The Passat. Refined, advanced, elegant.

Confident, charismatic and sophisticated, everything about the Passat and Passat Estate exudes confidence. Making its appearance as the eighth generation of a best-selling car that has sold nearly 22 million models since 1973, the Passat features advanced technologies and sophisticated assistance systems, providing new levels of comfort, luxury and performance. And that’s not all. The innovative lightweight design combined with sustainable engine technology reduces emissions, operating costs and fuel consumption. With its cutting-edge design, technologies and engines, the Passat and Passat Estate are as versatile, progressive and sophisticated as you could wish for.

Model shown is Passat GT 2.0 BiTDI 240 PS 4MOTION with optional 19" ‘Verona’ alloy wheels and metallic paint.
Engineering and design sets a new benchmark in the Passat and Passat Estate. Sharp styling includes a longer wheelbase, shorter body overhangs and a dynamic silhouette with distinctive tornado line, accented by trapezoidal headlights and rear lights, creating an imposing road presence. The redesigned interior complements the sophisticated exterior, with a host equipment and advanced features providing sublime levels of comfort, convenience and luxury. Inside and out, this is functionality at its most stunning: sleek, stylish and dynamic.
However long or short your journey, you’ll always sit comfortably in the Passat. Stylish, durable and ergonomically designed to provide maximum comfort and support, seats are available in a range of contemporary upholsteries and leathers. Standard front seats provide manual height and lumbar adjustment, while SE models and above feature the awarded ergoComfort front seat for the driver, providing lumbar support, seat cushion tilt adjustment, thigh support and electric backrest adjustment, enabling you to find the optimum position for your spine easily and quickly. With the spacious interior providing more head and legroom than ever before, there’s plenty of room for family, friends and equipment, especially in the Passat Estate. School run, weekend away or driving to work, driving has never been so easy or relaxed.

Sitting comfortably? Then your journey can begin.

Interior shown is Passat Estate GT with optional smoking pack, net partition and metallic paint.
More space. 
More versatility. 
More possibilities.

Whether you’re taking a business trip or going on a major shopping expedition, the Passat and Passat Estate are designed to meet your every need. Optional keyless entry includes hands free boot or tailgate opening, which opens the boot or tailgate remotely, ideal if your hands are full, while the variable boot floor is height adjustable and removable, providing plenty of room for all your equipment or purchases. In the Passat Estate, the load volume increases to a massive 1,780 litres with the back seats folded down, providing all the space you could ask for. Versatile, flexible and even more spacious than ever, you can rely on the Passat to keep you organised.

01 Integrated child seats*

are convenient, practical and easy to use, available for children weighing 15 – 36 kg and up to 1.5 m tall. Designed to provide optimal side support, they help ensure the safety of small occupants. Optional on all models. Image shown features optional ‘Nappa’ leather.

02 – 04 To extend the boot space, simply release the rear seat backrest either from the boot or the rear seat. The variable boot floor helps facilitate loading and unloading, while the optional cargo management system or optional luggage compartment divider pack keeps luggage secure. Cargo management system and luggage compartment divider pack are optional on all estate models.

* Integrated child seats are only available on standard Titan Black upholstery or optional Titan Black leather upholstery.

Whether you’re taking a business trip or going on a major shopping expedition, the Passat and Passat Estate are designed to meet your every need. Optional keyless entry includes hands free boot or tailgate opening, which opens the boot or tailgate remotely, ideal if your hands are full, while the variable boot floor is height adjustable and removable, providing plenty of room for all your equipment or purchases. In the Passat Estate, the load volume increases to a massive 1,780 litres with the back seats folded down, providing all the space you could ask for. Versatile, flexible and even more spacious than ever, you can rely on the Passat to keep you organised.
Enjoy the sky above like never before thanks to the Passat’s optional panoramic sunroof. Creating a well-lit, airy passenger compartment, it lets in three times more light than a conventional sunroof, and in the Passat Estate, an additional panoramic sunroof to the rear provides even more light and space. What better way to enjoy a starry night or sunlit day? Optional on all models.
The intelligent way to drive.

With numerous driving assistants to help share the workload, the Passat provides all the on-board help you could need. Smart, intelligent and capable, this is a car made for sophisticated drivers who delight in innovative technology.

01 Predictive Pedestrian Protection, part of the optional Driver’s Assistance Pack and Driver’s Assistance Pack Plus, warns you if it detects, in addition to vehicles, any pedestrians at the edge of the road or on the pedestrian crossing or on the roadside wall, as well as a narrow gap between the vehicles. It even performs an emergency stop should the distance become critical, perfectly suited not only to your but also other road users from potential accidents. Optional on all models and above.

02 Trailer Assist including Park Assist, anyone who has tried to manoeuvre a vehicle with a trailer attached understands how complicated this can be. The world’s first Trailer Assist helps you manoeuvre with a trailer attached, safely and accurately. The optical display monitors actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled to the mirror adjustment switch. Only on SE models and above. Only in conjunction with the optional swivelling towbar.

03 Traffic Jam Assist takes the stress out of driving in congested traffic by maintaining a constant distance from the vehicle in front preventing you from having to continually stop and start in slow moving traffic. The camera and radar sensor controlled system accelerates, decelerates and even stops the vehicle in times of high traffic. This keeps the vehicle on the lane in congested traffic, maintaining a safe distance from the vehicle in front. Should the vehicle drift out of its lane, guiding the driver back onto the lane again to maintain a safe distance. Not only does it help avoid nose-to-tail collisions, it also guides you safely through narrow sections and tight roadwork lanes. Traffic Jam Assist is part of the optional Driver's Assistance Pack Plus. Must be ordered in conjunction with optional LED premium headlights.

04 Area View: Four cameras located in the boot lid, door mirrors and radiator grille provide a 360-degree view around the Passat helping you manoeuvre safely in any direction. From the display menu, the driver can select the camera view; front, rear, side or bird's-eye view, on either full or split-screen, displayed on the Passat’s infotainment system. Optional on SE models and above. Not in conjunction with rear-view camera.

Please refer to your Volkswagen owner’s manual for information on system parameters and official guidance on use and operation of all our technology.

01 The Composition Media system is equipped with a 6.5 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, CD player, MP3 (Media Player Interface for USB connections for compatible products and SD card reader). The media system also includes Bluetooth telephony and audio connection for compatible devices, manufacturer’s pairing of 2 compatible mobile devices. MPR functionality – allowing you to listen, store and send MP3 songs using the touch-screen display to a compatible Apple or Android device. Features also include media playback from MP3, WAV, MMC and AUX (through six speakers), front and rear with a 25 watt output. Car information display and Think Blue. Trainer – provide journey analysis and driver tips on how to achieve more fuel efficient driving. Standard on S, BlueMotion and SE models.

02 The Discover Navigation touch-screen navigation/DVD radio system with integrated voice activation, Car-Net ‘Guide and Inform’, Car-Net ‘App-Connect’ and Car-Net ‘Guide and Inform Plus’, can be operated intuitively via the 8.0 inch TFT colour touch-screen, enabling you to manage music and navigation data. Eight powerful HD speakers deliver sensational surround sound and the DVD system is compatible with MP3 and WAV files. It also offers an AUX input for MP3 files, two SD card readers, photo display from MP3 and WAV files, voice control and USB connection. The Discover Navigation Pro also features. Traffic and information that provides online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather, news feeds and Google Earth. In addition, the Car-Net ‘Guide and Inform’ combines the functionality of a RDS Traffic, Google Satellite Maps and trip computer and includes: lane guidance, display and operation of the navigation system and traffic information via the 8 inch TFT touch-screen. Display and operation of traffic and audio and voice control (if supported by the app). Usage of infotainment apps only while driving. Only available with compatible smartphones including iPhone 5 and 6. Please see www.volkswagen.co.uk to check smartphone compatibility. Optional on all models.

03 The Discover Navigation Pro touch-screen navigation/DVD radio system with integrated voice activation, Car-Net ‘Guide and Inform’, 3D Satellite Navigation and Car-Net ‘Guide and Inform Plus’, builds upon the impressive Composition Media system. But with additional features enabling you not only to play your music, but also to exchange data and broadcast a range of vehicle information. The system offers preloaded European navigation data, with TMC (Traffic Message Channel) traffic messages and three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, speed limits of interest and Traffic Sign Display. It offers Car-Net ‘Guide and Inform’ and remote access to utilities to enable traffic information and remote control of the navigation system. Features also include media playback from MP3, WAV, MMC and AUX (through eight speakers), front and rear with a 28 watt output. Car information display and Think Blue. Trainer – provide journey analysis and driver tips on how to achieve more fuel efficient driving. Standard on S, BlueMotion and SE models.

04 The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.

05 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

06 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information.
Concert hall acoustics. Living room luxury.

01 The multifunction leather steering wheel with multifunction display enables you to operate the radio and phone without taking your hands off the wheel, and GT, Alltrack, and R-Line models equipped with automatic DSG transmission, feature paddle shift for ease of operation. A heated steering wheel is optionally available on SE*, SE Business*, GT and Alltrack models. On warm days, climate control – automatic air conditioning with automatic air recirculation ensures a pleasant interior temperature to suit the individual preference of driver, front and rear seat passengers. Optional on SE and SE Business models. Standard on GT models and above.

02 The ‘Dynaudio Confidence’ sound system provides concert hall acoustics via a ten channel digital amplifier, delivering 700 watts output through ten speakers, optimally located around the cabin to ensure unique sound quality for every occupant. Optional on SE models and above.

* Must be ordered in conjunction with Winter pack or leather upholstery.
With Car-Net ‘Guide and Inform’ 1 your Passat becomes a mobile network using your smartphone’s WiFi hotspot. You can access up-to-the-minute information directly from the internet, allowing you to benefit from continually updated information while you travel, such as online traffic information, fuel prices, parking space availability, weather forecasts, and access to up-to-date news feeds. Car-Net ‘Guide and Inform’ includes a voice-controlled software update, enabling you to download the latest map data. With Car-Net ‘Guide and Inform’ access is standard on SE Business models and above, and included with optional navigation systems for S and BlueMotion models.

Please contact your authorised Volkswagen retailer for full details. 3-year Car-Net ‘Guide and Inform’ access is standard on SE Business models and above, and included with optional navigation systems for S models.

Whether you are using a phone, radio or radio/navigation system, Voice activation allows you to control everything by spoken command. Available commands are shown on the screen, and your chosen text is highlighted in red. After activation, a red symbol indicates that the instruction has been accepted. Optional on all models. Voice activation is standard on Discover Navigation Pro touch-screen navigation/DVD radio systems.

The optional Car-Net ‘App-Connect’ combines functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™, allowing ‘mirroring’ of smartphone display on the infotainment touch-screen via USB connection. Only available with compatible smartphones including iPhone 5 and 6. Volkswagen apps such as ‘Think Blue. Trainer’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Optional on all models. Car-Net ‘App-Connect’ is included with the optional Discover Navigation Pro touch-screen navigation/DVD radio system.

1 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more info. The use of Car-Net and other voice services entails a subscription fee. Any relevant charges will be included in your mobile telephone bill. Further information is available from your dealer. An annual subscription is required for the continuation of ‘Guide and Inform’ services.

Business or personal, practical or sporty, the choice is yours.

Versatile and adaptable, the Passat and Passat Estate has room for your passengers, luggage and more. Depending on your requirements, seven models are available: the S, BlueMotion, SE, SE Business, GT, Alltrack and R-Line, each offering varying levels of trim, ranging from practical and elegant to luxurious and sporty. Whichever you select, you’ll benefit from a host of advanced features and refinements.
Passat and Passat Estate S.

The Passat S models are equipped with a whole range of innovative assistance systems fitted as standard, helping to ensure the highest levels of safety, practicality and convenience. Inside, the luxurious interior is fitted with stylish ‘Hampshire’ cloth upholstery, front seats with lumbar adjustment, a leather trimmed three-spoke multifunction steering wheel and gear knob, and ‘Brushed chrome’ decorative inserts in the dash, centre console and door gills. Chrome-plated instrument and air vent surrounds, interior lighting with a delay and dimming function create a comfortable ambiance, while the 60:40 split folding rear seat backrests (40:20:40 on estate models) offer greater flexibility when carrying luggage or loads, especially in the Passat Estate. Image shown features optional multifunction colour display.

01 Automatic Post-Collision Braking System starts the brake operation after impact, and brakes for as long as necessary to reduce the speed of the vehicle to prevent or minimise further collisions.

02 Press and drive (Keyless start) enables you to start the engine using a button in the centre console, without taking the key from your pocket.

03 16 inch ‘Aragon’ alloy wheels with 215/60 R16 low rolling resistance tyres add a touch of refinement to the exterior of the Passat S.

04 The Composition Media system with 6.5 inch colour touch-screen display, DAB digital radio, Bluetooth telephone and audio connection, MIB (Multi Device Interface), SD card reader, single CD player and ‘Think Blue. Trainer’ with driver tips and journey analysis.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible. Please contact your authorised Volkswagen retailer for specific phone compatibility.
The new Passat BlueMotion.

The Passat Saloon and Estate BlueMotion models are equipped with lowered sports suspension, lowering the body by approximately 15mm. Along with the reprofiled radiator grille, air resistance is reduced which helps to improve fuel consumption and roadholding. Also contributing is the weight-saving innovative lightweight construction and refined panel gap transition with larger gear ratios. Features such as active lift-off function that opens part when the vehicle is stationary, battery regeneration (deactivation – energy recovery during braking), and visual gear change recommendation also help to achieve optimum fuel consumption.

The Passat BlueMotion models are fitted with a 2.0-litre TDI engine. The engine has an innovative cylinder deactivation system, which increases fuel efficiency. The engine is mated to a six-speed direct shift automatic transmission.

The unique BlueMotion badge identifies the cleanest and most eco-friendly cars in our range, all designed to lessen the impact of driving on the environment. The distinctive ‘BlueMotion’ badging adorns the front, back and sides of these very special Passat models.

17 inch 'Soho' alloy wheels with 215/60 R17 tyres add style and charisma to the exterior of the Passat BlueMotion.

The Passat Saloon and Estate BlueMotion models are equipped with lowered sports suspension, lowering the body by approximately 15mm. Along with the reprofiled radiator grille, air resistance is reduced which helps to improve fuel consumption and roadholding. Also contributing is the weight-saving innovative lightweight construction and refined panel gap transition with larger gear ratios. Features such as active lift-off function that opens part when the vehicle is stationary, battery regeneration (deactivation – energy recovery during braking), and visual gear change recommendation also help to achieve optimum fuel consumption.

The BlueMotion Passat returns 76.3mpg1 on the Combined Cycle with CO2 emissions of 95g/km1, and performance is not compromised either. The Saloon model accelerates from 0-62mph in just 10.8 seconds on its way to a top speed of 130mph where the law permits, while Estate models boast a respectable 0-62mph in 11.0 seconds and a top speed of 129mph where the law permits.

As well as impressive performance, the new Passat Saloon and Estate BlueMotion offer exceptional levels of comfort and refinement. Features including 17 inch ‘Soho’ alloy wheels, uniquely shaped BlueMotion front and rear bumpers, a chrome trimmed front air intake and radiator grille with blue stripes, lowered sports suspension and distinctive ‘BlueMotion’ badging, create an exterior that is aerodynamic, sporty and exciting.

Fuel consumption and CO2 figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models, but may not reflect the actual fuel consumption or CO2 emissions of your vehicle. Please see page 57 for more information. More information is available on the following website www.volkswagen.co.uk and at www.dft.gov.uk/vca.
The well-appointed Passat SE models build on the S level specification with impressive levels of comfort and luxury and many advanced features. The refined interior is beautifully equipped with ‘Kensington’ cloth upholstery, an ergoComfort driver’s seat with electric backrest and seat cushion tilt adjustment and front passenger’s seat with height and lumbar adjustment. Front and rear carpet mats, ‘Diamond Silver’ decorative inserts in the dash, centre console and door panels, and LED entrance/warning lights in the front doors and further mirror Jazz, white, twin covered cup holders in the front and rear through provision in the saloon’s rear bench provide practical extra touches. The latest version of the driver profile selection takes the Passats to a new level of comfort and relaxation. This driver assistance system brings together numerous settings, allowing you set the perfect and optimal position, and personalise settings such as wing mirrors, map and route settings, radio stations, air conditioning, ventilation, windows and interior lighting.

Building upon the impressive Passat SE, the Passat SE Business models are equipped with an even higher level of specification, providing such features as front fog lights, front anti-whiplash head restraints, remote-controlled electric mirrors, and the Discover Navigation system with 3 years Car-Net ‘Guide and Inform’ internet access providing a range of information, including traffic, fare pricing, parking space availability, weather and news feeds.

Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to reduce the severity of a collision or even prevent the collision entirely. Standard on SE and SE Business models.

The Discover Navigation touch-screen navigation/radio system with Car-Net ‘Guide and Inform’ offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC’s, located points of interest and Traffic Sign Display. 3-year Car-Net ‘Sailor and Inform’ access makes it possible to integrate traffic information into your route guidance and from public and personal points of interest to favourite destinations. City emergency braking system, remote control and faster touch interface.

Discover Navigation Pro touch-screen navigation/DVD radio system with Car-Net ‘Guide and Inform’ 1 offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC’s, located points of interest and Traffic Sign Display. 3-year Car-Net ‘Sailor and Inform’ access makes it possible to integrate traffic information into your route guidance and from public and personal points of interest to favourite destinations. City emergency braking system, remote control and faster touch interface.

Standard on SE and SE Business models.

The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.
The Passat and Passat Estate GT models exude exclusivity, providing the ultimate in attention to detail and craftsmanship. Inside, luxurious seats feature Alcantara seat centre section and 'Vienna' leather* side bolsters, while brushed aluminium decorative inserts in the dash and door panels, Piano Black decorative inserts in the centre console and ambient lighting create elegance and style. Other luxurious features include climate control – 3Zone electronic air conditioning with automatic air recirculation, Discover Navigation system with 3 years' access to Car-Net ‘Guide and Inform’, remote electrically foldable door mirrors and door mirror puddle lights, and heated rearview mirror washer jets.

Front fog lights with static cornering function and chrome trimmed surround aid vision in poor weather, while enhancing the front design, and rear lights incorporating LED technology with dynamic lighting effect give a distinctive look to the rear.

18 inch ‘Oxford Anthracite’ alloy wheels with 235/45 R18 self-sealing tyres are eye-catching and sporty.

Heated front seats add luxury and comfort in the cold weather, giving the interior an especially warm and welcome feel in winter.

The Passat GT 2.0 litre BiTDI 240 PS 4MOTION features a number of refinements, including Dynamic Chassis Control (DCC) providing a choice of Sport, Comfort and Normal Settings. LED premium headlights with projector reflectors look sensational and include signature dual ‘U’ shaped LED daytime running lights, 12 separate LEDs performing the indicator function, dynamic curve lighting and headlight washers to keep them clean. Stylish trapezoid exhaust tailpipes complete the look.

* Some parts of leather interior will contain artificial leather.
The new Passat Alltrack.

The new Passat Alltrack is designed to take you off the beaten track. Exceptional off-road performance provides all terrain capability, from smooth and steep to rough and rugged, allowing every day to become an adventure. Its 4MOTION four wheel drive system combines with a raised ground clearance and an ‘Off-road’ setting with full auto mode to deliver truly outstanding off-road driving characteristics.

Externally, the ‘Alltrack’ styling pack is designed to impress with uniquely shaped off-road front and rear bumpers, a chrome trimmed radiator grille and front air intake, roof-shelf tailored bumpers and unique ‘Kalamata’ 18” alloys. Additionally, prominent off-road wheels and off-road bumpers, chrome plated sun visor and door mirror, chrome plated air intake and off-road mirrors and chrome plated door handles ensure this is a car that’s built for action.

Front fog lights with static cornering, heat insulating rear tinted glass, silver anodised roof rails and rear lights with LED technology complete the look, delivering the ultimate in off-road style.

A wealth of interior refinements ensure you travel in comfort and style, whatever the terrain. Reflecting the new Passat Alltrack’s off-road character are such details as stylish ‘Summit’ fabric upholstery, ‘Tracks’ decorative inserts in the dash, centre console and door panels, brushed stainless steel pedals and door sill protectors with the unique ‘Alltrack’ logo.

3-zone electronic climate control with automatic recirculation enables you and your passengers to choose their preferred interior temperature, while ambient lighting, heated exterior mirrors, electrically adjustable side mirrors and door mirror puddle lights, provide the highest levels of interior luxury. Quite literally, it’s the full package and more.

01 18 inch ‘Kalamata’ alloy wheels, anthracite wheel arch protection and raised off-road suspension providing up to 27.5mm increased ground clearance ensures exceptional off-road driving capability.

02 The interior of the Alltrack is upholstered in robust ‘Summit’ upholstery in Titan Black featuring the ‘Alltrack’ logo in the centre section.
The Passat and Passat Estate – R-Line

Sporty, stylish and dynamic, the Passat R-Line models have an equally impressive specification with enhanced body styling and a number of additional features, offering even greater levels of functionality, comfort and performance. The exterior of the R-Line is immediately identifiable with its distinctive ‘R-Line’ styling pack consisting of front and rear bumpers, radiator grille and side skirts. Front fog lights with static cornering function and chrome decorative trim and 18 inch ‘Monterrey’ alloy wheels complete the elegant, agile look. For those seeking the ultimate R-Line experience, the Passat R-Line 2.0 litre BiTDI 240 PS 4MOTION provides stunning performance along with a number of additional refinements, including Dynamic Chassis Control (DCC) providing a choice of Sport, Comfort and Normal settings, LED premium headlights with projection technology, dual ‘U-shaped’ LED daytime running lights, 12 separate LEDs which perform the indicator function, dynamic curve lighting and headlight washers, and XDS electronic differential lock for improved traction and handling.

Elegant and eye-catching, the Passat R-Line is designed to get your pulse racing. The driver’s ergoComfort seat and passenger’s front seat feature ‘Race’ seat centre sections and ‘Vienna’ leather* side bolsters, creating a luxurious and inviting interior, with the distinctive ‘R-Line’ logo embossed on the front head restraints, echoing the ‘R-Line’ logo displayed on the leather trimmed three-spoke multifunction steering wheel with aluminium inserts, stainless steel pedals and matching unique ‘R-Line’ carpet mats, decorative inserts and door sill protectors.

Model shown is Passat Estate R-Line 2.0 BiTDI 240 PS 4MOTION with optional 19” ‘Verona’ alloy wheels and Pure White non-metallic paint.

Passat and Passat Estate R-Line.
Alloy wheels.

Stylish alloy wheels contribute to the charismatic road presence of the Passat and Passat Estate, with a choice of elegant or sporty designs adding a touch of individuality.

01 'Aragon' 6½J x 16 alloy wheels with 215/60 R16 low rolling resistance tyres and anti-theft wheel bolts. Standard on S models.

02 'Soho' 7J x 17 alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Standard on BlueMotion models. Optional on SE and SE Business models.

05 'Kalamata' 7J x 18 alloy wheels with 245/45 R18 self-sealing tyres and anti-theft wheel bolts. Standard on Alltrack models.

06 'Monterey' 8J x 18 alloy wheels with 235/40 R19 self-sealing tyres and anti-theft wheel bolts. Standard on R-Line models.

07 'Istanbul' 7J x 17 alloy wheels with 215/55 R17 tyres and anti-theft wheel bolts. Optional on BlueMotion models.

08 'Sepang' 6½J x 16 alloy wheels with 215/60 R16 tyres and anti-theft wheel bolts. No cost option on SE and SE Business models.

09 'Nivelles Anthracite' 7J x 17 alloy wheels with 215/60 R17 tyres and anti-theft wheel bolts. Optional on SE and SE Business models.

10 'Marseille Anthracite' 8J x 19 alloy wheels with 235/45 R19 tyres and anti-theft wheel bolts. Optional on SE and SE Business models.

11 'Verona' 8J x 19 alloy wheels with 235/40 R19 tyres and anti-theft wheel bolts. Optional on GT and R-Line models.

12 'Albertville' 8J x 19 alloy wheels with 245/40 R19 tyres and anti-theft wheel bolts. Optional on Alltrack models.

Please note, the addition of larger optional wheels may result in a higher CO₂ emission figure and change in VED band, and subsequently an increase in the Manufacturer's Recommended 'On the road' Retail price. Please see pages 60-61 for full details.
Think Blue.
Sustainability + Ingenuity.

Think Blue is Volkswagen’s desire to create progressive, environmentally friendly products and processes. We have already started by creating electric vehicles, BlueMotion models and BlueMotion Technologies with the aim of optimising fuel economy and emissions.

Start/Stop technology
Start/Stop technology automatically switches off the engine when the car isn’t in motion.

Turbocharged engines
Turbocharged engines deliver more power when you need it and use less fuel when you don’t.

Brake energy recuperation system
Brake energy recuperation system saves fuel by recovering energy when breaking, automatically switching off the engine when the car isn’t in motion.

Low rolling resistance tyres
Low rolling resistance tyres save you fuel by reducing the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

Purpose-built BlueMotion cars
Purpose-built BlueMotion cars include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance and increase efficiency.

Electric vehicles
Electric vehicles comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts combined with improved driving efficiency and low operating costs.

*BlueMotion Technologies are available on all Volkswagens, excluding Phaeton, and vary between models.

There’s a Volkswagen for all of us.

Nippy city run around? Luxurious executive salon? Open-top cruiser? Whatever it is you’re looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there’s a Volkswagen for everyone.

If you’re thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there’s bound to be at least one that catches your eye.

**4x4**

**Touareg:**
The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, ‘4MOTION’, as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: new Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

**Sporty**

**Golf:**
As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

**Beetle:**
The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

**City run around**

**up!**:
The ideal city car. Efficient, fun and scooping up passengers, with that trademark Volkswagen solidity.

If you’re looking for something slightly more spacious, then why not consider the up’s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf.

**Style**

**Beetle:**
The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

**Spacious family cars**

**New Sharan:**
The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dog.

If it’s space you’re after, then you might also like to consider the Touareg, Golf SV, Golf Estate, Tiguan and Passat Estate.

If you’re thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there’s bound to be at least one that catches your eye.

**Executive**

**Volkswagen CC:**
Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of ‘European Car of the Year 2015’.

**Spacious family cars**

**New Sharan:**
The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it’s space you’re after, then you might also like to consider the Touareg, Golf SV, Golf Estate, Tiguan and Passat Estate.

If you’re thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there’s bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

The powerful 2.0 litre BiTDI 240 PS 4MOTION with DSG gearbox produces a massive 500Nm of torque, accelerating the Passat saloon from 0-62mph in just 6.1 seconds and the estate model in a respectable 6.3 seconds. As well as featuring XDS electronic differential lock and Dynamic Chassis Control (DCC), the 2.0 litre BiTDI 240PS 4MOTION features trapezoid tailpipes and LED premium headlights to ensure that it looks just as good as it drives.

Brakes

- Front disc brakes and rear disc brakes
- Asbestos-free brake pad
- Electronically controlled Anti-lock Braking System (ABS)
- Distribution (EBD)
- Brake Control
- XDS electronic differential lock (2.0 litre BiTDI SCR 240 PS 4MOTION only)

Transmission

- Electronic differential lock, combined with a hydraulically operated single plate dry clutch with automatic lock-up and manual override
- Manual gearbox 6-speed
- Automatic gearbox 7-speed DSG
- 4Motion Active Control

Running gear

- ESC (Electronic Stability Control) including ESP (Electronic Differential Lock) (03)
- 205/55 R17 (91V) (405) cont. rim wheel in line with R17 (91V) (405) tyre. Available with 205/55 R16 (91V) (405) tyre and 7-speed DSG

Technology.

Technical specification notes

01) The maximum power output figures are quoted in PS (Pferdestärke, which is the metric equivalent of horsepower) to convert to kW (K.Watt) to imperial horsepower, divide the PS figure by 1.36015. 02) Figures are calculated in accordance with manufacturer’s criteria. The individual vehicle’s actual fuel consumption and CO2 emissions will depend on the vehicle’s condition, style of driving, traffic conditions, actual payload and the degree to which it is fitted with factory-fitted and optional equipment. The figures quoted do not include the feature: XDS, drive profile and suspension (differential control) with BI direct select. 03) Automatic DSG gearbox: maximum 15% incline. Every 1,000m above sea level the vehicle’s maximum incline (grade) must be reduced by 1.8% (18/1000 = 0.18). 04) The use of 100% RME and FAME (Bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only). 05) The size of the fuel tank is approved and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck. 06) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only). 07) Figures are calculated in accordance with manufacturer’s criteria. The individual vehicle’s actual fuel consumption and CO2 emissions will depend on the vehicle’s condition, style of driving, traffic conditions, actual payload and the degree to which it is fitted with factory-fitted and optional equipment. The figures quoted do not include the feature: XDS, drive profile and suspension (differential control) with BI direct select. 08) Automatic DSG gearbox – 2200 kg. 09) Automatic DSG gearbox – 750 kg. 10) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only). 11) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only). 12) The use of 100% RME and FAME (Bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only). 13) The use of 100% RME and FAME (Bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel is used, additional 0.1% in the fuel system for increased power. The reduction of CO2 emissions only valid in the period meeting VED (2.0 ltr SCR 240 PS 4MOTION only).

Effect of wheel size on CO₂ emissions and VED Bands
Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car users.

As a result, the VED band that the vehicle falls into increases from its original VED band when fitted with standard size wheels. In some instances, the ‘cost’ paid for the wheel size increase is a result of the increased VED band.

The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-sized wheels and large optional alloy wheels, as well as the increased cost payable due to a change in VED band.
