

## LARGE CLEAR INSTRUMENTATION

The clear instrument cluster includes a tachometer, and also a liquid crystal display that gives essential information such as clock, gear selected (CVT), instantaneous and average fuel consumption and remaining driving range.

## AIR CONDITIONING WITH POLLEN FILTER

Comfort is assured with a simple to use pollen-filtered air conditioning unit to help keep the cabin at a temperature that's most comfortable for you.

## AUDIO SYSTEM WITH BLUETOOTH® AND USB INPUT

Celerio's integrated four speaker CD audio system easily connects to an iPod or other music device via a USB port and facilitates handsfree Bluetooth smartphone connectivity.

## DRINK HOLDERS & STORAGE Multiple areas available in the front and back easily accommodate drinks,

valuables and maps.

# 254 L LUGGAGE CAPACITY (VDA METHOD)

The Celerio offers more than enough luggage space to fit your lifestyle. The 60:40 split folding rear seats offer a variety of configurations for those large and odd-shaped items. Luggage hooks stop your shopping bags rolling around in the back and a luggage cover keeps valuables hidden.

## **Power for the people**

Celerio delivers endless possibilities and a whole lot of fun by harnessing the punchy character of an advanced lightweight three cylinder engine design that is as unforgettable as it is fuel-efficient. Taking on the challenges of the city, you'll find that Celerio will produce moments to remember, with agile, sure-footed handling and a tiny turning circle for a great smile-enducing experience.

The Swift-derived suspension has been designed with ride comfort and handling in mind. Beyond achieving great performance, Celerio also incorporates weight-saving and space-saving innovations.

### BRAKES

Enhancements to pedal ratio and booster properties optimise pedal force, deceleration and stroke for smooth braking while innovative weight-reduction measures contribute to fuel saving.

## 5-SPEED MANUAL OR CVT AUTOMATIC

Choose either the smooth-shifting 5-speed manual or continuously variable transmission (CVT) which incorporates an auxiliary gearbox that enhances acceleration and minimizes fuel consumption.

## TURNING RADIUS

Celerio's compact turning radius makes navigating even tight city streets effortless.

## COMPACT DIMENSIONS

Small on the outside, yet large on the inside. Celerio's easy-to-handle compact dimensions also provide plenty of interior space.

## HIGH-RIGIDITY, LOW-WEIGHT BODY

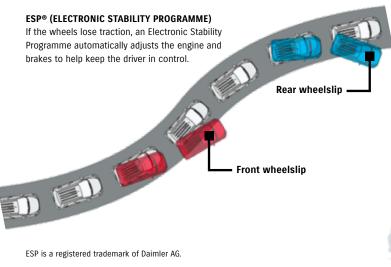

Making effective use of high-tensile materials, Suzuki Total Effective Control Technology (TECT) realises a high-rigidity, low-weight body that improves collision safety.

## SIX AIRBAGS FOR ADDED SAFETY

Front and curtain airbags mitigate the impact to driver and the front passenger in the event of a collision. The front side airbags lessen the impact to the chest and lumbar area.

Brake Assist adjusts braking force when the brake pedal hasn't been fully depressed in an emergency braking situation. Based on the speed at which the brake pedal is depressed, the onboard computer determines whether it is an emergency braking situation and adds brake force to achieve optimum deceleration.
