WRX

Subaru WRX Premium AWD

why WRX?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru WRX has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, the pistons move like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA®¹ and warning labels.

Finest safety

5 star ANCAP safety across the WRX range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru WRX to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru WRX carries the maximum 5 star ANCAP³ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard across the Subaru WRX range.

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Yet another world first

Lineartronic® CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic® CVT provides infinite variability between the highest and lowest available ratios. So you now experience a smoothness that also optimises the efficiency of the vehicle. For even more excitement, switch to manual mode for greater control to suit your driving style. Lineartronic® CVT is available across the Subaru WRX range.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted Subaru Intelligent Drive (SI-Drive) technology standard on all Subaru WRX Lineartronic® CVT variants to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and Sport Sharp (S#) mode – for a truly thrilling drive.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard on Subaru WRX Lineartronic® CVT variants.

Clever thinking

Vision Assist

Imagine if your wing mirrors could alert you when there's something in your blind spot. Or if your car could guide you almost perfectly into a parking spot. We made all this happen and more with Subaru's Vision Assist.

Our suite of proactive safety technologies including Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist, Front View Monitor and Side View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru WRX Premium AWD.

attitude outside, luxury inside

If you're wielding 197kW of muscle car power inside iconic sports styling, you're going to want luxury comfort. The leather steering wheel and gear shift gives you superior feel and control while sports bucket seats hug your body – all trimmed with red stitching. The Subaru WRX Premium AWD also offers heated front seats and black leather¹ trim.

Set the soundtrack and make handsfree calls through the large intuitive LCD touchscreen. A rear view reverse camera covers your rear just as satellite navigation on the Subaru WRX Premium AWD keeps you heading in the right direction. Whatever you do, it'll never be boring.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you

are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty¹. Visit www.subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our Subaru 5 Year/125,000 Kilometre Capped Price Servicing Program², you'll now know the maximum amount you will have to pay for your next scheduled service during

the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®3} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess⁴ (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA^{®3} and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program⁵ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more.

1. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/warranty. 2. Every brand new 2020 Subaru WRX comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. DataDotDNA[®] is a theft deterrent not a theft prevention mechanism. 4. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 5. Subaru's Map Update Program is available on MY20 Subaru WRX variants purchased from 31st July 2019 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program.
