Transport

Only 100% quality products are given the Volkswagen Genuine name.

Laboratory testing:

Corrosion test in saltwater spray systems, UV resistance, environmental compatibility and many additional laboratory tests examine all the relevant material properties. The climate chamber subjects the products to extreme temperatures.

Endurance:

Whether short distances, high-speed or route profiles of varying difficulty – durability under continuous load conditions is tested. The special road endurance test is carried out with a distance of 20,000 km using the maximum permissible load and a variety of different testing profiles.

Test track:

Test drives with maximum acceleration both forwards and to the sides, for instance by weaving around obstacles, emergency braking or over cobblestones subject the accessories to extremely hard tests over and over again.

01

01 Roof Bars

The genuine roof bars provide the base for all roof attachments and are aerodynamically designed to suit the Golf Alltrack.

Part no. 5G9071151A

02

02 Surfboard holder

Bringing your surfboard safely to its destination: The rubber-coated surfboard carrier and a special rubber protector for the metal clamps on the tensioning straps provide extra protection during transport.

Part. no. 000071120HA

03

03 Bicycle carrier, fork mounted

Part. no. 7M0071128D

04

04 Kayak holder

No bouncing, no slipping: developed specially for kayaks up to 25 kg in weight, the holder adapts itself perfectly to the shape of the kayak. Four moveable rubber supports secure the kayak during transport. Strong tension belts ensure that the kayak is well fastened.

Part no. 1K0071127A

05

05 Comfort ski and snowboard holder

When it comes to top of the mountain, there's nothing better on top. You can take up to six pairs of skis or up to four snowboards on the roof of your vehicle, comfortably and safely. The lockable ski and snowboard holder can quickly be mounted on the roof bars and is easy to operate.

06 Bicycle holder

The aerodynamic bicycle holder has a quick-fastening system that makes it easy to fit and can be locked for piece of mind.

Part. no. 000071128F

01

01 Premium Roof box

The aerodynamic roof box provides an impressive combination of minimal driving noise together with simple and quick installation using a quick-action clamping mechanism. The box is fixed to the carrier through pumping movements of the quick-action clamping mechanism. Further highlights: comfortable and easy opening from both sides thanks to the innovative "DuoLift system" and the pneumatic springs integrated at the front and rear as well as optimal anti-theft protection through a 3-point central locking system. The roof box manufactured using DUROKAM® thermoplastic is UV-resistant, light, dimensionally stable, impact-resistant and durable. Max. load capacity: 75 kg. Colour: Gloss Black.

Part. no. 000071200AD 340 Litre, 190cm Length Gloss black finish

Part. no. 000071200AE 460 Litre, 230cm Length Gloss black metallic finish

02

02 Standard Roof box

The roof box with a volume of approx. 340 litres has an optimised aerodynamic design that minimises unpleasant driving noises as far as possible. The roof box has been adapted to the modern design line of the new Volkswagen models. It opens from one side and is equipped with a 2-lock system.

Part. no. 000071200

Overseas model shown

03

03 Urban Loader roof box

The new and innovative Urban Loader roof box with an expandable loading volume provides additional cargo space and is perfectly suited for transporting shopping, bags, suitcases, pushchairs and sporting equipment along with many other everyday necessities. The loading volume of the roof box can be quickly and easily increased from 300 litres to 500 litres when needed. The zipper allows it to be opened on both sides for loading and unloading. The intelligent jointed steel frame with two springs enables simple opening and closing.

Max. load capacity: 50kg.

Part. no. 000071200DJKA

03

03 Towbar kit

The genuine towbar has been designed and developed using the latest CAD ensuring perfect integration with the Golf Alltrack chassis. Made from high quality materials and tested to meet stringent Australian and Volkswagen engineering standards.

01

01 Luggage compartment tray

A perfect fit: Can be wiped clean and is acid-resistant, the robust and durable luggage compartment tray with Golf lettering easily keeps your luggage compartment clean. With circumferential edging, approximately 4 cm high.

Part. no. 5G9061161

02 Luggage compartment reversible mat with protective flap

The perfectly fitting, reversible luggage compartment mat helps out when you have sensitive, dirty or damp goods to take. You can choose from soft and gentle velour on one side or sturdy, anti-slip plastic nubs on the other. To make things even easier, a built-in protective cloth can be folded out from the reversible mat to help avoid scratches to the loading sill when you're loading and unloading.

Part. no. 5G906121071N

Overseas model shown

Comfort and Protection

02

03

03 Luggage compartment loadliner

The high-cut luggage compartment loadliner with Golf lettering is hard-wearing, acid-resistant and suitable for anything which tends to make a mess during transport, such as dirty shoes or plants. The loadliner protects the luggage compartment against all kinds of dirt and is easy to clean due to its smooth plastic surface and wide ribs. Stretch bands in the rear corners and a hook fitted to the rear wall provide effective attachment options.

Part. no. 5G9061162

01

Golf Wagon shown

02

03

01 Slimline weathershields, front

Enjoy the circulating fresh air, even when it is raining or snowing, or avoid the unpleasant build-up of heat on hot days by opening the windows slightly.

Part. no. 5G4072193HU3

For front

02 Mud flaps

Protect your own vehicle and the one behind from flying dirt, dangerous stone impacts and spray water with these durable mud flaps.

03 Loading sill protection plate

The loading sill protection in stainless steel provides instant, stylish protection for an even more premium look to your vehicle.

Part. no. 5G0071310A19A

Overseas model shown

Note

The specially designed structure of the sun blind provides protection from the sun's rays and effective thermal insulation.

04

04 Sun blind

The Volkswagen Genuine sun blind can be used as optimal sun protection, as well as for thermal insulation. One set for the rear window, rear door windows and luggage compartment side windows.

Part. no. 5G9064365

05

05 Rubber floor mats

Keeping the footwell clean all year round: The perfectly fitting and durable floor mat set with Golf lettering on the front mats are attached to the vehicle floor using the integrated fastening system to prevent slipping. Colour: Black.

Part. no. 5G2061502A82V
For front, 1 set = 2 pieces

Part. no. 5G0061512A82V
For rear, 1 set = 2 pieces

Volkswagen Travel and Comfort System

The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various attachments which brings comfort and convenience to any journey.
