## A NEW DIMENSION OF LUXURY

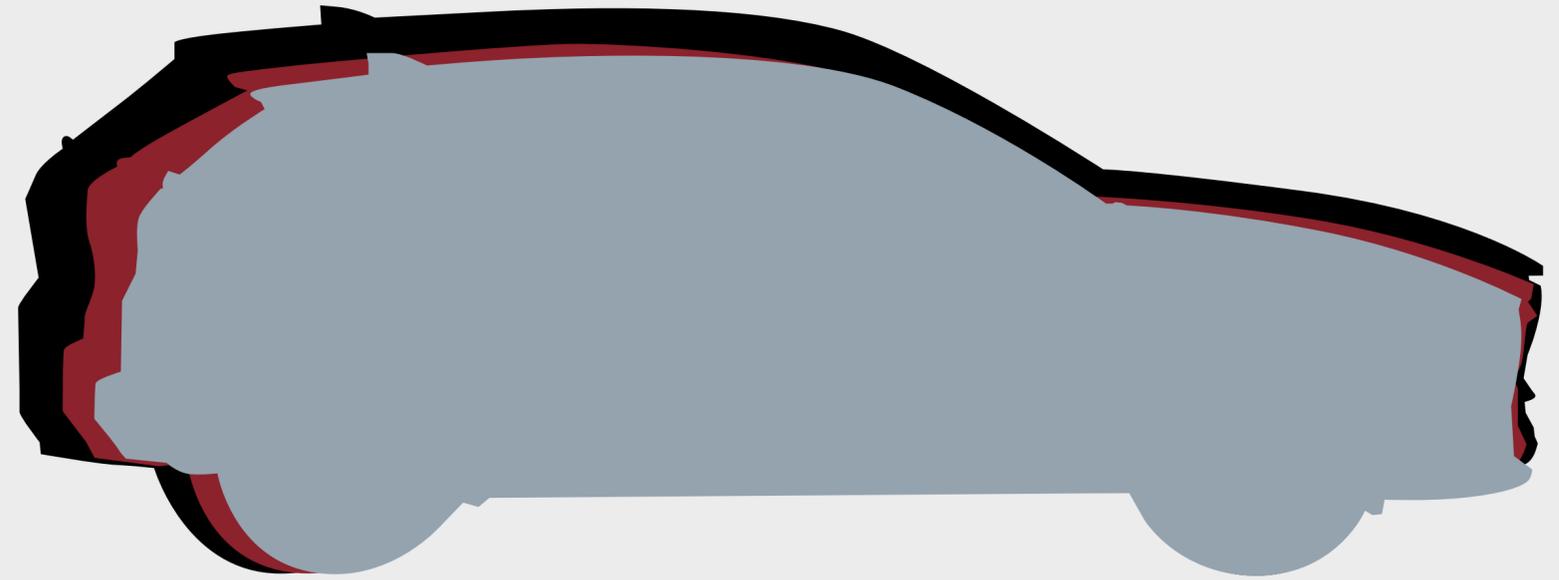

It's the newest member of the Mazda family - a perfectly sized small SUV, surprisingly spacious and unique in every way. First-Ever Mazda CX-30 challenges everything you expect a small SUV to be.

Sleek and bold in its design, faultlessly crafted and totally luxurious. Drivers will love the exciting performance, while all passengers will appreciate the ambience of the whisper quiet cabin.

## YOUR PERFECT SIZE

Sitting perfectly between the small Mazda CX-3 and the medium Mazda CX-5, First-Ever Mazda CX-30 offers new dimensions perfectly suited to drivers looking for an agile SUV with a comfortable amount of space.

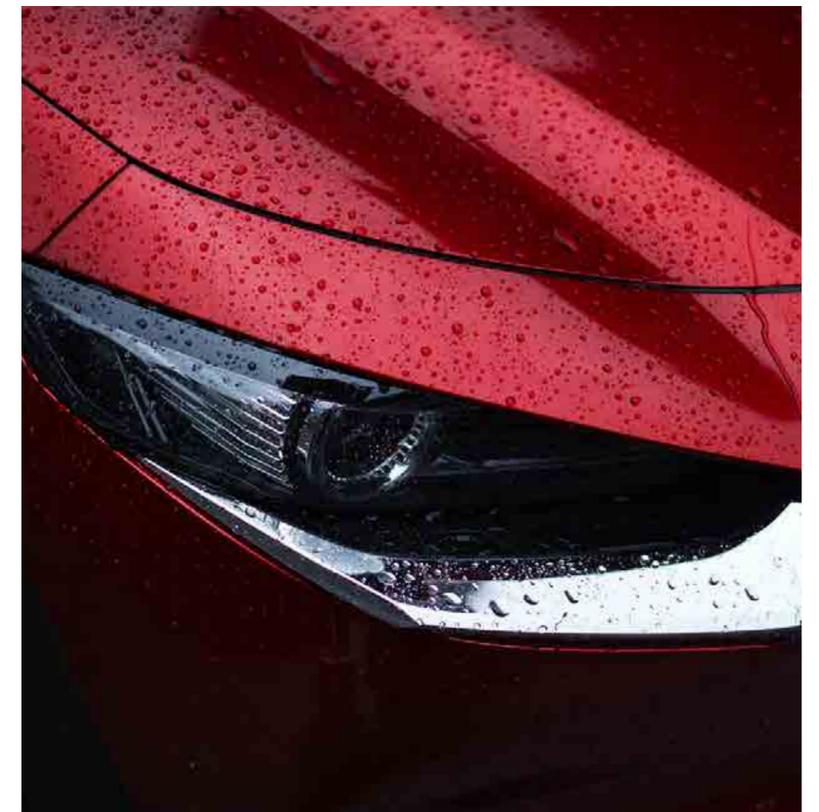

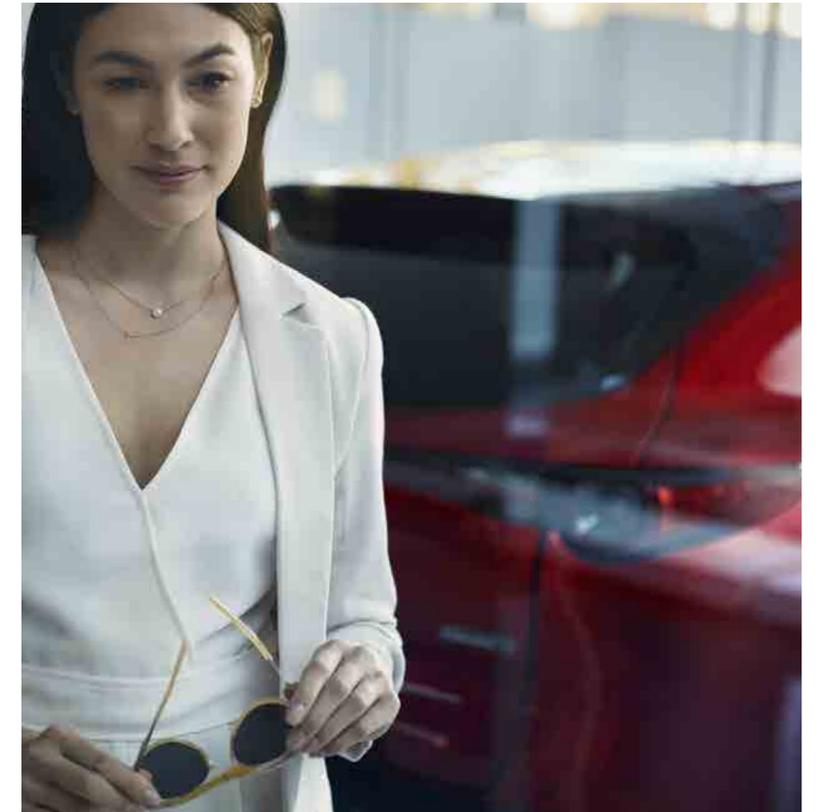

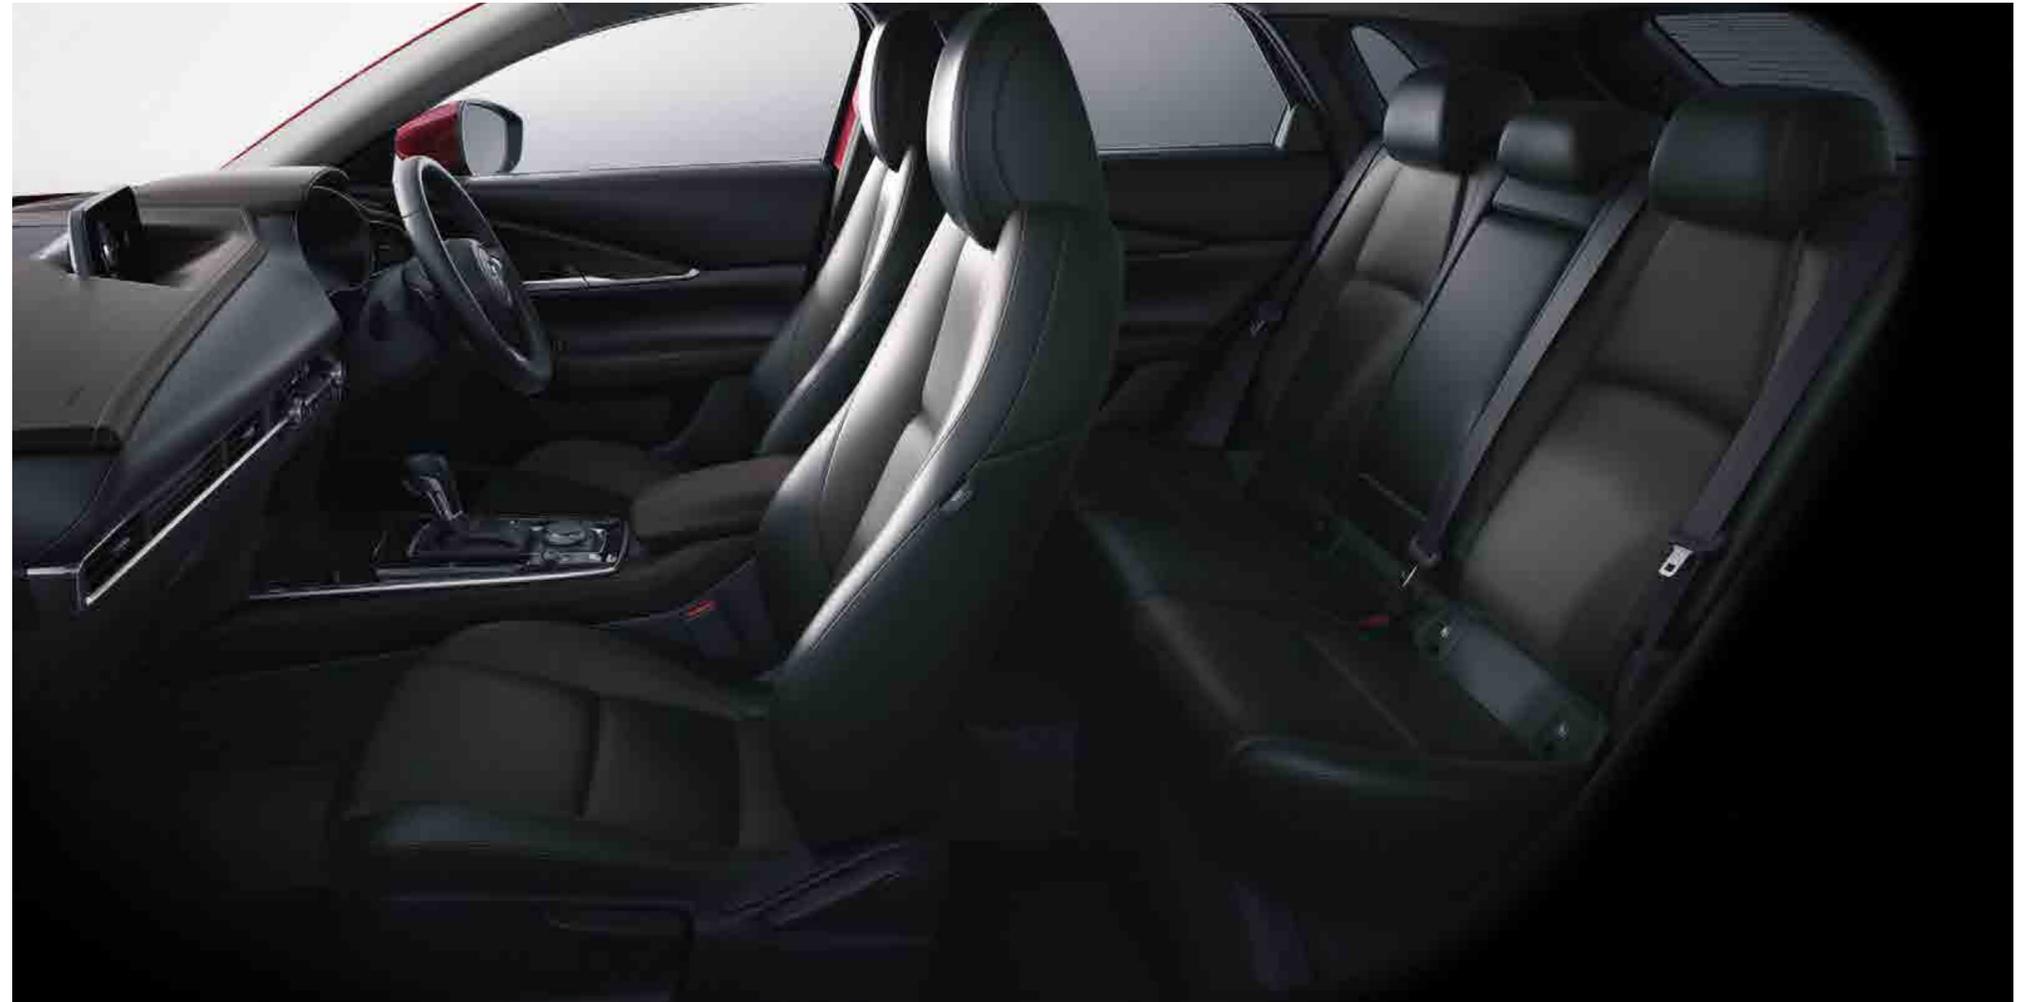

Model	CX-3	CX-30	CX-5
Overall Length (mm)	4,275	4,395	4,550
Overall Height (mm)	1,535	1,540	1,675
Overall Width (mm)	1,765	1,795	1,840
Cargo Space (VDA) Litres	264	317/430*	455

\* With underfloor storage/422L on the Limited model due to Bose® system.

## DESIGN IN A CLASS OF ITS OWN

Sleek, beautiful proportions that deliver a sense of vitality and movement, First-Ever Mazda CX-30 represents a design aesthetic reminiscent of a work of art. The bold stance of an SUV is coupled with a flowing beauty that reflects light and shadow in a stunning and unique way, evolving and changing the exterior appearance depending on the time, the seasons and its movement.

## LUXURY WITH ROOM TO MOVE

The perfect use of space is no more evident than in the cabin. A sense of oneness envelops the driver with everything close at hand. In contrast, there is a sense of clean open space.

Interior details, beautiful finishes and quality materials greet you at every turn. From the perfect seating position to the angles of the screen and air vents, the human-centric design of the cabin leaves nothing to chance. There's ample luggage space too, with a generous 430L\* of space in the boot.

\* When the under floor storage is used, 422L on the Limited model due to Bose® Stereo system and 430L on GSX and GTX models. Without underfloor storage used all grades – 317L.

## TECHNOLOGY ON POINT

Every piece of technology within First-Ever Mazda CX-30 has been designed to provide drivers with confidence and ease of operation, while helping them enjoy their drive. The brilliant full-colour Active Driving Display relays only the most relevant information in a simple fashion, allowing for a more effortless driving experience. The latest in connectivity, including the new Mazda Connect system, is displayed in stunning clarity via the 8.8-inch widescreen display, with Apple CarPlay™ and Android Auto™ as standard<sup>§</sup>.

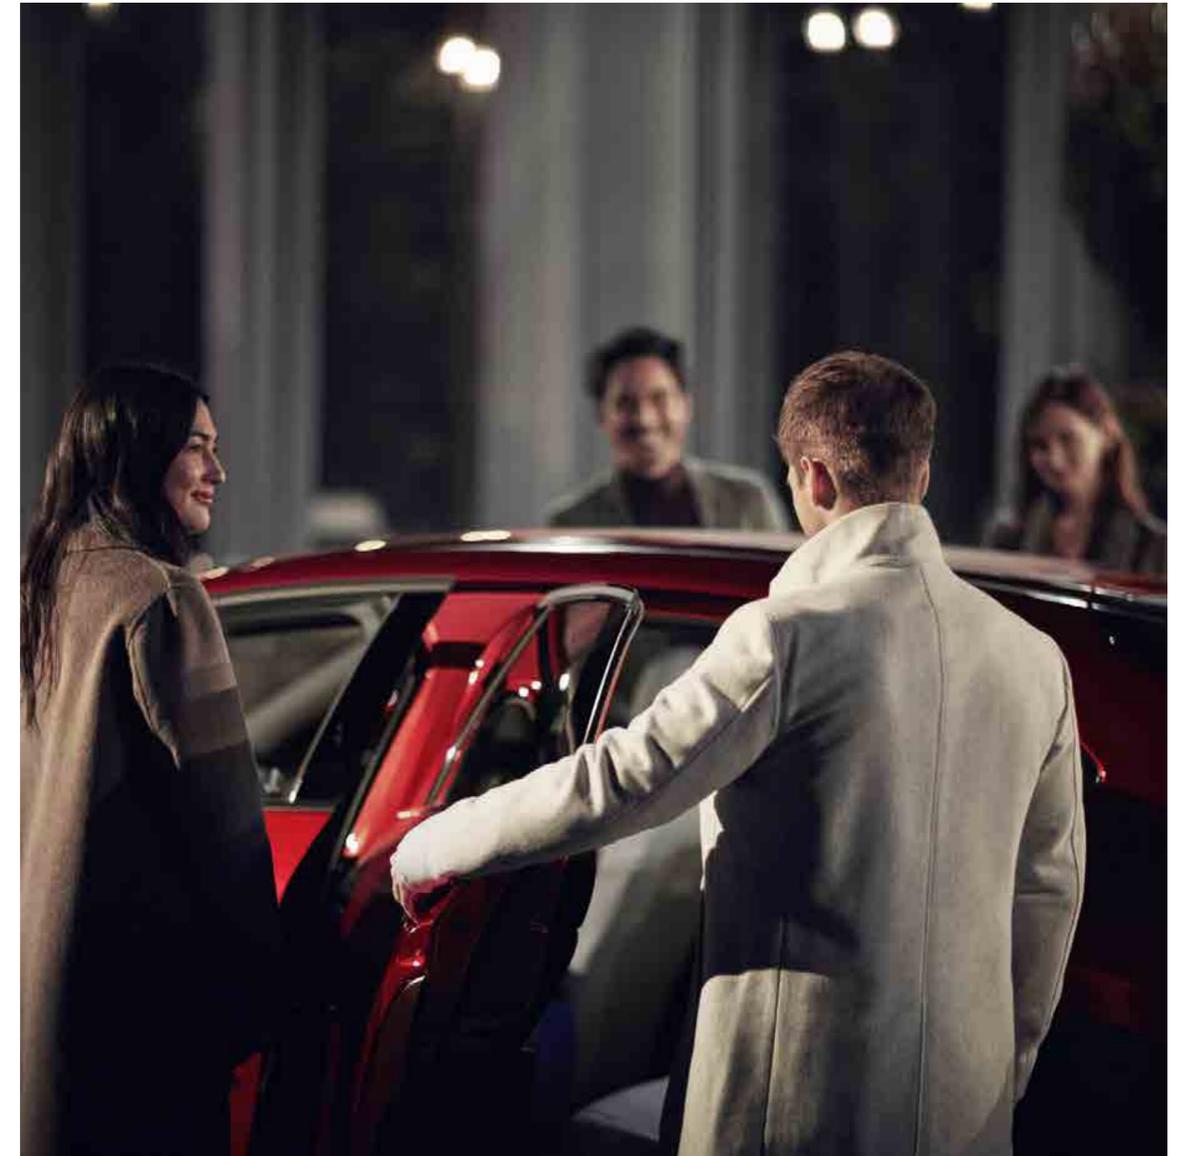

<sup>§</sup> Please check the compatibility of your device (particularly your mobile phone) with your Mazda Dealer as not all devices support connectivity or use all available features.

# Leather interior includes some Maztex material on selected high-impact surfaces.

Limited with Black Leather trim#.

## SAFETY WITHOUT COMPROMISE

True peace of mind is built into every First-Ever Mazda CX-30 with a number of key safety features as standard across the range. A high concentration of ultra-high tensile steel helps reinforce the chassis, while a newly developed knee airbag for the driver, designed to suppress forward motion, also comes as standard. Paired with the latest in safety technology, like Smart Brake Support (SBS)<sup>†</sup>, Lane-keep Assist System (LAS)<sup>†</sup>, Blind Spot Monitoring (BSM)<sup>†</sup> and Mazda Radar Cruise Control (MRCC)<sup>†</sup> with Stop and Go function, every grade takes safety to another level.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

## AN INTUITIVE EXPERIENCE

The latest i-Activsense technologies transform your drive into a truly effortless one. Consisting of intuitive features including Cruising and Traffic Support (CTS)<sup>†</sup>, which assists with accelerating, braking and steering functions while stuck in traffic. Driver Monitoring<sup>†</sup>, which uses infrared cameras to detect driver drowsiness and deliver an alert when needed. Front Cross Traffic Alert (FCTA)<sup>†</sup>, which checks for approaching vehicles in blind spots at T-intersections, and Front Parking Sensors to help you handle parking with ease.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

## PERFORMANCE THAT EXCITES

First-Ever Mazda CX-30 has been developed with strict adherence to the Japanese philosophy of 'Jinba-ittai', the sense of car and driver as one. The result is an innate sense of responsiveness and a driving experience like no other. The newly developed G-Vectoring Control Plus (GVC Plus)<sup>†</sup> offers unprecedented levels of confidence-inspiring controllability in various situations, such as high-speed lane changes and on slippery roads. Your choice of 2.0L or 2.5L Skyactiv-G petrol engines, or Mazda's revolutionary Skyactiv-X petrol engine, deliver dynamic performance and impressive fuel economy.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

## WORLD-FIRST SKYACTIV-X ENGINE

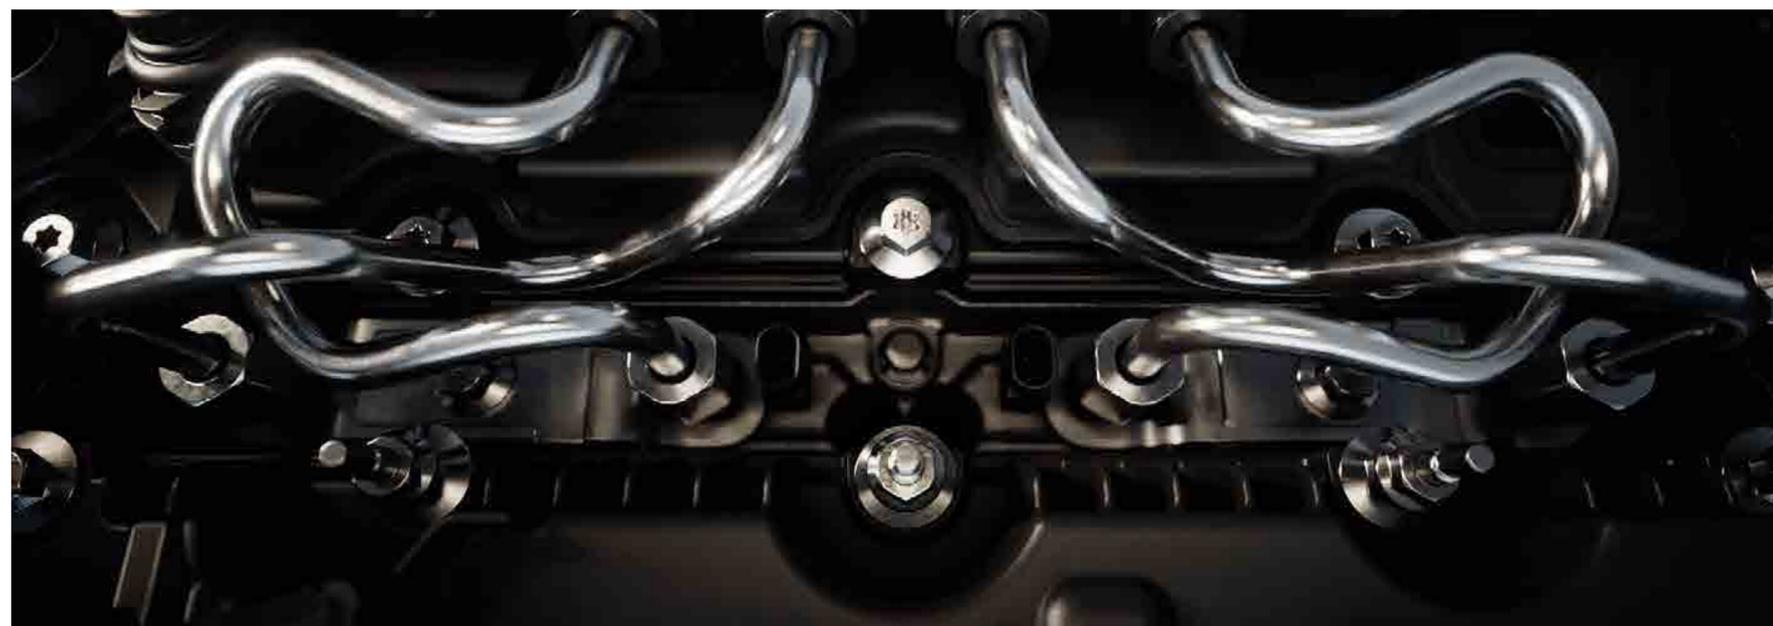

With its stunning design, exciting performance and fine craftsmanship, First-Ever Mazda CX-30 is the small SUV that gets everything just right. With the option of a revolutionary Skyactiv-X engine with M Hybrid system, it will be a drive that's cleaner and more efficient than ever.

Skyactiv-X M Hybrid utilises Mazda's world-first Spark Controlled Compression Ignition (SPCCI) which combines the fuel-efficiency of a diesel with the power and driveability of a petrol engine. This engine switches seamlessly between conventional spark ignition and a compression ignition mode where a lean fuel-air mix is compressed so it combusts more efficiently – releasing fewer emissions than a conventional engine.

It also employs new electric technology, replacing the alternator and starter motor with an Integrated Starter Generator (ISG), which captures energy that would normally be wasted during braking. This electrified energy is stored in a lithium-ion battery and then used to power electrical systems and assist the engine under acceleration. The result is improved efficiency and a smoother driving experience.

The combination of these two systems takes First-Ever Mazda CX-30\* to a new level of efficiency without compromising the Zoom-Zoom driving experience.

\*The Skyactiv-X engine with M Hybrid system is available on the Takami grade.

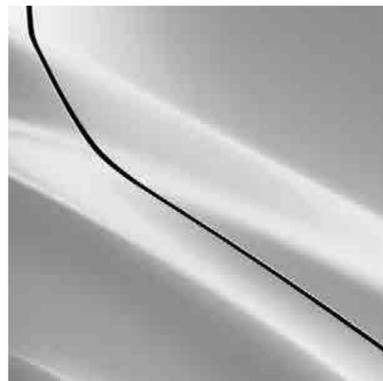

## INTRODUCING POLYMETAL GREY METALLIC

Fusing the hard appearance of metal with a glossy smoothness, the newly developed Polymetal Grey changes colour depending on the light, accentuating beautiful lines of the bodywork.

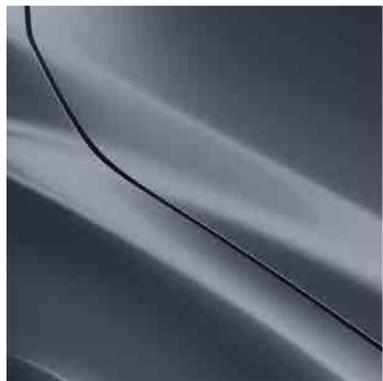

### BODY COLOURS

Snowflake White Pearl Mica

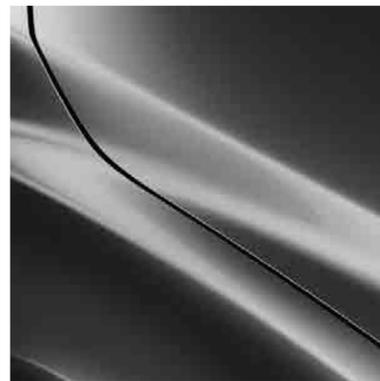

Sonic Silver Metallic

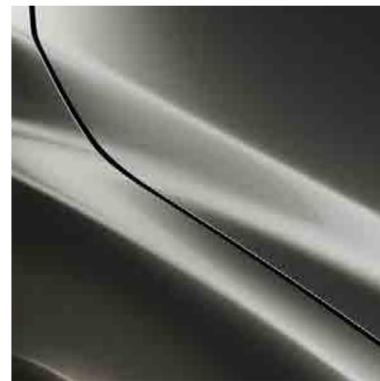

Polymetal Grey Metallic

Soul Red Crystal Metallic<sup>^</sup>

Machine Grey Metallic<sup>^</sup>

Titanium Flash Mica

Jet Black Mica

### INTERIOR TRIMS

Black / Grey Cloth  
(GSX, GTX)

Black Leather<sup>#</sup>  
(Limited, Takami)

Pure White Leather<sup>#</sup>  
(Takami)

<sup>^</sup> Surcharge applies

<sup>#</sup> Leather interior includes some Maztex material on selected high-impact surfaces.

## CX-30 GSX FEATURES - STANDARD ACROSS EVERY GRADE

- » 16-inch alloy wheels (Grey Metallic)
- » Headlamps (LED) with auto on/off function
- » Tail-lamps (LED)
- » Daytime running lights (halogen)
- » Exterior mirrors with power adjustment and auto folding function
- » Wipers (front) 2-speed with rain-sensing function
- » Wiper (rear) with intermittent function
- » Rear spoiler
- » 7-inch TFT LCD customisable multi-information meter display
- » Active Driving Display (ADD) - windscreen projected
- » Electric parking brake with Auto Hold
- » Apple CarPlay™ and Android Auto™
- » 8.8-inch widescreen colour display (Mazda Connect)
- » Multi-function commander control
- » Advanced (proximity) keyless entry
- » Bluetooth® (hands-free compatible)<sup>§</sup>
- » Mazda Harmonic Acoustics audio system with: AM/FM tuner, Bluetooth® audio (MP3 compatible)<sup>§</sup>, USB inputs x2 (iPod compatible®) and 8 speakers
- » Satellite navigation
- » Air conditioning
- » Leather wrapped: gear shift knob and steering wheel
- » Power windows with auto up/down (all windows)
- » Seat trim: Black / Grey Cloth
- » Seats (front) with: height, rake and slide adjustment
- » Seats (rear) with: 60/40 split-fold backrest with centre fold down armrest
- » Steering wheel mounted audio controls with voice activation
- » Tilt and telescopic adjustable steering wheel
- » Airbags SRS: front (driver and passenger), side (front), knee (driver) and curtain (front and rear)
- » Emergency Stop Signal (ESS)
- » Hill Launch Assist (HLA)
- » i-Activsense active safety technologies<sup>†</sup>:
  - Blind Spot Monitoring (BSM)
  - Driver Attention Alert (DAA)
  - Forward Obstruction Warning (FOW)
  - High Beam Control (HBC)
  - Intelligent Speed Assistance (ISA)
  - Lane Departure Warning (LDW)
  - Lane-keep Assist System (LAS)
  - Mazda Radar Cruise Control (MRCC) with Stop & Go
  - Rear Cross Traffic Alert (RCTA)
  - Secondary Collision Reduction (SCR)
  - Smart Brake Support (SBS) with night-time pedestrian and cycle detection
  - Traffic Sign Recognition (TSR)
  - Tyre Pressure Monitoring System (TPMS)
- » ISOFIX child restraint anchor points and top tethers
- » Parking sensors (rear)<sup>†</sup>
- » Reversing camera<sup>†</sup>

## POWERTRAIN

- » Skyactiv-G 2.0L in-line 4-cylinder 16 valve DOHC S-VT petrol with i-stop
- » Drivetrain: FWD
- » 114kw @ 6,000rpm (max. power)
- » 200Nm @ 4,000rpm (max. torque)
- » Fuel consumption (combined): 6.5l/100km\*
- » 6-speed automatic transmission (Skyactiv-Drive)
- » Drive Selection (sport mode)
- » G-Vectoring Control Plus (GVS Plus)

<sup>†</sup> Driver assist technology only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

\* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.

<sup>§</sup>Please check the compatibility of your device (particularly your mobile phone) with your Mazda Dealer as not all devices support connectivity or use all available items.

## CX-30 GTX FEATURES – ADDITIONAL TO GSX

- » 18-inch alloy wheels (Silver Metallic)
- » Exterior mirrors with heating function
- » Auto dimming interior rear-view mirror
- » Air conditioning (dual-zone climate control) with rear vents
- » Vanity mirror (front) with illumination
- » i-Activsense active safety technologies<sup>†</sup>
  - Smart Brake Support [Rear] (SBS-R)
  - Smart Brake Support [Rear Crossing] (SBS-RC)
- » Off-Road Traction Assist
- » Reversing camera<sup>†</sup>
- » Parking sensors (front)<sup>†</sup>

## POWERTRAIN

- » Skyactiv-G 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop and cylinder deactivation
- » Drivetrain: i-Activ AWD
- » 139kw @ 6,000rpm (max. power)
- » 252Nm @ 4,000rpm (max. torque)
- » Fuel consumption (combined): 6.8l/100km\*
- » 6-speed automatic transmission (Skyactiv-Drive)
- » Drive Selection (sport mode)
- » G-Vectoring Control Plus (GVS Plus)

### EYES FORWARD

Traffic Sign Recognition (TSR) detects speed limit, no entry and stop signs and is projected on the Active Driving Display, which gives you all the important information you need.

### ENJOY THE EXTRA POWER

The updated Skyactiv-G 2.5L petrol engine with i-stop and cylinder deactivation, delivers superior performance.

### CONNECT TO THE ROAD

The i-Activ AWD uses real-time data from 27 different sensors to monitor, predict and respond to even the slightest change in driving conditions. This improves traction and grip, giving you a connection to the road that's unbeatable.

<sup>†</sup> Driver assist technology only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

\* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.

## CX-30 LIMITED FEATURES - ADDITIONAL TO GTX

- » Headlamps / Tail-lamps (LED) with lighting signature
- » Daytime running lights (LED)
- » Exterior mirror with auto dimming function
- » Exterior mirrors with position memory
- » Exterior mirrors with reverse tilt-down function
- » Power tilt/slide sunroof
- » Privacy glass (rear, side and back window)
- » Seat trim: Black Leather<sup>#</sup>
- » Heated front seats
- » Seat (driver) with: 10-way power adjustment, including lumbar adjustment and 2-position memory
- » Steering wheel paddle shift controls
- » Premium Bose<sup>®</sup> amplifier (with AudioPilot<sup>®</sup>/Centerpoint) and 12 speakers
- » i-Activsense active safety technologies<sup>†</sup>:
  - Adaptive LED Headlamps (ALH)
  - Front Cross Traffic Alert (FCTA)
  - Cruising and Traffic Support (CTS)
  - Driver Monitoring (DM)

## POWERTRAIN

- » Skyactiv-G 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop and cylinder deactivation
- » Drivetrain: i-Activ AWD
- » 139kw @ 6,000rpm (max. power)
- » 252Nm @ 4,000rpm (max. torque)
- » Fuel consumption (combined): 6.8l/100km<sup>\*</sup>
- » 6-speed automatic transmission (Skyactiv-Drive)
- » Drive Selection (sport mode)
- » G-Vectoring Control Plus (GVS Plus)

### LIGHT THE WAY

Adaptive LED Headlights (ALH) broaden visibility at low speeds, avoids dazzling others on high beam, and extends vision at highway speeds.

### LET THE LIGHT IN

Enjoy the elements with a power operated sliding glass sunroof including tilt function.

### SOUNDS EXTRAORDINARY

Enjoy powerful performance with amazing clarity through the Bose amplifier and 12 speakers, placed strategically throughout the cabin.

<sup>#</sup> Leather interior includes some Maztex material on selected high-impact surfaces.

<sup>†</sup> i-Activsense, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

<sup>\*</sup> Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

## CX-30 TAKAMI FEATURES - ADDITIONAL TO LIMITED

- » Skyactiv-X engine with M Hybrid system
- » 18-inch alloy wheels (high-gloss finish)
- » Remote-operated power tailgate (open/close)
- » Seat trim: Black Leather or Pure White leather<sup>#</sup>
- » Frameless rear-view mirror with auto-dimming function
- » Heated steering wheel
- » Reversing camera with dynamic guidelines
- » 360° View Monitor<sup>†</sup>

## POWERTRAIN

- » 2.0 litre in-line 4 cylinder 16-valve DOHC SPCCI petrol engine with i-stop and mild hybrid
- » 6-speed automatic transmission (Skyactiv-Drive)
- » i-Activ AWD
- » 132kw @ 6,000rpm
- » 224Nm @ 3,000rpm
- » 6.0l/100km\* (combined fuel consumption)

### CARGO CONVENIENCE

Access your rear cargo space at the push of a button, thanks to the easy to use remote operated power lift tailgate.

### REGENERATIVE-FRICTION BRAKE COORDINATION SYSTEM

The system converts kinetic energy into electricity as the car decelerates and stores it to power headlights, climate control, audio system and any other electrical equipment.

### SPARK CONTROLLED COMPRESSION IGNITION

Using a process similar to a diesel, petrol is burned more quickly and more completely so you get better performance and fewer emissions than a conventional engine.

<sup>#</sup> Leather interior includes some Maztex material on selected high-impact surfaces.

<sup>†</sup> i-Activsense, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

\* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.
