CO2 emission – combined (g/km)		190	208	208	208	205	205
Front Suspension - Independent McPherson struts, sub frame with coil springs and gas filled dampers.		•	•	•	•	•	•

*Maximum Retail Price (MRP) includes 15% GST and doesn't include on-road costs. Figures will change depending on model derivative and equipment fitted. Cover page is showing European Specification with NZ Options fitted. All measurements listed are based on standard specification vehicles. The actual dimensions may differ slightly from the values stated here. Equipment may affect the unladen weight. A vehicles' actual payload, which results from calculating the difference between the gross vehicle weight and the unladen weight, can only be determined by weighing the individual vehicle. Specifications are subject to change without notice. Fuel consumption tested in accordance with EC directive 1999/94/EC and based on NEDC procedure unless stated otherwise. The fuel consumption is measured on European specification cars and may vary depending on specification, road condition, tyres and driving behaviour.

Please refer to brochure for further information. Issued 6 January 2020.
