 split fold backrest with centre armrest storage and USB input ports (2nd row) and 50/50 split fold backrest (3rd row)
- » 8-inch touch screen display (MZD Connect)
- » Apple CarPlay™ and Android Auto™ connectivity[§]
- » Audio system with AM/FM tuner and 6 speakers
- » Bluetooth® hands-free phone and audio capability[§]
- » Internet radio integration (Stitcher™ and Aha™)
- » Multi-function commander control
- » Satellite navigation
- » Electric parking brake
- » Auto dimming rear-view mirror
- » Advanced (proximity) keyless entry with push-button ignition
- » Parking sensors (front & rear)
- » Reversing camera
- » Automatic Door Lock (ADL)
- » Trailer Sway Control (TSC)
- » Tyre Pressure Monitoring System (TPMS)
- » i-ACTIVSENSE safety technologies[†]
 - Advanced Smart City Brake Support – Forward/Reverse (ASCBS-F/R)
 - Blind Spot Monitoring (BSM)
 - Rear Cross Traffic Alert (RCTA)
 - Mazda Radar Cruise Control (MRCC) with Stop & Go
 - Smart Brake Support (SBS)
 - High Beam Control (HBC)
 - Lane Departure Warning (LDW)
 - Lane-Keep Assist System (LAS)
 - Traffic Sign Recognition (TSR)
 - Forward Obstruction Warning (FOW)
 - Driver Attention Alert (DAA)

POWERTRAIN

SKYACTIV-G 2.5T

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT turbo petrol engine with i-stop and i-ELOOP
- » Drivetrain: i-ACTIV AWD
- » Transmission: 6-speed auto (SKYACTIV-Drive)
- » G-Vectoring Control (GVC)
- » Drive Selection (Sport Mode)
- » Max power: 170kW @ 5,000rpm
- » Max torque: 420Nm @ 2,000rpm
- » Fuel consumption (combined): 8.8L/100km*

[#] Leather interior includes Maztex deluxe leatherette on selected high impact surfaces.

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit mzdahandsfree.co.nz or consult your Mazda Dealer for further information.

GSX with Black Leather.[#]

HEADS UP

The full colour Active Driving Display projects important driving information onto the windscreen into your line of sight.

SAFE DISTANCE

Mazda Radar Cruise Control (MRCC) with Stop & Go function automatically adjusts speed to maintain a safe distance from the car ahead, even in heavy traffic!

A CUT ABOVE

Luxurious leather[#] seats in sleek black are timelessly elegant.

PLAY IT YOUR WAY

Apple CarPlay™ and Android Auto™ means you can pair up your compatible smartphone and access a whole range of your favourite apps.[§]

Limited in Soul Red Crystal Metallic.

LIMITED FEATURES

ADDITIONAL TO GSX

- » 20-inch high-gloss alloy wheels with 255/50 tyres
- » Power tilt and slide glass sunroof
- » Power tailgate (remote operated)
- » Privacy glass
- » LED daytime running lights
- » LED tail-lamps with lighting signature
- » Seat trim: Black or Natural Stone Leather#
- » Front seats with: 2-position memory function (driver), 10-way power adjustment (driver), 6-way power adjustment (passenger)
- » Rear seats with: heating function (2nd row outer)
- » Premium Bose® 294 watt amplifier and 12 speakers (including subwoofer)
- » Frameless auto dimming rear-view mirror
- » Heated steering wheel
- » Rear door passenger window sunshade
- » Genuine aluminium decoration panels
- » LED room lamps, LED vanity mirror lamp
- » i-ACTIVSENSE safety technologies†
 - Adaptive LED Headlamps (ALH)

ENJOY MAZDA CX-9 WITH CONFIDENCE

mazdacare[™] is a comprehensive programme designed to make owning your new Mazda passenger vehicle as worry-free as possible. You will appreciate the back-up and motoring support offered through Mazda On Call. We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle, and you will be impressed with our 5 year/unlimited km Warranty.

3 year/100,000km Service at no additional cost*

We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle. Regular servicing is beneficial, keeping your Mazda in great shape for longer, saving you money in fuel, parts and keeping your vehicle safer on the road. That's why we offer 3 years or 100,000km (whichever occurs first) of mazdacare Genuine Mazda Scheduled Servicing at no extra cost.

Each service is carried out by Mazda factory trained Service Specialists using the latest in vehicle diagnostic equipment, in order to keep every Mazda operating at optimum driving performance and helping protect your investment in a car that enjoys excellent resale value.

5 year/unlimited km Roadside Assistance

You will appreciate the back-up and motoring support offered through Mazda On Call. If something goes wrong when you're travelling then we're here to help. Mazda On Call is a Roadside Assistance programme available to Mazda owners 24-hours a day, 365 days a year - included as part of your mazdacare cover. So, if you run out of fuel or lock your keys in the car, all you need to do is call 0800 800 626. Our support centres are ready to help out with any mechanical, medical and even legal advice you might need.

5 year/unlimited km New Passenger Vehicle Warranty[†]

You'll be grateful for the peace of mind that comes with the 5 year, unlimited km manufacturer's warranty.

- 5 year/unlimited km New Passenger Vehicle Warranty.
- 5 year/unlimited km corrosion and anti-perforation warranty.

Driving enjoyment has an exciting future

We're working hard to make driving a Mazda even more rewarding. With cars that use less fuel, but produce more power. That are lighter, but contain more innovation. We call this breakthrough SKYACTIV TECHNOLOGY. It will let every Mazda deliver more driving pleasure while being kinder to the planet.

Find out more at mazdaskyactiv.co.nz.

Soul shines through.

A paint finish created for KODO

'KODO - Soul of Motion' is the dynamic design vision shaping the Mazda range. To bring these striking shapes to life we developed a special paint technology, TAKUMINURI. Soul Red Crystal Metallic's finish combines an enhanced reflective treatment with high-chroma pigment to achieve stunningly vivid depth and contrast.

Accessories add enjoyment

The CX-9 gives you dynamic performance and impressive features. And with Genuine Accessories by Mazda, CX-9 ownership is even more enjoyable. They allow you to personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Genuine Mazda Warranty. Genuine Accessories by Mazda give you even more Zoom-Zoom. Visit mazda.co.nz to see all accessories available.

[™] Your mazdacare support programme is effective from the first day of vehicle registration.

* Mazda New Zealand covers all routine service maintenance costs including parts, lubricants and labour for the duration of the programme when service is performed by an authorised Mazda Dealer.

[†] The 5 Year New Passenger Vehicle Warranty programme comprises a 3 year/unlimited km bumper-to-bumper factory warranty and a comprehensive Major Component and Safety System warranty for an additional 2 years/unlimited km. Therefore the total new vehicle warranty period is 5 years/unlimited km. Visit mazda.co.nz/passenger-vehicle-warranty to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
