RENAULT

MOTORSPORTS IN ITS GENES

MEGANE R.S. Trophy asserts its sporty personality thanks to a design and custom equipment that have been directly inspired by motorsports. F1 type blade, Full LED Pure Vision lights, wheel arches widened by 60 mm in the front and 45 mm at the back, side air extractor vents, central exhaust, shark fin antenna, spoiler and rear air vent provide an exclusive design to aid performance. MEGANE R.S. Trophy's sporty DNA is clearly recognisable with its Brembo red brake calipers and 19" Jerez alloy wheel rims with red highlights. For ultimate performance on the track, the specific Performance Package, including 19" Fuji Lightweight wheel rims and Recaro™ bucket seats, is also available.

A SPORTS COCKPIT

MEGANE R.S. Trophy boasts an uncompromising sportiness which is also expressed in the cockpit. The new 10" fully digital and customisable TFT instrument cluster, R.S. custom leather steering wheel⁽¹⁾ with sections in Alcantara® and paddle shifters⁽²⁾, aluminium pedal unit and footrest as well as red and chrome elements throughout the cabin all contribute to a unique driving pleasure. Alcantara® upholstered sports seats with red contrasting stitching keep you in control, and the optional Recaro® bucket seats make it easy for you to maintain your perfect driving position.

(1) Bovine-sourced leather. (2) Only available with EDC transmission.

TECHNOLOGY CONTRIBUTING TO PERFORMANCE

300 hp / 400 – 420 Nm / from 0 to 100 km/h in 5.7 s

HIGH PERFORMANCE TECHNOLOGIES

Equipped with technology from F1[®], the direct injection 1.8 L engine is fitted with a turbocharger with turbine mounted on a ceramic ball bearing. Combined with a dual-clutch EDC automatic gearbox, it provides a torque of 420 Nm (400 Nm with the manual gearbox) and reduced response time for increased efficiency.

The engine performance is further improved by the exhaust line. Controlled according to the engine speed, load and the R.S. Drive mode chosen (Sport or Race), the valve in open position allows the engine full expression.

Thanks to the 4CONTROL system with 4-wheel steering and 4 hydraulic compression stops, MEGANE R.S. Trophy provides optimum road handling and grip.

With the Torsen[®] mechanical limited slip differential and bi-material front brake discs, which reinforce the performance of its underslung Cup chassis, MEGANE R.S. Trophy offers the best in Renault Sport technology. Brembo[®] brake calipers, Recaro[®] bucket seats in Alcantara^{®(1)} and Bridgestone S007 tyres⁽²⁾ provide optimum efficiency whatever the field of play.

(1) Optional. (2) Available only with optional 19" Fuji Light aluminium wheel rims.

MEGANE R.S. Trophy

① 1.8 L Turbo engine - 300 hp/420 Nm*
(EDC automatic gearbox)

② Turbocharger with turbine mounted
on ceramic ball bearing

③ 4CONTROL 4-wheel steering system

④ Cup chassis

⑤ Hydraulic compression stops

⑥ Torsen® mechanical limited-slip
differential

⑦ Front double-axis strut system

⑧ Active valve exhaust system

⑨ Bi-material brake discs
and Brembo® red brake calipers

⑩ Automatic gearbox with Efficient
Dual Clutch (EDC) (or manual gearbox)

⑪ R.S. Vision System

*400 Nm with manual gearbox.

HIGH PRECISION DRIVING

A driving pleasure enhanced by technologies exclusive to Renault Sport:

1. 4CONTROL system: With its 4-wheel steering, this system makes your driving safe and accurate. At low speeds, the system turns the rear wheels in the opposite direction to the front wheels for greater agility. At speeds of over 60 km/h (100 km/h in Race mode), all four wheels turn in the same direction guaranteeing you optimum stability at all times.

2. R.S. Drive: Customise your driving experience! Thanks to MULTI-SENSE technology and the R.S. Drive button, you can change from MySense to Sport or Race mode in an instant.

3. Launch control⁽¹⁾: With this system, accessible in Sport or Race modes, you can execute perfect standing starts. The system adopts the specific settings for the engine and the EDC transmission so as to offer an optimum start. To preserve mechanics, the system will temporarily deactivate when needed.

4. Multi-change Down⁽¹⁾: This system allows you to change down by 2 gears while holding the steering wheel paddle shifter. This means you can more quickly change into the best gear to take on the next bend.

(1) EDC transmission only

2.

3. 4.

SAFETY, ALWAYS FIRST

The various driving aids fitted to MEGANE R.S. Trophy allow you to travel every day with peace of mind. An example? The **lane departure warning** system warns you if you cross a white line without indicating.

Also, by combining the side light, long-range headlights, fog lamps and inside of turns lighting functions, the **R.S. Vision Full LED** headlights (technology exclusive to Renault Sport) provide you with the best possible visibility on all roads.

1. Advanced Emergency Braking System (ABES): Active from 7 km/h, maximises your safety by warning you of any risk of collision. The system takes charge of the braking system if you do not react quickly enough or at all.

2. Adaptive Cruise Control: Active from 50 km/h to 160 km/h, it adjusts your speed and maintains a safe distance from the vehicles in front. The system acts on the brakes when the distance is too short and conversely on the accelerator when the road is clear again.

Safety & Technology

- Driver and front passenger front and chest side airbags
- Front and rear curtain airbags
- ABS / EBA / ESC with HSA (Hill Start Assist)
- Advanced Emergency Braking System (AEBS)
 - low-speed
- Lane Departure Warning (LDW)
- R.S. Enhanced braking system
- Launch Control⁽¹⁾
- Multi-downshift⁽¹⁾
- Bi-material high performance brakes
- Renault Sport Cup Chassis, suspension and 4 hydraulic compression stops
- Mechanical Torsen © Limited Slip Differential
- Active valve exhaust system
- DESS (Dual Energy Storage System) battery
- MULTI-SENSE with 3 driving modes (MySense, Sport & Race)
- LED, dusk-sensing headlights
- Tyre pressure monitoring system
- Automatic 'walk away' door locking
- Keyless entry & engine start with automatic engine stop & start

Comfort & Convenience

- 9.3" Portrait touchscreen
- 10" fully digital driver display screen
- Smartphone connectivity – Apple Carplay® & Android® Auto
- DAB/AM/FM radio
- 1x AUX, 2x front USB ports, 2x rear USB ports
- BOSE® Sound system
- Rear view camera with moving guidance lines
- Front, rear & side parking sensors
- Dual-zone climate control air conditioning with rear air vents

Interior features

- Renault Sport front chrome door sill plates
- Aluminium pedal unit and footrest
- Alcantara leather R.S. black upholstery with red and grey contrast stitching
- R.S. sports seats with integrated headrests
- Heated front seats
- R.S. leather & Alcantara steering wheel with red 12 o'clock marker
- Steering column mounted paddle shifts⁽¹⁾

- Customisable ambient lighting

Exterior features

- R.S. extended front wheel arches with air grilles
- R.S. extended rear wheel arches
- Front bumper widened with F1 blade and honeycomb front grille with R.S. marking
- Trophy signature under grille
- Rear bumper widened with functional diffuser and central exhaust
- R.S. rear spoiler
- Red brake Calipers
- 19" Jerez wheel rims & Bridgestone Potenza S001 tyres
- R.S. VISION Full LED 3 function headlights (fog, cornering, long range)
- Sweeping turn signal
- R.S. badge on rear

Options

- Metallic paint
- Signature metallic paint
- Electric panoramic sunroof
- Performance Package:
 - Recaro seats (not compatible with seat heating)
 - 19" Fuji lightweight alloy wheel rims with Bridgestone Potenza S007 tyres

(1) Only available with EDC transmission

Quality

“Through the expertise of the Renault Sport Cars engineers, MEGANE R.S. is a unique vehicle. Equally suited to road and racing circuit, its versatility makes daily trips a pleasure.

Robert Bonetto - Managing Director Renault Sport Cars

Quality at first sight

Quality production and in-plant assembly bring the work of the design teams to life. Industrial exactitude is applied to every detail, such as on the R.S. Vision Full LED lighting system integrated directly into the bumper including two multi-reflector units each incorporating nine LEDs.

Quality, down to the smallest details

The interior is the result of meticulous work to select high-quality materials, like the leather* upholstery in Alcantara assembled by hand with red and grey contrast stitching. These help to keep you in the perfect driving position.

*Bovine-sourced leather.

Proven performance

With the 4CONTROL system, MEGANE R.S. Trophy benefits from cutting-edge technology to provide optimised road holding through this 4-wheel steering system. Combined with the Cup chassis, your driving will be safe and accurate.

Renault Network

Within the Renault Network, take advantage of personalised support from handover to servicing including the installation of accessories. Our sales staff and technicians have undergone specialist training guaranteeing the quality of our services.

CARLAB Accessories

1. Chrome mirror caps. Add a touch of style and personality to your MEGANE R.S. Trophy with chrome mirror caps.

2. R.S. valve cap. Customise your wheel rims even more with these custom caps decorated with the Renault Sport logo.

3. R.S. premium floor mats. Protect your MEGANE R.S. Trophy in style. Specially designed for the vehicle, these mats fix simply onto two safety clips and do not interfere with the pedals.

4. R.S. GOPRO Camera Support. Special R.S. dashmount for your GOPRO* camera.

*GOPRO not included.

Renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

*Conditions apply

Comprehensive Warranty

Renault has been building motor vehicles for more than 100 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 5 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Available 365 days a year, all across Australia.

Capped Price Servicing

You'll enjoy the benefits of lower maintenance costs for your first 5 years or 100,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 20,000 km (whichever occurs first) – not every six months like some manufacturers.

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.
