Vehicles

## The Caravelle 6.1

# From minivan to VIP shuttle.

**The original.** Setting the benchmark in professional passenger transport for over 30 years.

**Impressive versatility.** The perfect option for a range of requirements due to three equipment packages, two wheelbases, a modular seat attachment system<sup>1)</sup> and multiple seating packages<sup>1)</sup> with up to nine seats.

**Distinctive design.** Completely revamped front end, new alloy wheels<sup>1)</sup>, modified colour scheme and LED headlights<sup>1), 2)</sup> and LED tail light clusters<sup>1), 2)</sup> with eye-catching light signature.

**Proven quality.** Ultra-robust bodywork, durable materials and high-quality workmanship.

**Optimum off-road capability.** 4MOTION All-wheel drive<sup>1), 3)</sup>, dual clutch gearbox DSG<sup>1), 3)</sup>, Hill Descent Assist<sup>1), 4), 5)</sup>, Hill Start Assist<sup>5)</sup> and mechanical differential lock<sup>1), 4)</sup>.

**Modern driver assistance systems.** Now with side protection<sup>1), 5)</sup>, Cross Wind Assist<sup>5)</sup>, lane keeping system<sup>1), 5), 6)</sup>, Park Assist<sup>1), 5)</sup>, Rear Traffic Alert<sup>1), 5)</sup> and trailer manoeuvring system<sup>1), 5)</sup>. The rear view camera system<sup>1)</sup> is now available in conjunction with rear wing doors for the first time.

1) Option at extra charge. 2) As standard in the Caravelle Highline. 3) Not available for all engines. 4) Only available in conjunction with the 4MOTION all-wheel drive. 5) Within the system thresholds. 6) The driver must be prepared at all times to override the assist systems. They are not released from their responsibility to drive with the utmost care. Illustration includes option at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

## From high-quality to high-tech.

**Upgraded standard equipment.** Applies to all equipment lines; includes radio system with hands-free system and USB port, LED interior lighting, central locking and electric windows.

**Relaxed chauffeuring.** Ergonomic driver workplace, electromechanical steering, redesigned dash panel and excellent all-round visibility.

**Excellent connectivity.** 26 cm (10.25 inch) high-resolution colour Digital Cockpit<sup>1)</sup>, new radio and navigation systems with touchscreens up to 23.4 cm (9.2 inch)<sup>2)</sup>, online with integrated SIM card, We Connect mobile online services<sup>3), 4)</sup> and inductive<sup>2)</sup> smartphone charging.

**Premium driving comfort.** Comfortable seats with impact-resistant upholstery, excellent noise insulation, LED reading lights and pleasantly spacious feel with plenty of headroom and legroom.

1) As standard in the Caravelle Highline. Option at extra charge with the Caravelle Comfortline. Not available for the Caravelle Trendline. The presentation of the navigation chart on the display of the Digital Cockpit is only possible in connection with the navigation system "Discover Pro". 2) Option at extra charge. 3) Option at extra charge with the Composition Audio radio system. As standard with all higher-level Infotainment systems. 4) To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract

or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at [portal.volkswagen-we.com](https://portal.volkswagen-we.com), and use the services for the full duration of the agreed free period. Illustration includes option at extra charge. We Connect is not currently available in New Zealand. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

# Take a seat or make room.

The interior of the Caravelle is ready for nearly every eventuality – from weekend trips to shuttle operation and delivery work.

Piles of suitcases? The double-folding 3-seater bench seat creates additional luggage space in next to no time. The backrests can be folded forward to create a flat surface. Different seating layouts required? The modular seat attachment system gives a range of options. Lots of items to transport? The fastening rings in the vehicle floor are perfect for securing cargo.

• Lockable passenger double seat bench\*

01

03

\*Option at extra charge. Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

## Create space in three steps:

**01 Fold down the backrests.** All backrests on the benches and single seats in the passenger compartment can be folded down. This is also possible with the optional passenger double seat bench in the front seat row.

**02 Double-fold the seats.** The 3-seater bench seat in the second seat row can be double folded. This feature can be used to increase the size of the luggage compartment.

**03 Remove the seats.** All bench seats and seats can be removed without tools. This means the Caravelle is ready for all transport jobs in an instant. The fastening rings in the vehicle floor can be used to secure cargo.

• Seats with Easy Entry function by the sliding doors

# From 4-seater to 9-seater.

**Seating packages.** The versatile seating options in the Caravelle provide maximum flexibility – a selection of possible configurations is shown here. And the Caravelle still provides plenty of room for change once you have selected a seating package. A modular attachment system<sup>1)</sup> makes it extremely easy to remove, position and swap seats. The seating packages differ in both the number and type of seats. There are 3-seater and 2-seater bench seats and single seats.

• 4-seater package

Luggage compartment length: 1,600 mm<sup>2), 3)</sup>  
Luggage compartment length: 1,967 mm<sup>3), 4)</sup>

• 5-seater package with Easy Entry function<sup>5)</sup>

Luggage compartment length: 1,600 mm<sup>2), 3)</sup>

• 8-seater package with Easy Entry function  
**Standard equipment** in the Highline<sup>5)</sup>

Luggage compartment length: 739 mm<sup>2), 3)</sup>  
Luggage compartment length: 1,118 mm<sup>3), 4)</sup>

• 8-seater package with Easy Entry function

Luggage compartment length: 1,118 mm<sup>3), 4)</sup>

• 8-seater package

Luggage compartment length: 739 mm<sup>2), 3)</sup>  
Luggage compartment length: 1,118 mm<sup>3), 4)</sup>

• 9-seater package with Easy Entry function

Luggage compartment length: 739 mm<sup>2), 3)</sup>  
Luggage compartment length: 1,118 mm<sup>3), 4)</sup>

• 9-seater package

Luggage compartment length: 298 mm<sup>3), 4)</sup>

**Easy Entry function.** Single seats by the sliding doors always have an Easy Entry function to ensure that the third row of seats is easily accessible.

**Long wheelbase.** 400 mm<sup>3)</sup> more room for luggage or a fourth row of seats.

1) The modular attachment system comes as standard or as an optional extra, depending on the seating package. 2) In the short wheelbase vehicle. 3) Measured at floor height in the passenger compartment. Please note that the values are approximate and that the dimensions may vary due to production tolerances. 4) In the long wheelbase vehicle. 5) With two sliding doors and Easy Entry function on both sides. The illustrations show the long wheelbase vehicle. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

Caravelle – seating packages 09

Caravelle Trendline

From accessibility to action.

The hard-wearing Caravelle Trendline is keen to get involved – at a home fixture, on the school run, or on the commute to work. Muddy shoes? The rubber floor covering can be cleaned easily. Dirty hands? The interior trim can be wiped clean. Short break? The tailgate provides shelter from sunshine and rain.

Highlights of the Caravelle Trendline  
(refer also to illustrations)

- Radiator grille with two chrome strips [NEW](#)
- H7 halogen headlights [NEW](#)
- Seven seats, with “Quadratic” cloth upholstery in Titanium Black [NEW](#)
- Driver seat with manual lumbar support
- Electric windows in the cab [NEW](#)
- Electrically adjustable and heated exterior mirrors [NEW](#)
- De luxe headlining in the passenger compartment with LED interior lighting, folding grab handles and coat hooks
- Driver seat height adjuster
- Central locking with remote control and deadlocks [NEW](#)
- Air conditioning system in the cab

Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

• Unpainted bumpers and exterior mirror housing

• Lower loading sill – optional loading sill protection available  
• Plenty of space for luggage

**Passenger compartment.** High-quality materials such as the hard-wearing seat covers and Volkswagen's usual premium workmanship create a feelgood ambience. The excellent noise insulation shields the vehicle interior effectively from exterior noises.

• 12 V socket in the passenger compartment

• Plastic trim panels and durable rubber floor covering

• Dash panel with open stowage compartments, drink holders and lockable glove box

Caravelle Comfortline

# From comfortable to inspiring.

The high-quality Caravelle Comfortline is ready to take on all comers – on family holidays, weekend trips or full-on excursions. Tired legs? The integrated step makes for easy access. Large family? The headroom is the same in all seats. Hot day? The air conditioning system reaches every seat.

Highlights of the Caravelle Comfortline  
(refer also to illustrations)

- Radiator grille with five chrome strips [NEW](#)
- H7 halogen headlights [NEW](#)
- Dash panel with stowage compartments, drink holders and lockable glove box [NEW](#)
- De luxe headlining in the cab and air circulation headlining in the passenger compartment with LED interior lighting, folding grab handles and coat hooks
- Seven seats, with “Circuit” cloth upholstery in Titanium Black [NEW](#)
- “Plus” multifunction display
- Plastic trim panels and carpeting
- LED interior lighting [NEW](#)
- 12 V socket in the passenger compartment and in the luggage compartment
- Side and curtain airbags for the driver and front passengers
- Carpeting in the cab and passenger compartment

Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

**Passenger compartment.** The high-quality carpeting in the vehicle interior creates instantly a welcoming ambience. The premium seat upholstery provides excellent seating comfort. The blinds on the side windows can easily be pulled down out of the trim and clipped onto the top of the window for protection from sunshine and prying eyes.

- Comfort seats for driver and front passengers with height adjuster, manual lumbar support and armrests

- Air conditioning system in the cab with electronic controls

- Body colour bumpers, exterior mirror housing and door handles

- Sun blinds on the side windows
- Air circulation headlining with four vents

Caravelle Highline

From persuasive  
to phenomenal.

The elegant Caravelle Highline copes sublimely with all occasions – from board meetings to fashion weeks and opera balls. Inquisitive glances? The privacy glass in the passenger compartment provides protection. Making a grand entrance? Two electric sliding doors provide the perfect setting. A hard day? The leather seat upholstery is perfect for relaxation.

- Comfort seats for driver and front passengers with height adjuster, manual lumbar support and armrests
- Leather-covered multifunction steering wheel

Highlights of the Caravelle Highline  
(refer also to illustrations)

- Radiator grille with five chrome strips [NEW](#)
- Chrome package: lower air intake grille with additional chrome trim and chrome strips on the sides and rear
- LED headlights and LED tail light clusters [NEW](#)
- 17-inch "Aracaju" alloy wheels in Silver [NEW](#)
- "Nappa" leather seat upholstery
- Dash panel with painted black panels, decorative trims in Pewter Wave Grey and chrome surrounds [NEW](#)
- "Discover Media" navigation system with 20.3 cm (8-inch) touchscreen [NEW](#)
- LED interior lighting [NEW](#)
- eCall [NEW](#)

- Body colour bumpers, door handles and exterior mirror housing
- Fog lights with integrated static cornering light

- “Discover Pro” navigation system with 23.4 cm (9.2-inch) colour touchscreen **NEW**
- Digital Cockpit display positions **NEW**

- Privacy glass in the passenger compartment

- Air circulation headlining with four vents
- Folding grab handles and coat hooks
- “Climatic” 3-zone Climatronic air conditioning system

- Sun blinds in the passenger compartment

**Passenger compartment.** The Titanium Black seat covers with centre seat panels and inner side bolsters in “Nappa” leather combine exclusive seating comfort with excellent durability. Opening and closing the two electrically operated sliding doors is also extremely convenient and safe. Sensors monitor the door’s path and the roll-back function prevents any injuries.

- Eight seats, of which two feature the Easy Entry function **NEW**
- Carpeting in the cab and passenger compartment

\*Option at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

## From no local emissions to nine people.

**ABT e-Caravelle.\*** PremiumPartner ABT e-Line will fit your Caravelle with electric drive to order. You order the basic vehicle without an engine from your Volkswagen Commercial Vehicles dealer and then let the dealer manage the conversion to electric drive by ABT e-Line.

The long wheelbase e-Caravelle developed by our PremiumPartner ABT e-Line can transport up to 9 people.

\*This vehicle is at the concept stage and is not yet on the market. It is not subject to Directive 1999/94/EC. Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

## Digital Cockpit

From digital  
to ingenious.

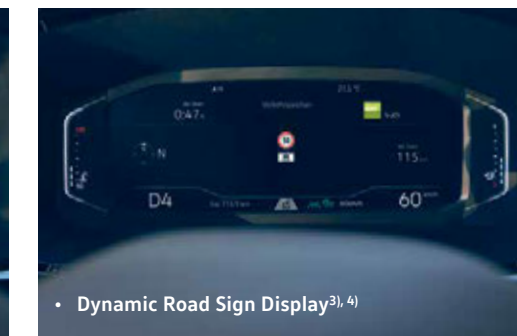

The high-resolution Digital Cockpit<sup>1)</sup> with a 26 cm (10.25-inch) display is where the future is at – for listening to music, making a call or navigating. New music tracks? The driver can browse through the tracks in their smartphone media library without a sideways glance. Next phone call? Contact portraits make it extremely easy and intuitive to dial a number. Unfamiliar territory? The navigation map in the Digital Cockpit<sup>1)</sup> can show the surrounding area while the navigation system gives you a larger overview.

• Overview of driving data

• Second navigation map in high-resolution 3D display<sup>2)</sup>

• Dynamic Road Sign Display<sup>3), 4)</sup>

• Playlist from smartphone

- High-resolution LED display with 29.7 cm (11.7-inch) diagonal
- Bright and very high-contrast image with intense colours
- Operated using the leather-covered multifunction steering wheel

1) As standard in the Caravelle Highline. Option at extra charge with the Caravelle Comfortline. The presentation of the navigation chart on the display of the Digital Cockpit is only possible in connection with the navigation system "Discover Pro". 2) Only available in conjunction with the Discover Pro navigation system. 3) Option at extra charge. 4) Within the system thresholds. Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

We Connect

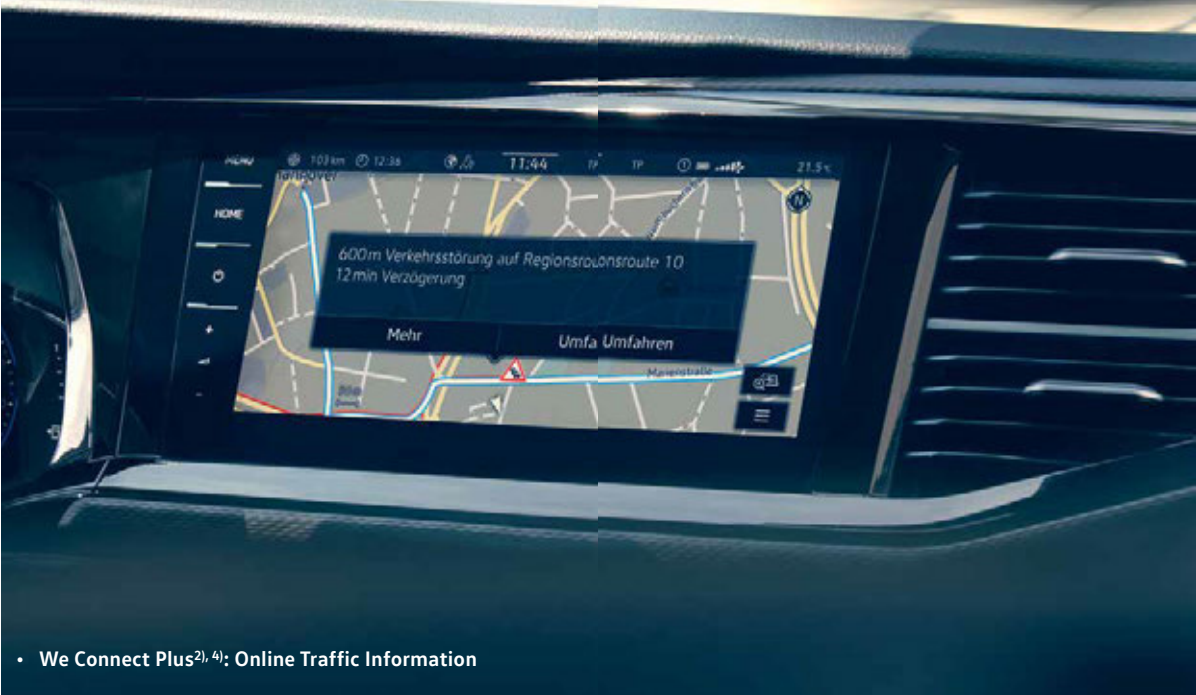

From service to Infotainment.

The Caravelle uses the whole spectrum of digital services on the move with We Connect<sup>1), 2)</sup> – from traffic information to map updates and anti-theft alarms. Caught in a jam? The Online Traffic Information<sup>3)</sup> adjusts the route dynamically to suit the real-time traffic situation. A new street? The Online Map Update<sup>3)</sup> keeps the maps fully up to date. Unsafe area? The Online Anti-Theft Alarm<sup>3)</sup> reports attempted theft via push message or email.

1) Option at extra charge with the Composition Audio radio system. Standard with all higher-level Infotainment systems. 2) To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 3) Option at extra charge. 4) At an extra charge in the event of renewal from the second year onwards. 5) Only in conjunction with a CarPlay-capable device from the "Discover Media" navigation system. 6) Only available in conjunction with the Streaming & Internet package. 7) Only available in conjunction with the optional water-based auxiliary heater with radio remote control. 8) This service is security-relevant and requires a prior identity check using the Volkswagen ID procedure. This involves your identity being checked by a Volkswagen dealer or via video chat. 9) When using a TomTom LINK 610, We Connect Fleet is compatible with: Crafters from model year 2017, Caddy's from model year 2015, Transporters from mode year 2015 and a range of other vehicles not belonging to the Volkswagen Group. Depending on the equipment, a large number of Volkswagen and Volkswagen Commercial Vehicles from model year 2008 onwards can be retrofitted with a Volkswagen DataPlug. 10) Only available with a second-generation or later Volkswagen telematics box. 11) Appointments must be scheduled with the Volkswagen Commercial Vehicles dealer. 12) Only available with third-generation Volkswagen telematics box and Volkswagen DataPlug. The scope of services of We Connect and We Connect Plus may vary and can be used at a later date. We Connect is not currently available in New Zealand. Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

• We Connect Plus<sup>2), 4)</sup>: Online anti-theft alarm

• We Connect Plus<sup>2), 4)</sup>: Online Traffic Information

More efficient fleet management.

We Connect Fleet<sup>2), 3)</sup> is Volkswagen Commercial Vehicles' modern fleet management system which provides quick and straightforward access to important vehicle and fleet information. Managing logbooks digitally or checking up on costs and consumption: you can now manage your Volkswagen Commercial Vehicles and vehicles from other manufacturers<sup>9)</sup> quickly and efficiently using the associated online portal and the app. This saves time and eases your daily workload.

We Connect Fleet<sup>2), 3)</sup> provides:

- Fuel Logbook
- Digital Logbook
- Maintenance Management<sup>10), 11)</sup>
- Consumption Analyser<sup>10)</sup>
- GPS Tracking & Route Information<sup>12)</sup>
- Driving Efficiency

More information about We Connect Fleet<sup>2), 3)</sup> at [connectfleet.io](https://connectfleet.io)

**“Park Assist” parking steering assistance.<sup>1), 2)</sup> **NEW****

Helps the driver when parking in bay and parallel parking spaces by independently taking over the steering.

**Trailer manoeuvring system “Trailer Assist”.<sup>1), 2)</sup> **NEW****

Makes it easier to steer a trailer when manoeuvring into parking bays and gives precise control when reversing.

**Side protection.<sup>1), 2)</sup> **NEW****

Monitors the sides of the vehicle while travelling and indicates critical approaches to pillars or walls in the Infotainment system display.

**Tyre Pressure Monitoring System.<sup>1), 2), 3)</sup> **NEW****

Notifies the driver about the current tyre pressure before and during the journey and issues a warning in the event of pressure loss. Each wheel is fitted with sensors which transmit tyre pressure information.

**Dynamic Road Sign Display.<sup>1), 2)</sup> **NEW****

Detects speed limits, no overtaking signs, time- and weather-related restrictions with a special camera and notifies the driver via the multifunction display.

**Cross Wind Assist.<sup>2)</sup> **NEW****

Stabilises the vehicle in strong gusty cross winds through automatic braking interventions.

**Lane keeping system Lane Assist.<sup>1), 2), 4)</sup> **NEW****

Uses the multifunction camera to monitor your lane and takes corrective action if there is a risk of the vehicle crossing the road markings.

**Rear Traffic Alert.<sup>1), 2)</sup> **NEW****

Provides assistance when reversing out of a parking space. The vehicle applies a braking intervention if the driver does not react to the acoustic warning when critically close to another vehicle.

**Adaptive Cruise Control ACC including Front Assist area monitoring system with City Emergency Braking.<sup>1), 2)</sup>**

Adjusts the speed of your vehicle to the speed of the vehicle in front by applying automatic braking interventions, thus maintaining the distance specified by the driver.

**Hill Descent Assist.<sup>1), 2), 5)</sup>**

Ensures controlled and safe hill starts by reducing the engine speed and applying the brakes as required.

**Driver assistance systems**

From practical  
to pragmatic.

1) Option at extra charge. 2) Within the system thresholds. 3) Not available in conjunction with the Composition Audio radio system. 4) The driver must be prepared at all times to override the assist systems. They are not released from their responsibility to drive with the utmost care. 5) Only available in conjunction with the 4MOTION all-wheel drive. Please refer to pages 37-38 for standard and special versions. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

## From traction to protection.

**4MOTION all-wheel drive.**<sup>1), 2)</sup> The all-wheel drive automatically adapts the power transmission to the respective driving situation via an electronically controlled multi-plate clutch on the rear axle. The low system weight provides optimum vehicle handling and increased driving dynamics.

**Mechanical differential lock.**<sup>1), 3)</sup> A mechanical differential lock is available for the rear axle as additional support for the 4MOTION all-wheel drive. This makes it easier to pull away in difficult off-road conditions and makes the Caravelle one of the most capable all-terrain vehicles in its class.

**Engine underbody guard.**<sup>1), 4)</sup> Special protectors for the engine, gearbox and rear axle differential provide reliable protection on uneven surfaces, in conjunction with sill strips for the outer side members.

1) Option at extra charge. 2) Not available for all engines. 3) Only available in conjunction with the 4MOTION all-wheel drive. 4) Will be introduced at a later date. Illustrations includes options at extra charge. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

# From dynamism to driving comfort.

**Manual gearbox or dual clutch gearbox DSG<sup>1)</sup>, <sup>2)</sup>** Choose the smooth-shifting 5/6-speed manual gearbox or the optional adaptive 7-speed dual clutch gearbox. The latter enables a fully automatic and almost imperceptible gear change without interrupting the power flow, and also adapts to the driver's driving style.

1) Option at extra charge.   2) Not available for all engines.   3) Centre seat panel and inner side bolsters in "Nappa" leather.   4) Illustrations show the Multivan.   The illustrations on these pages can only be used as a guide because the colours cannot be reproduced realistically in print.   Illustrations includes options at extra charge.   Overseas model shown, local specifications may differ.   Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

**04 Luggage compartment liner.** The light and non-slip liner with an approximately 5 cm rim protects the luggage compartment from moisture and dirt.

**05 Loading sill protection for the rear bumper.**<sup>15)</sup> Protects the painted rear bumper from scratches when loading and unloading. The plastic strip is available in Silver or Black.

**Electric tailgate.** Can be operated with vehicle key for convenient and safe handling Sensors detect whether the tailgate has sufficient space to open, and the roll-back function stops the tailgate from closing if it encounters an obstacle.

**De luxe headlining.** Suits individual preferences, with LED interior lighting, folding grab handles and coat hooks

**Towing bracket, rigid, maximum trailer weight of 2.5 tonnes.**<sup>12)</sup> Fitted with a trailer stabilisation function as part of the Electronic Stabilisation Programme.

1) The presentation of the navigation chart on the display of the Digital Cockpit is only possible in connection with the navigation system “Discover Pro”. 2) Optional equipment at no extra charge with the Caravelle Comfortline. 3) As standard in the Caravelle Trendline. 4) As standard in the Caravelle Comfortline. 5) Also available with DAB+ and comfort telephony upon request. 6) To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 7) Option at extra charge with the Composition Audio radio system. As standard with all higher-level Infotainment systems. 8) At an extra charge in the event of renewal from the second year onwards. 9) Only in conjunction with a CarPlay-capable device from the “Discover Media” navigation system. 10) Available with convenience telephony and Voice Enhancer on request. 11) Will be introduced at a later date. 12) The maximum trailer weight varies depending on the engine. 13) Within the system thresholds. 14) The driver must be prepared at all times to override the assist systems. They are not released from their responsibility to drive with the utmost care. 15) Illustration shows the Multivan. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.

**01 Central locking with remote control and interior door handle.** Press the remote control to open all doors or only the driver door.

**02 eCall.** In the event of an accident, the system automatically transmits the time, vehicle position and number of occupants to the emergency call centre and provides a voice connection. The system is activated by a crash sensor or manually via the emergency call button. Available with the Composition Colour radio system and above.

**03 Air circulation headlining with vents.** Directs fresh air into the passenger compartment and prevents the side windows from misting up.

**Bench seat and seats for the passenger compartment incl. ISOFIX and top tether.** Makes it easier to install child seats.

**Light and Sight package.** Improves visibility at night with an automatic anti-dazzle interior mirror and a rain sensor which activates the windscreen wipers. The automatic headlight control illuminates the way to the vehicle.

**Heated windscreen.** Ensures good visibility in cold and damp weather. The heating elements are integrated into the window.

| Sill strips, left and right-hand sides                               | ●         | ●           | ●        |

**04 Heat-insulating windows (A).** Significantly reduces the heat in the vehicle interior. **Privacy glass (B).** The dark windows in the passenger compartment offer a high degree of discretion. **Black solar protection film (C).** In conjunction with the privacy glass, it creates almost opaque glazing.<sup>4)</sup>

**05 Auxiliary air heater.** It works independently of the heater and fresh air ventilation system and can be controlled both via the central control panel and by remote control. Upon request, an **auxiliary water heater** is also available.

**02 Air conditioning system in the cab with electronic controls.** You can use the infinitely adjustable control to set your preferred comfortable temperature.

**03 “Climatronic” 3-zone air conditioning system.** The fully automatic air conditioning system with allergen filter has several sensors and maintains the preset temperature for the driver, front passenger and other occupants. A second heating and fresh air system, an additional evaporator and multiple vents in the de luxe headlining ensure a pleasant climate in the passenger compartment.

1) Within the system thresholds. 2) Only available in conjunction with the 4MOTION all-wheel drive. 3) Will be introduced at a later date. 4) Illustrations show the Multivan. Overseas model shown, local specifications may differ. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras.
