# The Caddy

Perfect for all that everyday life has in store.

# Caddy People Mover.

Caddy Maxi Trendline

Caddy Trendline

## NEW GENERATION PETROL ENGINE

with BlueMotion Technology standard.

## LOW FUEL CONSUMPTION.

From as low as  
6.0 L/100km#.

## STATE OF THE ART INFOTAINMENT SYSTEMS.

New radios and functions, intuitive  
control and excellent connectivity.

## MAXIMUM FUNCTIONALITY AND FLEXIBILITY.

Wide sliding doors and folding, double-folding and removable  
rear seats.

## HIGH STANDARDS IN MATTERS OF SAFETY.

Forward Collision with City Emergency Braking\*,  
Multi-collision Brake and Driver Fatigue Detection\*  
systems, plus six airbags as standard.

## LATEST DRIVER ASSISTANCE SYSTEMS.

From Adaptive Cruise Control\* to "Front Assist" with City  
Emergency Braking\* to a Rear View Camera\*.

## LOW LOADING SILL HEIGHT.

For easier loading and unloading.

## Caddy Maxi Comfortline

## Standard for Caddy Trendline.

Available in Short (5 seat) and Maxi (7 seat) body styles

### Exterior

- Halogen headlights
- Daytime Running Lights (DRL)
- Dual sliding doors, 701mm wide
- Body coloured bumpers, door handles, mirror housings and cover plate for sliding doors
- Tailgate with spoiler and soft touch closing system
- 16-inch steel wheels with wheel covers

### Interior

- Second row of seats, folding and removable
- Third row of seats, folding and removable (optional for Short)
- Cleverly thought out storage system including roof shelf
- Leather-wrapped steering wheel, height and reach adjustable
- "Kutamo" cloth seat upholstery
- Central console with centre armrest and three cup holders
- Front seats, height adjustable, with storage underneath
- "Dark Silver Brushed" decorative trims
- Luggage compartment cover

### Function

- Start/stop system and regenerative braking
- Bluetooth® phone and audio streaming compatibility
- "Composition Colour" radio system with USB/AUX/SD
- Multi-function display trip computer
- Steering wheel audio controls
- Cruise Control
- Central locking with radio remote control
- Power windows and heated exterior mirrors
- Air conditioning

### Safety

- Forward Collision with City Emergency Braking\*
- Driver Fatigue Detection\*
- Hill-Start Assist
- Multi-Collision Brake (MCB)
- Electronic Stabilisation Programme (ESP)
- Traction Control System (TCS)
- Anti-Lock Braking System and Brake Assist
- Driver and front passenger front and side/head airbags
- Rear curtain shield airbags for 2nd row of seats
- Driver and front-seat passenger seat belt warning
- Servotronic speed-dependent power-assisted steering
- Rear Park Distance Control\*
- Rear View Camera\*

## Additional standard equipment for the Caddy Comfortline.

Available in Maxi (7 seat) body style only

### Exterior

- 16-inch "Bendigo" alloy wheels
- Dual halogen headlights
- Colour-coded protective side strips
- Rear privacy glass
- Black roof rails
- Additional chrome accents

### Interior

- "Pandu" cloth seat upholstery
- "Checker Plate Titan" decorative trims
- Front seat lumbar support
- Folding tables for second row passengers
- Additional chrome accents

### Function

- "Composition Media" radio with App-Connect<sup>^</sup>
- "Climatronic" air conditioning with anti-allergen filter
- 12V socket on upper dashboard
- Centre console armrest longitudinal adjustment

### Safety

- Front fog lights
- Light & Sight package

\*Safety technologies are not a substitute for the driver's responsibility of the vehicle. <sup>^</sup>App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android

# Space for everything.

Up to seven seats.

Or up to 3,880 litres load volume.

Workdays, Sundays, holidays. Every day is different. That is why the seats in the second row of the Caddy can be easily folded, double-folded or, if necessary, removed. Third row seats (if fitted) can also be folded or removed. This creates the space needed for big shopping trips, and transporting small furniture. The low loading sill height and the even load surface make loading and unloading as easy as possible.

Seats  
2

As a 2-seater, the Caddy with short wheelbase boasts an impressive 3,030L loading space volume – ideal for delivery jobs.

The second row of seats is divided in a ratio of  $\frac{2}{3}$  and  $\frac{1}{3}$ . This provides plenty of individually customisable usage possibilities.

Seats  
3

Double-folding the second row of seats opens up a loading space volume of 2,852L.

Seats  
4

Seats  
5

The 3-seater bench seat provides ISOFIX attachment points on the outer seats and top tethers for all three seating positions.

The 2-seater third row bench seat is standard for Caddy Maxi and optional for the short wheelbase model.

The Caddy Maxi is 47cm longer, and offers 530L of luggage space, even with seven people on board.

Overseas model shown.

# Interior & Comfort.

**01 High quality interior.** Take a seat. Enjoy Caddy's redesigned interior with quality trims, comfortable seats, ample storage and many other comfort features.

**02 Folding table for rear seats.** Practical on long-distance journeys, fold-up tables in the backrests of the front seats provide second row passengers with an easy to clean surface, and an integrated cupholder. | CL |

**03 12V sockets.** All Caddys have 12V sockets in the front console and at the rear of the centre console, within easy reach of 2nd row passengers. The socket in the luggage area is perfect for charging portable cooler boxes or larger devices. The Caddy Maxi Comfortline has an additional 12V socket in the dashboard upper storage tray.

**Leather trims (not illustrated).** The leather trimmed gear lever knob and boot, and handbrake lever give Caddy Comfortline a premium look and feel. | CL |

**Air conditioning (not illustrated).** The semi-automatic air conditioning has an infinite adjustment, so that a pleasant interior temperature can be ensured at all times. Thanks to ergonomic buttons and knobs, the temperature in degrees, air distribution, and fan speed can be easily regulated while driving. | TL |

**04 "Climatronic" air conditioning with anti-allergen filter.** The "Climatronic" system controls the temperature electronically with the help of an interior sensor, and constantly compares the actual temperature with the desired temperature. Thanks to the 2-zone temperature control, the temperature in degrees can be individually set for the driver and front passenger. At the same time, an air quality sensor monitors the quality of the air outside, and automatically activates the air circulation function, if necessary. | CL |

**05 Overhead shelf.** The generous overhead shelf lets you store items out of sight, but still within easy reach from the front seats. | TL | CL |

**06 Light and Sight package.** Sensors dim the rear view mirror automatically when the lights of the vehicle behind are too bright, and regulate the intervals of the windscreen wipers during rain. The automatic driving light control switches the headlights on automatically when it starts to get dark. The package also features "coming home" and "leaving home" functions. | TL | CL |

# Exterior.

**01 Privacy glass.** Tinted side and rear windows for the passenger compartment are standard for Comfortline. They screen the interior from view, and provide excellent protection from solar radiation. | CL |

**02 Bi-Xenon headlights.** The Bi-Xenon headlights produce both high and low beams, and illuminate the roadway significantly better than conventional halogen headlights. They also impress thanks to their low energy consumption. Offered in conjunction with LED daytime running lights (DRL) and tinted tail lights. | TL | CL |

**03 Roof rails.** These enhance the appearance of the vehicle and can carry a maximum load of 100kg. The Caddy Comfortline is equipped as standard with a black rail, while a silver version is optionally available for Comfortline. | CL |

**04 Tailgate with window.** The smooth-functioning tailgate can be opened with one hand. When open, it offers protection from rain and sunshine during loading and unloading. A third brake light is integrated into the spoiler. The tailgate is equipped with a soft touch closing system. | TL | CL |

Overseas model shown.  
App-Connect featuring Apple CarPlay®

## Technology.

State of the art radio and navigation systems, mobile connectivity

**01 App-Connect<sup>^</sup>.** Stay connected wherever you go with App-Connect – one of the world's first smartphone-integrated car infotainment systems that's compatible across three interfaces – Apple CarPlay®, Android Auto™ and MirrorLink®. Once your smartphone has been connected via USB, you can manage a select range of apps straight from the head unit. Fitted with Composition Media and Discover Media systems. | TL | CL |

**02 Leather-covered multi-function steering wheel.** It gives you a good grip and is extremely user-friendly. The radio or navigation system, a mobile phone or the cruise control can be controlled using the buttons. | TL | CL |

**Multi-function display (not illustrated).** It shows current information such as the time, remaining range, outside temperature and average consumption. In conjunction with the optional navigation system, it also shows directional arrows for convenient navigation.

| TL | CL |

**Mobile phone interface (not illustrated).** A wireless Bluetooth® interface enables you to make phone calls safely and conveniently during the journey using a microphone and the vehicle loudspeakers. It can be controlled via the multi-function display or the touch screen display of the radio system. | TL | CL |

**03 Electronic voice amplification.** This ensures that the driver does not have to speak loudly in order to talk to the passengers in the rear compartment. The voice input is recorded through a hands-free microphone, amplified, and then transmitted over the loudspeakers in the rear. Only available with "Discover Media".

| TL | CL |

**04 Voice control.** Greater comfort and safety thanks to the voice control system: You are free to operate the telephone, navigation and audio functions without taking your hands off the steering wheel. Furthermore, you can call up virtually all menus and notifications on the radio or navigation system displays using voice control. Only available with "Discover Media".

**07 "Discover Media" navigation system.** In addition to the functions of the "Composition Media" radio system, there is a second integrated SD-card slot which is compatible with the SD-card with the map data.

| TL | CL |

**05 "Composition Colour" radio system.** The system consists of a 12.7 cm (5 inch) TFT colour display, an MP3- and WMA-compatible CD drive, four loudspeakers, an SD-card slot, AUX-IN and USB interface as well as a dual tuner with phase diversity for optimal radio reception. Bluetooth® connection for mobile phone is standard.

**06 "Composition Media" radio system.** The system consists of a 16.5 cm (6.33 inch) TFT colour display, a touch screen with proximity sensor, an MP3- and WMA-compatible CD drive, six loudspeakers, a dual tuner with phase diversity for optimal radio reception, an SD-card slot, an AUX-IN interface, a USB port and a Bluetooth® connection for mobile phones. App-Connect\* is standard with "Composition Media".

| TL | CL |

# The latest standards in safety.

## The extensive technology package for the Caddy.

To ensure that every drive ends as stress-free as it begins, the Caddy is equipped with various safety systems, which are activated in critical situations as a preventative measure. One of the onboard standard equipment is the Multi-Collision Braking System. Moments after an accident, the vehicle begins a phased braking action down to 10 km/h in order to prevent secondary collisions. Should an impact nonetheless result, driver, front passenger, side/head airbags and for the first time rear curtain shield airbags will provide optimal protection to front and second row passengers.

**Driver Fatigue Detection\***. Uses visual and acoustic warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates tiredness. | TL | CL |

**Anti-Lock Braking System (ABS)**. Prevents wheel lock and, thus, maintains manoeuvrability. | TL | CL |

**Brake Assist System**. Registers the speed at which the brake pedal is pressed. During a reflexive or emergency braking action, it ensures that full brake pressure is built up more quickly. | TL | CL |

**Electronic Stabilisation Programme**. It prevents under- or over-steering via targeted braking of individual wheels. | TL | CL |

**Traction Control System (TCS)**. Prevents wheelspin. | TL | CL |

**Electronic Differential Lock (EDL)**. Distributes the engine torque to the tyres without slippage. | TL | CL |

**Hill Start Assist**. Prevents the vehicle from rolling off on inclines and makes handling easier when starting off on uphill slopes. | TL | CL |

**Daytime Running Lights**. Switch on automatically when the ignition is activated and lower the risk of an accident in daylight. | TL | CL |

**Cruise Control incl. speed limiter**. As of a speed of 30 km/h, it maintains the desired speed depending on uphill and downhill inclines or limits the top speed to a value selected by the driver. | TL | CL |

**Seat Belt Warning**. If their seat belts are not fastened, the seat belt warning reminds the driver and, for the first time, the front passenger to fasten their belts with a visual warning when the engine is started, and an acoustic warning after setting off. | TL | CL |

**Multi-Collision Braking System**. Triggers braking after a collision, with the aim of preventing secondary collisions. The Multi-Collision Braking System activates when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to 10 km/h, during which the driver can take over at any time. | TL | CL |

**Airbags**. The Caddy comes with driver and front passenger airbags as standard, and side/head airbags too. Also standard are head airbags to protect rear passengers in the outer seats of the second seating row in the event of a side-on collision. | TL | CL |

\*Safety technologies are not a substitute for the driver's responsibility of the vehicle.

**01 Rear Park Distance Control\***. Emits audible warnings when obstacles are detected behind the vehicle when parking, and also provides a visual display of the vehicle's distance from the obstacles (Discover Media shown). | TL | CL |

**02 Rear View Camera\***. Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio or navigation system. Additional static guidelines facilitate the parking process (Discover Media shown). | TL | CL |

**Adaptive Cruise Control ACC\***. Automatically adapts the vehicle's speed to that of the vehicle driving in front and maintains the distance set by the driver. At the same time, it remains within the set speed. Only with Driver Assistance Package I. | TL | CL |

**"Front Assist" ambient traffic monitoring system with City Emergency Braking System\***. Uses a radar system to detect situations where the distance to the vehicle in front is critical, and reduces the vehicle's stopping distance. In dangerous situations, the system alerts the driver by means of visual and acoustic signals, and with a warning jolt of the brakes. Only with Driver Assistance Package I. | TL | CL |

**"Park Assist" parking steering assistance\***. Handles multi-step parking into parallel and bay parking spaces. When the reverse gear is engaged, the vehicle automatically assumes control of the steering. All the driver has to do is operate the clutch, accelerator, and the brake. Only with Drivers Assistance Package II. | TL | CL |

**Fog lights with integrated static cornering light**. Ensures optimal visibility in poor weather conditions. The headlight nearest to the corner illuminates the roadside when turning. Only with Drivers Assistance Package I. | TL | CL |

\*Safety technologies are not a substitute for the driver's responsibility of the vehicle.

---

Economical fuel consumption.  
Powerful driving.

## Advanced petrol engine.

---

Caddy's 1.4L TSI220 engine delivers 92kW of power and is fitted with BlueMotion Technology as standard. The combination of direct injection and turbocharging makes this engine smooth, efficient and, despite the low cylinder capacity, very powerful.

Power transmission to the front wheels is the task of the smooth-running dual clutch gearbox DSG gearbox.

---

## Reduced fuel consumption thanks to BlueMotion Technology.

---

Volkswagen models with BlueMotion Technology are in line with the "Think Blue" concept: to develop fuel-efficient vehicles that place less burden on the environment over their entire lifetime. That is why every Caddy is equipped with a start/stop system and regenerative braking.

**Start/stop system.** The system helps you to drive economically, and switches off the engine when you come to a stop. This can reduce fuel consumption especially in urban traffic or stop-and-go situations.

**Regenerative braking (recuperation).** Frictional energy is stored during braking, and converted into electrical energy by a generator. This is then stored in the car battery and available for electricity consumption.

# Specifications and weights

Engine	1.4 litre TSI220 BlueMotion Technology
Type	4 cylinder inline turbocharged direct injection petrol with engine Start/Stop system <sup>^</sup>
Max power, kW @ rpm	92 @ 4,800
Max torque, Nm @ rpm	220 @ 1,500-3,500

Standard for Comfortline  
Optional for Trendline

17" alloy wheel - ROCKHAMPTON.  
Optional for Comfortline.

Full vehicle specifications are available at [www.volkswagen.com.au](http://www.volkswagen.com.au)

<sup>^</sup>The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

<sup>\*\*</sup>Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1. The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

<sup>‡</sup> Please note, Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

# Volkswagen Choice: Protecting your investment.

**Volkswagen Choice**

Guaranteed Future Value

We're out to prove that there still are some guarantees in life. We've developed Volkswagen Choice<sup>^</sup> - a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value of your vehicle will be down the track. With Volkswagen Choice<sup>^</sup>, you can enjoy your car without worrying about what the future will bring, providing peace of mind.

At the end of your term,  
you can simply choose to:

## Trade-in

Your existing vehicle and purchase a new Volkswagen under the Volkswagen Choice Program

## Retain

Make an offer to purchase/ refinance the vehicle

## Return

Hand the vehicle back and receive the Guaranteed Future Value<sup>#</sup>

To find out more, go to [www.volkswagen.com.au/en/choice.html](http://www.volkswagen.com.au/en/choice.html)

<sup>^</sup>The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage or Consumer Loan for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. <sup>#</sup>The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344

# General information

## Owning a Volkswagen

### **Volkswagen New Vehicle Warranty**

Every new Volkswagen vehicle is covered by a three year unlimited kilometre manufacturer's warranty, which includes Volkswagen Assist (24-hour roadside assistance). Every new Volkswagen vehicle is also covered by a 3 year paintwork and 12-year anticorrosion perforation warranty. For further information regarding this New Vehicle Warranty, including pricing and terms and conditions, please consult your local Volkswagen dealer or visit [www.volkswagen.com.au](http://www.volkswagen.com.au). Your rights under this warranty sit alongside the consumer guarantees under the Competition and Consumer Act 2010 which cannot be excluded.

### **Volkswagen Assist – 24-Hour Roadside Assistance**

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Workshop. As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

### **Volkswagen Genuine Parts®**

Volkswagen Genuine Parts® are designed for your vehicle and approved by Volkswagen, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, Volkswagen recommends the use of Volkswagen Genuine Parts®. Your authorised Volkswagen Dealers offers a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase (exclusions apply), visit [www.volkswagen.com.au](http://www.volkswagen.com.au).

### **Volkswagen Financial Services**

Buying, borrowing or leasing, Volkswagen Financial Services will certainly make you think differently about financing and insuring your new Volkswagen. Committed to meeting the needs of Volkswagen drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. We can tailor a solution to suit your individual requirements, so you can rest assured that there will be no surprises along the way. Speak to your local participating authorised Volkswagen Dealer today to put together a solution that best suits your lifestyle.

### **Volkswagen Choice Guaranteed Future Value^**

Volkswagen Choice is a finance program available to approved applicants of Volkswagen Financial Services only, which provides Volkswagen owners protection around your Volkswagen's future value#, whilst offering a simple monthly instalment financing option. Enjoy the peace of mind of knowing the minimum value you can receive for your vehicle at the end of your contracted term. You can choose to either trade-in, return or retain your Volkswagen – it's your choice. Learn more about how to protect your investment by visiting [www.volkswagen.com.au/en/choice.html](http://www.volkswagen.com.au/en/choice.html) today.

### **Volkswagen Assured Service**

What you can expect as standard when servicing through our authorised Volkswagen dealer network is an expert team, trained by Volkswagen utilising specialist Volkswagen diagnostic equipment ensuring they're able to cater for all of your Volkswagen's servicing and repair needs. They also have access to the full Volkswagen Genuine Parts catalogue making sure any part replaced during a service or repair is replaced with a Volkswagen Genuine Part. What's more, your Volkswagen will be returned in immaculate condition, cleaned and vacuumed. Add these together and you can rest assured there's no better place to keep your Volkswagen running like a Volkswagen.

# Technical Specifications

<b>Engine</b>	<b>1.4 litre TSI220 BlueMotion Technology</b>
Type	4 cylinder inline turbocharged direct injection petrol with engine Start/Stop system^
Max power, kW @ rpm	92 @ 4,800
Max torque, Nm @ rpm	220 @ 1,500–3,500
Cubic capacity, litres/cc	1,395
Bore/stroke, mm	74.5 x 80
Compression ratio	10.5 : 1
Fuel type (recommended)	Premium unleaded 95 RON minimum
<b>Transmission</b>	<b>7 Speed DSG</b>
Driven wheels	7 Speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function
<b>Fuel consumption**</b>	
Combined, L/100 km	6.0
Urban, L/100km	7.0
Extra Urban, L/100 km	5.4
Fuel tank capacity, L	55
<b>Running gear</b>	
Suspension	
Front axle	MacPherson strut with double wishbone and anti-roll bar
Rear axle	Rigid rear axle on leaf springs with load-dependent damper and anti-roll bar
Steering	Electro-mechanical power-assisted rack & pinion steering
Brake systems	Anti-Lock Braking System (ABS) with Electronic Brake-Pressure Distribution (EBD), Brake Assist and Electronic Stabilisation Program (ESP). Brake Energy Recuperation.
Brakes	Power assisted Hydraulic
Front	Ventilated Disc (312mm)
Rear	Disc (272mm)

^The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

\*\*Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

# Volkswagen Choice: Protecting your investment.

**Volkswagen Choice**

Guaranteed Future Value

We're out to prove that there still are some guarantees in life. We've developed Volkswagen Choice<sup>^</sup> - a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value of your vehicle will be down the track. With Volkswagen Choice<sup>^</sup>, you can enjoy your car without worrying about what the future will bring, providing peace of mind.

At the end of your term,  
you can simply choose to:

## Trade-in

Your existing vehicle and purchase a new Volkswagen under the Volkswagen Choice Program

## Retain

Make an offer to purchase/refinance the vehicle

## Return

Hand the vehicle back and receive the Guaranteed Future Value<sup>#</sup>

To find out more, go to [www.volkswagen.com.au/en/choice.html](http://www.volkswagen.com.au/en/choice.html)

<sup>^</sup>The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage or Consumer Loan for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. <sup>#</sup>The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344

# General information

## Owning a Volkswagen

### Volkswagen New Vehicle Warranty

Every new Volkswagen vehicle is covered by a three year unlimited kilometre manufacturer's warranty, which includes Volkswagen Assist (24-hour roadside assistance). Every new Volkswagen vehicle is also covered by a 3 year paintwork and 12-year anticorrosion perforation warranty. For further information regarding this New Vehicle Warranty, including pricing and terms and conditions, please consult your local Volkswagen dealer or visit [www.volkswagen.com.au](http://www.volkswagen.com.au). Your rights under this warranty sit alongside the consumer guarantees under the Competition and Consumer Act 2010 which cannot be excluded.

### Volkswagen Assist – 24-Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Workshop. As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

### Volkswagen Genuine Parts®

Volkswagen Genuine Parts® are designed for your vehicle and approved by Volkswagen, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, Volkswagen recommends the use of Volkswagen Genuine Parts®. Your authorised Volkswagen Dealers offers a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase (exclusions apply), visit [www.volkswagen.com.au](http://www.volkswagen.com.au).

### Volkswagen Financial Services

Buying, borrowing or leasing, Volkswagen Financial Services will certainly make you think differently about financing and insuring your new Volkswagen. Committed to meeting the needs of Volkswagen drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. We can tailor a solution to suit your individual requirements, so you can rest assured that there will be no surprises along the way. Speak to your local participating authorised Volkswagen Dealer today to put together a solution that best suits your lifestyle.

### Volkswagen Choice Guaranteed Future Value^

Volkswagen Choice is a finance program available to approved applicants of Volkswagen Financial Services only, which provides Volkswagen owners protection around your Volkswagen's future value#, whilst offering a simple monthly instalment financing option. Enjoy the peace of mind of knowing the minimum value you can receive for your vehicle at the end of your contracted term. You can choose to either trade-in, return or retain your Volkswagen – it's your choice. Learn more about how to protect your investment by visiting [www.volkswagen.com.au/en/choice.html](http://www.volkswagen.com.au/en/choice.html) today.

### Volkswagen Assured Service

What you can expect as standard when servicing through our authorised Volkswagen dealer network is an expert team, trained by Volkswagen utilising specialist Volkswagen diagnostic equipment ensuring they're able to cater for all of your Volkswagen's servicing and repair needs. They also have access to the full Volkswagen Genuine Parts catalogue making sure any part replaced during a service or repair is replaced with a Volkswagen Genuine Part. What's more, your Volkswagen will be returned in immaculate condition, cleaned and vacuumed. Add these together and you can rest assured there's no better place to keep your Volkswagen running like a Volkswagen.

^The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. #If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
