IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

AT ONE WITH THE ROAD

Lighter and more streamlined than ever, MX-5 captures Mazda's signature KODO Design philosophy in its most exciting form. 'Jinba Ittai' - the philosophy of 'horse and rider as one' can be felt in the ultra-responsive handling and enhanced feeling of balance and control as a result of perfect 50:50 front to rear weight distribution. Lean, muscular lines capture the moment energy becomes motion, while the uncluttered interior is designed to feel like an extension of the driver. As the world's most popular lightweight sports car for over two decades, iconic Mazda MX-5 excites every sense like only a true roadster can.

2.0L RF Limited in Machine Grey Metallic.

DESIGNED FOR THE DRIVER

The MX-5 captures Mazda's signature KODO Design philosophy in its most exciting form, with every angle and contour poised for action. For wind-in-the-hair exhilaration, the roof glides seamlessly away from view with the push of a button in RF models, or one-handed manual lowering in Roadster soft-top models.

When closed, the roof reinforces the MX-5's striking shape, with the new RF hard-top models featuring a classic fastback silhouette. Incorporating true sports car elements with the spirit of its three previous generations, the MX-5 commands a striking road presence.

2.0L Roadster Limited in Ceramic Metallic.

SKYACTIV TECHNOLOGY NOW WITH MORE ZOOM-ZOOM

Mazda's breakthrough SKYACTIV TECHNOLOGY delivers a driving experience that's unparalleled. Every element has been painstakingly calibrated, from the engine, transmission to the chassis, to unlock superior handling and efficient fuel economy in all conditions. SKYACTIV TECHNOLOGY also delivers exceptional power when you need it, taking the Roadster 2.0L manual from 0 - 100km/h in a blistering 6.5 seconds.

SKYACTIV-MT

The newly developed 6-speed SKYACTIV-MT manual transmission delivers a lively performance and superior fuel economy. As one of the world's lightest transmissions, it's helped keep Mazda MX-5's weight down. (Note: 6-speed automatic transmission also available for RF Limited).

SKYACTIV-CHASSIS

The development of the Mazda MX-5 SKYACTIV-CHASSIS was focused on achieving superior handling and stability, with faithful responses in every driving situation. The vehicle's posture has been crafted for flawless cornering, acceleration and braking to engage in a harmonious conversation with the open road.

SKYACTIV-G 1.5L

The new generation SKYACTIV-G 1.5L petrol engine features direct injection with a unique piston design to promote more effective fuel combustion - boosting power and fuel economy while lowering emissions. With maximum power of 97kW @ 7,000rpm and torque of up to 152Nm @ 4,500rpm, it unleashes powerful performance with the feel of a broad torque range. The redesigned engine block delivers powerful acceleration well into the high RPM range, with a compression ratio of 13.0:1 when running on high-octane fuel.

SKYACTIV-G 2.0L

Developed to offer driving pleasure in all conditions, the SKYACTIV-G 2.0L engine delivers maximum power of up to 135kW @ 7,000rpm and torque of 205Nm @ 4,000rpm, all with impressive fuel economy. The reduced weight and greater combustion efficiency means the driver gets an engine they can always count on in the high RPM range.

SKYACTIV-BODY

The new Mazda MX-5 SKYACTIV-BODY is assembled with materials explicitly selected to keep it light, yet rigid. Constructed from a combination of ultra-high tensile steel and high-strength aluminium, the body is designed with integrity to be strong without bulk. The high-strength SKYACTIV-BODY is engineered to minimise harm in the event of a collision. Front airbags for both passengers come as standard, and side airbags with head-protecting cells safeguard against impact even with the top down.

COMMAND THE ROAD AHEAD

Mazda MX-5 is the epitome of the driver's car, with every element carefully designed to evoke the feeling of being at one with the vehicle. Interior panels featuring matching exterior paintwork comfortably envelop the driver for a sport-luxe feel in the cockpit (Limited-grade models). Sink into the artfully designed seats, which have received increased rigidity in their controls, and adjust the telescopic steering wheel for a truly bespoke driving experience. With MZD Connect, the MX-5 becomes an extension of your smartphone†, allowing you to access your music, contacts and social networks from a single screen via Bluetooth®. In addition to the standard 6-speaker configuration that comes with driver's side headrest speakers, Mazda MX-5 is also available with exclusively developed premium 9-speaker Bose® sound system featuring a subwoofer and also passenger's side headrest speakers. This is designed to produce stunning sound quality, even with the top down. In the RF model, you'll experience one of the world's fastest roof opening and closing times.

† Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

ADVANCED SMART CITY BRAKE SUPPORT

Advanced Smart City Brake Support-Forward (ASCBS-F) monitors vehicles in front of you to assess the possibility of a collision at forward speeds of 4-80km/h. If there is a high risk, the system will warn you and brake automatically if needed, helping you avoid a collision or minimise it. Smart City Brake Support-Reverse (SCBS-R), available on Limited-grade models, works the same way when reversing at speeds of 2-8km/h.

SAFETY NEVER TAKES A BACK SEAT

Thanks to i-ACTIVSENSE advanced safety technologies,* MX-5 is just as focused on delivering an exhilarating drive as it is maximising safety and peace of mind. A reversing camera, Advanced Smart City Brake Support-Forward (ASCBS-F), Blind Spot Monitoring (BSM), Rear Cross Traffic Alert (RCTA) - which helps you safely reverse out of parking spaces by scanning your environment and alerting you to cars coming from either side - are all now standard across the range. Limited-grade models include Lane Departure Warning (LDW), Adaptive LED Headlamps (ALH), Driver Attention Alert (DAA), Smart City Brake Support-Reverse (SCBS-R) and Traffic Sign Recognition (TSR), which detects speed limit, no entry and stop signs then displays them on Multi-information Display.

*i-ACTIVSENSE safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to constantly monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

TELESCOPIC STEERING WHEEL

Feel further connected to your drive thanks to the new telescopic steering wheel. Available in all models, it's now even easier to find the ideal driving position in your MX-5.

1.5L ROADSTER GSX

1.5L Roadster GSX in Soul Red Crystal Metallic

1.5L ROADSTER SOFT-TOP FEATURES

ROADSTER GSX

- » Cloth soft-top
- » 16-inch black metallic alloy wheels with 195/50 tyres
- » Daytime running lights (LED)
- » Headlamps (LED)
- » Power mirrors (piano black)
- » Seat trim: black cloth
- » Black upper-door panels
- » Air-conditioning
- » Cruise control
- » Leather-wrapped: steering wheel, handbrake handle and gear shift knob
- » Trip computer
- » 7-inch touchscreen display (MZD Connect)
- » Internet radio integration (Stitcher™ and Aha™)
- » Multi-function commander control
- » Bluetooth® hands-free phone and audio capability†
- » CD player, single disc (MP3 compatible)
- » Steering wheel-mounted audio controls
- » USB-audio input port (iPod compatible)
- » Keyless entry with keyless push-button ignition
- » Tilt and telescopic adjustable steering wheel
- » Reversing Camera
- » Airbags SRS: front (driver and passenger) and side
- » Dynamic Stability Control (DSC)
- » Emergency Stop Signal (ESS)
- » Hill Launch Assist (HLA)
- » Limited Slip Differential (LSD)
- » Tyre Pressure Monitoring System (TPMS)
- » i-ACTIVSENSE safety technologies*:
 - Advanced Smart City Brake Support-Forward (ASCBS-F)
 - Blind Spot Monitoring (BSM)
 - Rear Cross Traffic Alert (RCTA)

Accessory options:

- » Satellite navigation
- » Apple Carplay™ and Android Auto™ Connectivity†

POWERTRAIN

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol (SKYACTIV-G) engine
- » Drivetrain: RWD
- » Transmission: 6-speed manual (SKYACTIV-MT)
- » Max power: 97kW @ 7,000rpm
- » Max torque: 152Nm @ 4,500rpm
- » Fuel consumption (combined)*: 6.2 l/100km

* i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

1.5L Roadster GSX 6-Speed Manual with Black Cloth Trim.

HELP WHEN YOU NEED IT

Advanced Smart City Brake Support-Forward monitors vehicles in front of you to assess the likelihood of a collision and will warn or brake automatically if needed.*

EXTEND YOUR VISION

Blind Spot Monitoring detects unseen vehicles during lane changes, alerting you with visual and audio cues.*

SEES WHERE YOU CAN'T

A reversing camera allows you to safely see what's behind when performing reversing manoeuvres.*

DAZZLING BY DESIGN

Sleek LED headlamps with auto on/off function perfectly complement the bold front styling.

ENJOY MAZDA MX-5 WITH CONFIDENCE

mazdacare[∞] is a comprehensive programme designed to make owning your new Mazda passenger vehicle as worry-free as possible. You will appreciate the back-up and motoring support offered through Mazda On Call. We know you will enjoy the advantage and ease of the mazdacare Scheduled Service Programme that comes standard with your new Mazda passenger vehicle, and you will be impressed with our 5 year/unlimited km Warranty.

3 year/100,000km Service at no additional cost*

We know you will enjoy the advantage and ease of the mazdacare Scheduled Service Programme that comes standard with your new Mazda passenger vehicle. Regular servicing is beneficial, keeping your Mazda in great shape for longer, saving you money in fuel, parts and keeping your vehicle safer on the road. That's why we offer 3 years or 100,000km (whichever occurs first) of mazdacare Genuine Mazda Scheduled Servicing at no extra cost. Each service is carried out by Mazda factory trained Service Specialists using the latest in vehicle diagnostic equipment, in order to keep every Mazda operating at optimum driving performance and help protect your investment in a car that enjoys excellent resale value.

5 year/unlimited km Roadside Assistance

You will appreciate the back-up and motoring support offered through Mazda On Call. If something goes wrong when you're travelling then we're here to help. Mazda On Call is a Roadside Assistance programme available to Mazda owners 24-hours a day, 365 days a year - included as part of your mazdacare cover. So, if you run out of fuel, lock your keys in the car, all you need to do is call 0800 800 626. Our support centres are ready to help out with any mechanical, medical and even legal advice you might need.

Driving enjoyment has an exciting future

We're working hard to make driving a Mazda even more rewarding. With cars that use less fuel, but produce more power. That are lighter, but contain more innovation. We call this breakthrough SKYACTIV TECHNOLOGY. It will let every Mazda deliver more driving pleasure while being kinder to the planet. Find out more at mazdaskyactiv.co.nz.

Soul shines through.

A paint finish created for KODO

'KODO - Soul of Motion' is the dynamic design vision shaping the Mazda range. To bring these striking shapes to life we developed a special paint technology, TAKUMINURI. Both Soul Red Metallic and Machine Grey Metallic finishes combine an enhanced reflective treatment with high-chroma pigment to achieve stunningly vivid depth and contrast.

Accessories add enjoyment

The MX-5 gives you dynamic performance and impressive features. And with Mazda Genuine Accessories, The MX-5 ownership is even more enjoyable. They allow you to personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Genuine Mazda Warranty. Mazda Genuine Accessories give you even more Zoom-Zoom. Visit mazda.co.nz to see the accessories available.

[∞] Your mazdacare support programme is effective from the first day of vehicle registration.

* Mazda New Zealand covers all routine service maintenance costs including Parts, Lubricants and Labour for the duration of the programme when service is performed by an authorised Mazda Dealer.

‡ The 5 Year New Passenger Warranty programme comprises a 3 year/unlimited km bumper-to-bumper factory warranty and a comprehensive Major Component and Safety System warranty for an additional 2 years/unlimited km. Therefore the total new vehicle warranty period is 5 years/unlimited km. Visit mazda.co.nz/passenger-vehicle-warranty to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
