WHEN YOU KNOW WHAT FITS YOU

Once you've come to the point in life where you know what you want, you might want this car. With its compact dimensions paired with a bold design language, the new ŠKODA KAMIQ combines understatement with a lot of self-confidence. A perfect car that fits all your needs in the city – and into most parking spaces.

The KAMIQ also offers abundant technologies uncommon for the compact city crossover. Advanced assistance systems and a new generation of infotainment mean you can stay safe without compromising on fun, on every journey.

That's Simply Clever. That's ŠKODA.

EXTERIOR DESIGN

DESIGN THAT LEADS, NOT FOLLOWS

He's got the look: the KAMIQ is the perfect mix of robustness and dynamic shapes defined by the ŠKODA design language. It is the first ŠKODA crossover.

STYLE AND FUNCTIONALITY

With its exterior the KAMIQ manifests belonging to the ŠKODA family, but at the same time shows its individuality. The car offers SUV features, such as a higher chassis and rugged appearance, combined with the practicality of a compact city car.

FRONT VIEW

The KAMIQ features the wide front grille and split headlamps, which give the front a unique appearance. The add-on part on the front bumper in platin grey or black emphasises the car's crossover character.

PANORAMIC ROOF

To add a more individual signature to daily driving, the KAMIQ can be equipped with the optional black panoramic roof.

*Overseas Model Shown

SIDE VIEW

Characteristic lines on the sides of the car enhance its dynamics as shaped by ŠKODA's design language. The impression is even stronger with SunSet tinted windows, which not only accentuate the attractiveness of the exterior, but also protect rear passengers from glare.

REARVIEW

With the unmistakable ŠKODA inscription in the back the car proudly declares its family allegiance. The add-on part on the rear bumper with integrated diffuser in platin grey or black, accentuating the generous clearance, gives the car rear an exceptionally robust appearance.

**BECAUSE YOU DON'T
FOLLOW OTHERS**

LIGHT DESIGN

TREND-PROOF BEAUTY

Light doesn't just illuminate. It inspires. The unique headlamps and slim long rear lights make the car instantly recognisable, representing a perfect blend of Czech crystal tradition and modern technology.

FULL LED REAR LIGHTS

The KAMIQ features horizontally designed rear lights where the C-shaped illumination, typical of the ŠKODA family, has been updated with a modern twist. This original light signature is accompanied by perfect functionality. The top-end option comes with full LED rear lights, which include animated turn indicators.

FULL LED HEADLAMPS

The top-end option is all about LED technology including corner function, fog lamps and animated turn indicators adding dynamism to the car.

INTERIOR DESIGN

YOUR PERSONAL PLACE TO BE

Inside the KAMIQ you will feel right at home. The interior, which matches the design of the exterior with its self-confidence and total functionality, offers exceptional spaciousness, quality materials including attractive décor and cutting-edge digital technology.

VIRTUAL COCKPIT

The Virtual Cockpit displays on-board computer specifications in combination with other information such as navigation, for example. You can choose from five layouts (modern view shown) controlled via the 'View' button on the steering wheel. The KAMIQ's Virtual Cockpit features a 10.25" display. Standard on Monte Carlo only, optional on other models.

AMBIENT LIGHTING

Make your space more cosy and comfortable with LED ambient lights running along the dashboard. Your car can be equipped with white, red or copper lighting.

STYLE AND FUNCTIONALITY

The KAMIQ's interior is furnished with quality materials and great craftsmanship. Multiple combinations of upholstery and décor mean you can give your car a unique personality. Thanks to the beautifully shaped and comfortable seats, you will feel fresh even after a long drive.

SIMPLYCLEVER

FROM BIG IDEAS TO THE SMALLEST DETAILS

Think big. Every detail in your car has been designed to make your travelling hassle-free. From loading your luggage, adjusting the interior space and finding room for your belongings.

UMBRELLA STORAGE COMPARTMENT

An ingenious compartment is fitted inside the driver's door. It is designed to let water drain away from the car, keeping the interior dry.

TOWING DEVICE

The KAMIQ has a foldable towing device with electric release. The switch is in the luggage compartment. Optional extra

ELECTRICALLY-CONTROLLED 5TH DOOR

It opens and closes at the mere touch of a button on the remote control or in the driver's door, especially handy in unfavourable weather. You can also adjust the upper door position to suit your needs. A button for closing the 5th door is also located on the door itself. Optional extra

DOOR EDGE PROTECTION

When opening all side doors, plastic strips eject and cover the edges. In this way, the KAMIQ protects itself against damage as well as being considerate to other cars. Perfect for tight parking spaces, for instance. Optionalextra

DOUBLEFLOOR

The double floor places the bottom of the luggage compartment on the loading edge level, facilitating easier luggage handling. In addition, it provides a discrete storage place. Optional extra

**LIQUID RESERVOIR**

You will never spill a single drop when refilling the washer fluid. The liquid reservoir is not only easily accessible, but also has an integrated funnel.

**FOLDABLE TABLES**

Practical foldable tables with drink holders can be found integrated in the front seat backrests. Optional extra

LUGGAGE COMPARTMENT

PACKED WITH CREATIVITY

Even the KAMIQ's luggage compartment represents what creative design means. The boot is fitted with features ensuring your stuff stays in its place and your car stays clean. What's more: the generous capacity of 400 litres, and 1,395 litres after folding down the rear seats, puts this car at the top of its class.

HOOKS

The robust hooks on the sides of the luggage compartment make your bags easier to transport and more secure.

DOUBLE-SIDED CARPET

You can use the carpet with the elegant fabric side up when not transporting anything that might make your car dirty and can easily turn it over to utilise the washable rubber side when required.

NET PROGRAMME

One horizontal and two vertical nets increase the flexibility of the luggage space while firmly securing objects.

COMFORT

INNER CONFIDENCE

Loaded with thoughtful features and sophisticated assistant systems, the car will indulge you in absolute comfort and support your driving confidence. Whatever comfort means to you, you will find it inside the KAMIQ.

HEATED SEATS / USB

In cold weather, your friends and family will appreciate the heated rear seats, which are regulated by a separate control on the rear side of the front armrest. Two USB-C slots enable universal mobile phone charging.

Heated seats are standard on Monte Carlo only, optional extra on others

USB

The KAMIQ comes with an enlarged front storage box. This compartment is not only easily accessible but is also suitable for large display devices. Two USB-C ports located in a centre console allow you to easily connect your external devices.

RETRACTABLE MIRRORS

The automatically retractable external side-view mirrors fold in when the car is locked, thus protecting them against damage.

KESY

The car equipped with KESY (Keyless Entry, Start and exit System) or with the simpler version Easy Start features a Start/Stop button on the steering column.

CRUISE CONTROL

Practical Cruise Control or advanced Adaptive Cruise Control up to 210 km/h (see Safety chapter) are both available.

ŠKODA SOUND SYSTEM

Enjoy absolute sound clarity, whether it's music or the spoken word, on the Sound System. The system features ten speakers, including a central speaker in the dashboard and subwoofer in the luggage compartment. Among other features the sound can be adjusted according to how many people are in the car and where they are sitting via the All, Front and Driver profiles. The device offers a total power output of 405 watts. Optional extra

HEATING FUNCTIONS

The heating function of the front windscreen, which quickly clears frost or steam, and heating of the multifunctional steering wheel are controlled via the infotainment system. Optional extra

ELECTRICALLY-ADJUSTABLE DRIVER SEAT

For the best feeling behind the steering wheel, we offer you the electrically-adjustable driver seat. Optional extra

KAMIQ INFOTAINMENT

Attractive design is accompanied by perfect functionality. The new generation of infotainment comes with a display that's positioned high up on the dashboard, in the driver's immediate field of view. Below the display, it also provides an ergonomic wrist rest when operating the screen. The device offers not only convenient touch control, but also gesture control.

AMUNDSEN 9.2* INFOTAINMENT (standard for the Monte Carlo 110kW)

The Amundsen navigation system has a full-glass 9.2" multitouch and gesture-control screen. It comes with 12 speakers, Bluetooth and SmartLink Connectivity. It is paired with Virtual Cockpit as standard.

SWING 6.5" INFOTAINMENT (standard for the Ambition 85kW)

The Swing system is the entry-level infotainment system for the ŠKODA KAMIQ. It comes with a 6.5" touchscreen, 8 Speakers, Bluetooth and Smartlink Connectivity.

Bolero 8" INFOTAINMENT (standard for the Ambition+ 110kW)

The Bolero infotainment system features a large 8" glass-design touchscreen with modern multitouch technology. It comes with 12 speakers, Bluetooth and Smartlink Connectivity.

SAFETY

WE'LL WATCH YOUR BACK

Embark on any adventure with complete confidence. The KAMIQ comes with plenty of assistants supporting your driving skills on the road, helping you with parking and even preventing collisions.

SIDE ASSIST

Using radar sensors in the rear bumper, Side Assist which can detect other vehicles and even less detectable objects like cyclists up to 70 m away, monitors the areas behind and beside your car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

REAR TRAFFIC ALERT

This assistant, which comes as part of the Side Assist system, helps you reverse safely from a parking space during poor visibility. It can even engage the brakes automatically if it detects imminent danger.

MANOEUVRE ASSIST

Using the sensors of the Park Assist, this system offers protection from obstacles within driving distance of the car (at speeds of up to 8 km/h). If an obstacle is detected, based on the distance from the obstacle and the car's speed, the system engages the emergency braking.

PARK DISTANCE CONTROL
Parking the KAMIQ is easier and safer with the parking sensors integrated in the front and rear bumper, which check the car's distance from any obstacles.

PARK ASSIST
Minimise the hassle of parking in tight spots with Park Assist. It automatically selects an appropriate parking spot in a row of parallel or perpendicularly parked vehicles. Optional extra.

FRONT ASSIST WITH PREDICTIVE PEDESTRIAN PROTECTION

The Front Assist system, using a radar device in the front grille, is designed to monitor the distance from the vehicle ahead, including emergency braking function. The KAMIQ comes with Front Assist expanded with predictive pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

ADAPTIVE CRUISE CONTROL

Using a radar device in the front grille, in addition to its basic cruise control function, this assistant system, which operates up to speeds of 210 km/h, maintains a safe distance from vehicles in front of you.

LANE ASSIST

Operating at speeds above 65 km/h, this system can help to keep the car in the correct lane.

SAFETY FIRST, SAFETY LAST

In extreme situations, where the driver cannot actively influence the outcome, the car's passive safety elements take over – like the airbags. You can have your car equipped with up to nine of them.

FRONT AIRBAGS

While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard. If needed, this can be deactivated when a child seat is installed on the front seat.

HEAD AIRBAGS

Upon activation, head airbags create a wall protecting the front and rear occupants against head injury.

KNEE AIRBAG

This airbag, which is located under the steering wheel column, protects the driver's knees and shins.

FRONT AND REAR SIDE AIRBAGS

These four airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision. Rear side airbags optional extra

PERFORMANCE

GREAT PERFORMANCE FOR GREAT CITIES

The engines offer outstanding comfort when driving in or outside the city. The KAMIQ will run quiet, flexible, reliable and economical.

ENGINES

Our offer includes 85kW and 110kW petrol engines with excellent acceleration and high torque. They are both available with a 7-speed DSG transmission

DRIVING MODE SELECT

Activated with the mode button on the centre console, Driving Mode Select offers Eco, Normal, Sport and Individual modes. If the vehicle is equipped with a lowered chassis that is fine-tuned with the Sport Chassis Control, you can choose between Sport mode and Normal mode via Driving Mode Select.

DSG CONTROL

The automatic 7-speed DSG can be comfortably controlled via the multifunctional steering wheel.

MONTE CARLO

WITH HIGHER POLE POSITION

Imagine a distinguished design, comfort and smart technologies all together in one place. The KAMIQ MONTE CARLO features front sports seats, specific red/black upholstery and instrument panel in Monte Carlo design. The multifunctional sports steering wheel comes in perforated leather with distinguished red stitching. The standard equipment also includes black ceiling, pedal covers in alloy design and LED ambient lighting in red or white.

OVERTAKES WITH ITS DESIGN

Take the robustness and dynamic shapes of the first ŠKODA crossover KAMIQ, mix it with the Monte Carlo style and you get an exciting car that confidently demonstrates its championship genes.

STYLE AND FUNCTIONALITY

The Monte Carlo version features a panoramic roof in combination with glossy black roof railings and black rear diffuser.

BLACK FRONT AND SIDE

Being a true member of the Monte Carlo family, the car also comes with front grille frame, add-on part on the front bumper, door sill covers, external side-view mirror caps and alloy wheels in black.

CUSTOMISATION

AMBITION

The standard equipment of the Ambition version includes external side-view mirrors and door handles in the body colour, add-on part on the bumpers in platin grey, Jumbo Box, umbrella compartment including ŠKODA umbrella, storage compartments under the front seats, sunglasses compartment, manual air conditioning, front seats with manually-adjustable lumbar support, and more.

Custom interior package is available to order from factory at time of purchase.

ACCESSORIES

MADE BY ŠKODA, DESIGNED BY YOU

Accessories aren't just fashion fads. With ŠKODA Genuine Accessories, you can transform your car by expanding its practicality, safety and purpose, and make it a lot more suitable for your specific needs.

SMART HOLDER - CLOTHES HANGER

The clothes hanger, which can be mounted on the front seat headrests, is an extremely practical accessory, especially for those who travel to work wearing a suit.

SMART HOLDER - MULTIMEDIA HOLDER

The holder for an external device, which can also be mounted on the front seat headrests, will definitely be appreciated by the rear seat passengers.

SMART HOLDER - HOOK

Handbags or backpacks don't have to take up space on the back seats. Hang them from the smart holder hook fixed to the front headrests.

DOG SAFETY BELT / BACK SEAT PROTECTION

If one of your usual passengers is a dog, we recommend equipping your car with a special safety belt (size S - XL). You will also appreciate the back seat protection.

PROTECTIVE PAD

This protective pad prevents the child car seat from slipping and also protects the car's upholstery against damage and dirt.

DOOR SILL COVERS

The accessories range also includes decorative door sill strips with aluminium insert.

BICYCLE RACK

You can securely attach the lockable bicycle rack for carbon/aluminium frame onto the basic roof rack.

ALL-WEATHER FOOT MATS - RED

The rubber foot mats will help you keep the car interior clean. They can be easily taken out and emptied or wiped clean.

WHEELS

18" SIRIUS anthracite brushed alloy wheels

18" BLADE black matt alloy wheels, brushed

17" STRATOS platinum metallic alloy wheels, brushed

16" ALARIS black alloy wheels

16" NANUQ silver alloy wheels (may be used with 16" snow chains)

WHEEL CARE & STYLE PACK

Car wheels are like shoes. No matter whether the "shoes" of your ŠKODA are stylish, sporty or purely functional, our WHEEL CARE & STYLE PACK (wheel covers, valve caps, safety bolts) offers a multitude of items which will make your wheels even more attractive and totally unique!

BOLT CAPS

Decorative bolt caps for wheels with and without safety bolts.

ŠKODA CARE PRODUCTS

Since ŠKODA wants to stay by your side many years after your purchase and help you with all the situations which may occur during the car's lifecycle, ŠKODA Care products were developed. ŠKODA Care products keep you mobile, provide maximum possible comfort, safety, and good value for money.

ŠKODA 5 YEAR WARRANTY

One of the most reassuring aspects of buying a new ŠKODA is the peace of mind that comes with our standard 5 year/150,000 kilometres warranty - A warranty that offers an exceptional level of cover.

Every new ŠKODA comes complete with the following warranty:

- 5-year (or) 150,000 kilometre warranty for all new ŠKODA cars*
- 2-year warranty for all ŠKODA Genuine Parts and Accessories

- 3-year warranty for vehicle paint defects
 - 12-year warranty for through corrosion
- Prior to undertaking any damage repairs to your vehicle we recommend consulting your vehicle handbook, or contacting your nearest ŠKODA dealer, to ensure the vehicle warranty isn't at risk.

Repairs can only be carried out by a member of the ŠKODA authorised network, ensuring your ŠKODA has the best possible treatment using only ŠKODA genuine parts. This also gives you the benefit of 5 years Roadside Assistance.

Certain exclusions may apply.

ŠKODA SERVICE AND MAINTENANCE PACKAGES

With ŠKODA's 12month/ 15,000km Fixed Service Intervals, you'll know precisely when it needs to be serviced. Having your ŠKODA serviced inline with the manufacturer's requirements will ensure the vehicles longevity and enhance the resale value of your vehicle.

By servicing at an authorised ŠKODA Service Centre your vehicle will be looked after by fully trained ŠKODA technicians using only ŠKODA genuine parts and approved lubricants.

Additionally, they have access to the latest diagnostic equipment and for late model vehicles will be able to record your vehicles service history in the factory "Digital Service Schedule" ensuring those recorded will always be available in the future.
