The Amarok

Since launch in 2011 the Amarok has taken on the toughest of Australian out-back trails and the roughest of worksites. The Amarok adds a fresh face and premium feel cabin to the legendary workhorse package.

Powerful Bi-turbo diesel engine.

Responsive 132kW of power and up to 420Nm of torque .

Unique drive combination.

The enhanced grip with the option of Permanent 4x4 (4MOTION) with 8-speed automatic gearbox.

High level of grip on every terrain.

Outstanding off-road ABS and Hill Descent Assist.

Multi-Collision Braking System.

This new system triggers braking post collision to help prevent secondary collisions.

New exterior design.

An aggressive new front look, plus new 17" alloy wheel design.

New interior design.

Redesigned dash panel, including air-vents and upper dash storage space.

Modern infotainment systems.

New multimedia system with App-Connect* and voice recognition.

Largest tray in its class.

Still the only ute in its class to fit a pallet between the wheel arches.

Rugg

*App-Connect is compatible for selected apps with the latest smart phone versions of iOS and Android.

ed Good Looks

When Power Meets Effi

The 2.0L TDI engine with up to 132kw of power and 420Nm of torque.

The legendary Volkswagen Commercial Vehicle 2.0L TDI engine has proven itself as worksite and bush trail ready. With not one but two Turbo-chargers, this Bi-turbo unit delivers power and torque from super low revs ensuring a smoother and more enjoyable driving experience.

2.0L TDI400 (132kW, 400 Nm).

Average fuel consumption from 8.0L / 100km~

2.0L TDI420 (132kW, 420 Nm).

4x2: Average fuel consumption from 8.4L / 100km~

4x4: Average fuel consumption from 8.5L / 100km~

Engine image is for reference only and may vary from final installed unit.

01 8-speed automatic gearbox.

The Amarok is the only vehicle in its class that offers the flexibility and performance of the 8-speed automatic transmission. The 1st gear is designed for off-road driving, whereas the 8th gear is optimised for economy driving at highway speeds.

6-speed manual gearbox and Selectable 4x4 (4MOTION) - not illustrated.

The robust 6-speed manual gearbox offers responsive and smooth gear changes for all driving conditions. The manual transmission is combined with the dual range Selectable 4x4 system.

02 Permanent 4x4. This always-on 4x4 system with Torsen differential excels on all surfaces. Torque is mechanically distributed from front to rear (40:60) with the ability to drive distribution to each wheel optimised by traction control intervention.

03 Selectable 4x4. The 4x4 drive system with a transfer case enables the front wheels to be electrically engaged and disengaged while driving. On steep inclines or longer stretches of challenging terrain an additional reduction gear set can also be engaged.

01 New "Composition Media" system

The crystal clear 6.33" colour touch screen is packed with the latest multimedia functions, including App-Connect* and Bluetooth®. For added convenience the telephone functions can be voice activated. | DC | CE | CP |

02 App-Connect*

With this function, selected apps are mirrored from your smart phone to the touch screen of the radio or navigation system display via the USB port and controlled using the touchscreen. | DC | CE | CP |

12V sockets (not illustrated). With up to three 12V sockets inside the vehicle: one in the dash panel, one in the central console and one in the second row of seats. | CP |

03 New "Discover Media" navigation system.

In addition to the functions of the "Composition Media" radio system with six loud speakers, there is a second integrated SD-card slot which is compatible with the SD-card with the map data. | CP |

04 Voice Control.

You are free to operate the telephone and audio functions without taking your hands off the steering wheel. Furthermore, you can call up virtually all menus and notifications on the radio using voice control. | DC | CE | CP |

The Amarok introduces a new class of interior to the Australian ute market.

The Amarok Core Plus (shown) offers a premium cloth interior trim with additional under-seat storage, rear grab handles and individual map lamps.

*App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android.

App-Connect featuring Apple CarPlay®

Core Plus interior shown

Standard equipment for the Amarok Dual Cab.

Dual Cab 4x2:

- 16-inch steel wheels
- Height adjustable front seats
- Power mirrors with heating function
- Power windows with one-touch up and down
- Climatic air-conditioning
- Rear bench seat with 3 child seat anchor points
- Heavy duty rubber flooring
- Centre console storage compartment with lid
- 3 point seat belts and headrests for all seating positions
- High level stop light incorporating lighting for tray area
- Leather-covered multi-function steering wheel
- Instrument cluster with multi-function "Plus" display
- Cruise control
- "Composition Media" system
- App-Connect* USB interface
- Multi-Collision braking system

Core 4x4:

- Dual Cab 4x2, Plus:
- Selectable or Permanent 4x4 (4MOTION) systems
- Engine under body protection (plate type)
- 16-inch 'Korama' alloy wheels
- Pirelli ATR tyres (245/70 R16)
- Rear bumper, with integrated step
- Rear parking sensors
- 'Rear-view' reversing camera[^]
- 'Core 4x4' decal on tub sides

Standard equipment for The Amarok Core Plus.

Core 4x4, plus:

- 17-inch 'Posadus' alloy wheels
- Radiator grille with single chrome elements
- Extended wheel arches
- Matte black styling bar
- Comfort closing rear tailgate
- Front fog lights
- Colour-coated exterior mirrors and door handles
- Four 12V sockets, (three in cabin and one in tray)
- Parking sensors front and rear
- 'Kemisu' cloth upholstery
- Carpet floor covering
- Rear (B-pillar) grab handles

*App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android.

[^]Safety technologies are not a substitute for the driver's responsibility of the vehicle.

Core Plus model shown

01 Load light. The exterior load light helps illuminate the tray, ideal for early starts or late finishes. | DC | CE | CP |

The smoothest moving tailgate. The comfort feature makes opening and closing the tailgate a breeze, while still rated to carry up to 200kg. | CP |

12V socket (not illustrated). A 12V socket is fitted on the inside of the left side panel. | CP |

Packs A Pallet

The widest tray in its class. No other pickup provides so much space between the wheel arches: the loading width of 1,222 mm even enables Euro pallets to be loaded crosswise. The spacious cargo box with a 2.52 m² load surface features convincing dimensions – such as the 508 mm high side panels and the low loading sill height of 780 mm.

Safety systems.

02 **New automatic Multi-Collision Braking System**. Triggers braking after a collision, with the aim of preventing secondary collisions. After a short delay, the vehicle begins phased braking action down to 10 km/h. | DC | CE | CP |

Electronic Stability Programme (not illustrated). Prevents under or over-steering via targeted braking of individual wheels. | DC | CE | CP |

Front and head/thorax airbags (not illustrated) for the driver and front passenger. | DC | CE | CP |

Height-adjustable head restraints (not illustrated) and 3-point seatbelts are featured throughout, with pretensioners on the front seats. | DC | CE | CP |

03 **Trailer Stabilisation**. Configured for the Genuine Volkswagen tow bar wiring to compliment the Electronic Stability Programme, helping to reduce trailer sway. | DC | CE | CP |

Driver assistance systems.

04 **"Rear View" camera**[^]. Simplifies reversing by showing a limited view of the area behind the vehicle on the display. Static guidelines facilitate the parking process. | DC | CE | CP |

Hill Descent Assist (not illustrated). Allows you to drive down slopes in a safe, controlled way by governing the engine speed and applying the brakes, if necessary. | DC | CE | CP |

Park Pilot (not illustrated). Emits audible warnings when obstacles are detected in front of or behind the vehicle when parking, and provides a visual display. | DC | CE | CP |

Cruise control (not illustrated). As of a speed of 30 km/h, it maintains the set speed depending on uphill and downhill inclines. | DC | CE | CP |

Mechanical rear differential lock (not illustrated). When activated ensures both rear wheels receive the same amount of power and rotations. This offers optimal traction on sandy or slippery surfaces. | DC | CE | CP |

Hill Start Assist (not illustrated). Prevents the vehicle from rolling back on inclines and makes it easier to start off on uphill slopes. | DC | CE | CP |

[^] Safety technologies are not a substitute for the driver's responsibility of the vehicle.

Volkswagen Accessories

01 Load surface liner

5 piece load liner that "Packs a Pallet". The high impact material provides a non-skid surface whilst protecting the tub.

02 "Aragonit Black Edition" alloy wheel

19-inch ARAGONIT alloy wheel in black.

03 Tow bar

As robust as the Amarok itself: The towbar is designed specifically for this vehicle. The tow bar wiring harness ensures that trailer stability control is activated, helping to mitigate trailer sway.

04 Styling Bars

The Volkswagen genuine sports styling bars adds quite the impression to the Amarok. Designed to fit with the Volkswagen genuine hard lid, soft tonneau cover, rolling cover and tubliner. Available in polished stainless steel and black.

05 Side steps

Available in polished stainless steel and black, the side steps give the vehicle a sportier, more dynamic feel that can hold up to 200kg.

06 Rolling Cover

Rolling cover with its unique retractable design providing multiple opening positions and the benefits of a built-in tailgate lock.

Volkswagen Choice: Protecting your investment.

Volkswagen Choice

Guaranteed Future Value

We're out to prove that there still are some guarantees in life. We've developed Volkswagen Choice[^] - a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value of your vehicle will be down the track. With Volkswagen Choice[^], you can enjoy your car without worrying about what the future will bring, providing peace of mind.

At the end of your term,
you can simply choose to:

Trade-in

Your existing vehicle and purchase a new Volkswagen under the Volkswagen Choice Program

Retain

Make an offer to purchase/refinance the vehicle

Return

Hand the vehicle back and receive the Guaranteed Future Value[#]

To find out more, go to www.volkswagen.com.au/en/choice.html

[^]The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage or Consumer Loan for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. [#]The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344

General information

Owning a Volkswagen

Volkswagen New Vehicle Warranty

Every new Volkswagen Amarok is covered by a three year unlimited kilometre manufacturer's warranty, which includes Volkswagen Assist (24-hour roadside assistance). Every new Volkswagen Amarok is also covered by a 3 year paintwork and 6-year anti-corrosion perforation warranty. For further information regarding this New Vehicle Warranty terms and conditions, please consult your local Volkswagen dealer or visit www.volkswagen.com.au. Your rights under this warranty sit alongside the consumer guarantees under the Competition and Consumer Act 2010 which cannot be excluded.

Volkswagen Assist – 24-Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Workshop. As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

Volkswagen Genuine Parts®

Volkswagen Genuine Parts® are designed for your vehicle and approved by Volkswagen, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, Volkswagen recommends the use of Volkswagen Genuine Parts®. Your authorised Volkswagen Dealers offers a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase (exclusions apply), visit www.volkswagen.com.au.

Volkswagen Financial Services

Buying, borrowing or leasing, Volkswagen Financial Services will certainly make you think differently about financing and insuring your new Volkswagen. Committed to meeting the needs of Volkswagen drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. We can tailor a solution to suit your individual requirements, so you can rest assured that there will be no surprises along the way. Speak to your local participating authorised Volkswagen Dealer today to put together a solution that best suits your lifestyle.

Volkswagen Choice Guaranteed Future Value^

Volkswagen Choice is a finance program available to approved applicants of Volkswagen Financial Services only, which provides Volkswagen owners protection around your Volkswagen's future value#, whilst offering a simple monthly instalment financing option. Enjoy the peace of mind of knowing the minimum value you can receive for your vehicle at the end of your contracted term. You can choose to either trade-in, return or retain your Volkswagen – it's your choice. Learn more about how to protect your investment by visiting www.volkswagen.com.au/en/choice.html today.

Volkswagen Assured Service

What you can expect as standard when servicing through our authorised Volkswagen dealer network is an expert team, trained by Volkswagen utilising specialist Volkswagen diagnostic equipment ensuring they're able to cater for all of your Volkswagen's servicing and repair needs. They also have access to the full Volkswagen Genuine Parts catalogue making sure any part replaced during a service or repair is replaced with a Volkswagen Genuine Part. What's more, your Volkswagen will be returned in immaculate condition, cleaned and vacuumed. Add these together and you can rest assured there's no better place to keep your Volkswagen running like a Volkswagen.
